CERTIFICATE FOR CLASSIFICATION & AUTHENTICITY for **eBay** Listings Nr: Eb2195

Opinion only:

I have examined the stamp shown at the right.
It is a genuine Small Hermes head 1 lepton deep
chocolate in block of twenty, with perforation 11 ½,
position 81-100. 1889-1891 Athens issue,
Vlastos catalog number 93c, mint without hinge,
only four stamps with hinge.
