Ref.No: 01277

Certificate

LEBANON:

I have examined the Entire letter, which I have attached a color Xerox to the present certificate.

1863 steam ship mail entire letter dated internally '15 July 1863' sent from **Beyrouth** to **Alexandrette** by ship showing very rare large framed 'P.P' postage paid cachet in black.

I am of opinion that the entire letter with P.P. cachet is genuine.
