## AUSTRALIA, 1908.

I have examined the Postage Due stamp issued by the Commonwealth of Australia in September of 1908, "Numerals" 5 shillings dull green, perforated 11 ½ x 11, printed by New South Wales Government Printing Office, on medium white wove paper with watermark "Crown over single-lined A" upright, Scott Catalogue #J36; Stanley Gibbons Catalogue #D59; Brusden-White Catalogue (1999) #D72, unused, a colour reproduction of which is below, magnified to 125% of true size, and am of the opinion that:

The stamp submitted is **genuine in all respects**, unused, with full original gum, previously hinged. The stamp has fresh colour and is entirely free from faults or repairs at the time of examination. A fine mint example.
