See over

BRAZIL 1844 entire letter from Jacarehy (1 Apr) to Rio de Janeiro with, on the reverse, 1843 60r Bulls Eye intermediate impression, lower right corner copy with two marginal rules plus additional interpanneau rule at the bottom with fine central framed PINDAMI/NHAN/GABA cancel

I have examined the above item and, in my opinion, it is genuine in all aspects

Notes: The stamp is Position 18 from the First Composite Plate (probably State D not illustrated by Newbury). Heavy central file fold clear of the stamp. The letter would have travelled from Jacarehy via Pindaminhangaba to Rio de Janeiro. The only recorded example of this cancel on a Bulls Eye cover. *Ex Newbury & Koester*
