I hope you do not mind my taking yr. bag. It is a most convenient one & not being quite new I thought you wd. not mind. We arrived here at 8 last night. It is a most crowded fashionable place, but nearly all are women. We Mich. I came up from Monthey in Diligence as they wd not bring up our luggage without us. This is rather a hot place. We wandered up & sat under the pines this morning. I don't think we shall do much walking. We can't think how Mrs. H. will get here we had such a difficulty at Paris & she will have a cousin, with sprained ankle & Ethel H. to look after. Ethel has met several school fellows. Yrs OVBH.

Kobe, 11th Jan. 1902.

Dear Sirs.

I have to thank you for one copy of "Century of Copper" which you forwarded to me in compliance with my request. I have paid today to the Kobe Post-Office an equivalent of 5/3, amount of your bill dated 13th Nov. 1901, which I trust you will duly receive from the London Post Offic.

I remain. Yours faithfully,

per ~~H.~~ K. Sumitomo.

350 Sanko Cho Shiba Tokyo. Oct. 21st 1923.

Does the Los Angeles address mean you are waiting over till spring? I hope so. Hotels are a terrible price, but I have thought of one or two more to try. I sent on the reg: letter of credit a day or two ago. Thank you so much for sending things - I really ought not to have them I hardly lost anything - but there are lots of people still even without a shelter & some without clothes - I can have on some more fur old ones if you like me - Perhaps I might use the money for straightening up our poor old house. There may not be enough for all repairs etc - Suggestion of blankets rather made my mouth water - we have got a respectable one in the house - but we are neither burnt nor tumbled down and we had not enough to give away especially as we cant get our summer luggage & had to leave it behind when we came to Tokyo - I will write soon, but havent time today - You will soon get my letters saying we werent burnt or crushed, though we are much tumbled about - Tokyo & Yokohama are such desolations, yet is so hard to get about - Kobe is a long way from here I shant see it this time - Much love & many thanks Yours K. Tanner
