Finland

J.S. Facott.

Dear Mr Facott,

Alan Malcolm gave me your address. I hope this is what you need, should this be incorrect, would you kindly drop me a line of your needs and I will do what I can for you.

The trip by boat was very good, absolutely first-class, in fact, but since being in Finland the weather has been typical English, rain & sunshine. All the very best wishes,

Yours in sport.

Len Brooket
