SUPPLEMENT NUMBER 18 ● ITEM NUMBER 201S095
FOR STAMPS ISSUED THROUGH OCTOBER 19, 1995

This supplement contains a total of 5 pages. On page 2, space has been provided to mount both the English and the Gaelic versions of the Greeting booklet pane of Scott 953-955.

All stamps issued through October 19, 1995, as listed in the Scott Catalogue, are included.

Scott follows several general principles in developing its supplements. Our goal is to make products convenient to use while giving you the most value for your dollar. To that end, we have developed our albums and supplements to fit the needs of the majority of our customers.

Our supplements are designed to minimize the necessity of remounting stamps from year to year. Whenever possible, supplements will not contain "temporary" pages that will only be in use for a short time. And, you will find that we make every attempt to group together stamps that make up definitive or commemorative sets whenever possible.
