1933, Official Mail to Belgium

1931, 1 ¾ G. (4) paying the registered postage to Belgium on an official envelope headed "Royaume de L'Arabie Soudite". A very early usage from the PTT Administration of the newly proclaimed Kingdom which was apparently not yet sure that its official mail would be accepted and not taxed.

# Saudi Arabia

1933, another registered official cover sent stampless from Mecca two months later (12.9 – dates in postmark transposed to 21.9), via Jeddah (13.9), Port Taufiq (17.9) and Alexandria (18.9) to Brussels (25.9). The PTT Administration had now clarified that its official envelope were accepted abroad, Saudi Arabia having joined the UPU on Jan 1<sup>st</sup> 1927. However, as the stamps used in 1933 were still inscribed “Hedjaz & Nedjde”, the PTT reverted to using official envelopes with that heading.
