In our Opinion the item described as:

Colombia - Scott 6, Yvert 5, 20 Centavos, Ultramarine, stone A, position 13, a very scarce colour shade and good margins on all sides, cancelled by pen stroke sent from SANTA MARTA to MEDELLIN, paid for a postage rate for a distance between 450 and 1350 kms. Dated inside the date of dispatch as 9 September 1859, which makes this cover one of four covers recorded of the first two weeks of the first issue. Very scarce and important item of classic Colombian philately. GENUINE in all aspects.
