UNISSUED or UNAUTHORISED

VIOLET overprint

BLUEFIELDS / DPTO. ZELAYA

1909 - 1911

The following stamps are not listed by Scott and should be considered as UNISSUED or UNAUTHORISED. Even so, the overprints on these stamps are absolutely GENUINE and it is my firm believe that these stamps have been overprinted for POSTAL USE. The stock of stamps available in these years was so small that very likely a few remaining sheets and even part-sheets of certain issues were also overprinted and delivered to some Post Offices on the Atlantic Coast of Nicaragua. The local about the stamps they sold, as long proper way. They also accepted TELEGRAPH stamps to be used these stamps with a genuine certain stamps are not listed here presented have to be considered. If these stamps would have been fill dealers orders, there would be a much larger amount of them on the market or to be found in old Albums or collections.
