EXPERTS

Roma, 6 novembre 1997

DANIMARCA 1918, quattro francobolli per giornali del 1907 sopra-stampati (Unif. N. 87-90) nuovi.

A nostro parere gli esemplari qui sotto fotograficamente riprodotti hanno soprastampe originali e gomma originale, integra. Poiché trovansi tuttora in ottimo stato di conservazione, sono stati firmati.
