Dear Sir -

Many thanks for your recent letter enclosing Post Card re Winter Olympics. I like it very much.

I save letters of this kind and as one of our States is having a 300th year Birthday, we are to have a new stamp. I am asking the Postmaster to send this letter in one of the Special envelope with the new stamps & it will be mailed to you the first day.

If you get more new stamps please write me & I will send the money. We save envelopes in this country. If you do not save them give some who wants it. May be you know of some one who would like some of our stamps, if so I would be glad to send some free, I do not sell them.

Thanks again
