## Certificate

### TURKISH POST IN ROMANIA:

I have examined the formula card, which I have attached a color Xerox to the present certificate.

**Ottoman Military mail in Romania:** Ottoman military formula card used in ‘BRAILA’ by a Ottoman soldier in 25<sup>th</sup> Division to Beyrouth showing extremely rare all Arabic negative ‘Yirmibeşinci Fırka = 25<sup>th</sup> Division’ seal dated ‘21/12/1917’ sent via İstanbul showing on front upper part all Arabic İstanbul transit and front bottom part rectangular number 38 censorship markings on reverse bilingual ‘Beyrouth 18.1.1918’ arrival postmark.

I am of opinion that the card and all cancellations are genuine.
