Regular stamps of 1905 overprinted in type set:

Only very few of these stamps were overprinted in June 1907 and only some of them were formerly catalogued by Stanley Gibbons (Z 37-42), by Yvert (64-69), by Michel (21-23,26-28) but not at all by Scott. This is a great mistake, as these stamps are GENUINE, also very scarce !
