

Postal Stationery of Tonga

This is an unusual piece of stationery – the receipt for 3 items of registered mail sent to Mr E Stone-Wigg from Nuku'alofa on 15th November, 1919. Unfortunately, there is only 1 of the 3 registered items, here. The stamps range from 2½d to 2/-, so I suspect that all of the 1897 definitive stamps were on the 3 envelopes. The stamps are cancelled by the Nuku'alofa s/c, Proud type D6; the registration oval is Proud type R4.
