BISECTED: 10sh. stamp in shiraz, jahrom and Enzeli. 1kr. in Enzeli.
Have been used bisected.

Speculative bisected stamps.

Sept 1883. 10 centimes of June 1881 bisected & surcharged in MSS. in black & S.

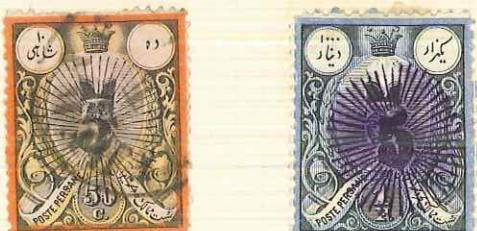

March 1884. Surcharge reading both up & down & also bisected diagonally.

April 1884 50c & 10 ch bisected & surcharged, former in blue latter in black.

Alleged to have been issued in 1882

IRAN 1903-4

Seemingly the demand for the 2T and 3T values exceeded the limited supply at first available and the same surcharge was in a few instances used on Registration labels.

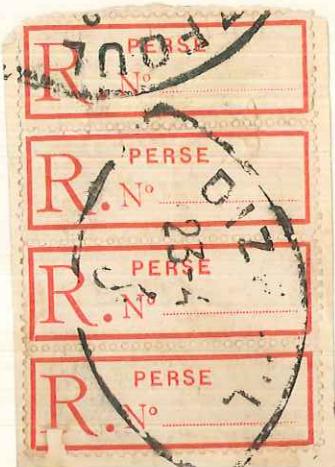

The dimensions and spacing of the overprint on the label is identical with those found on the stamps.
See P.J.G.B. p.213.
