CERTIFICATE

No.02052908

GREECE
COMBINATION COVERS

1865 Letter from Rome to Athens sent on 18 March (date according to the Gregorian calendar franked with Papal States 8 baj paying (two pairs and a single) and 2 baj paying, the double rate to Greece. In Athens one 20l. stamp was added to pay the Greek internal fee, cancelled with "ATHENS 11 MAR 65" cds (date according to the Julian calendar), the letter also shows a similar impression of this postmark on the back.

It is my opinion that the letter with its franking is genuine and in good condition. I have signed it.

This certificate is made according to the statutes and to the rules of the "Association Internationale des Experts en Philatélie" and any person who makes use of this is understood to have knowledge of these statutes and rules and to agree with them.
