FRANCE USED ABROAD. A lettersheet bearing an 1872, 30c. brown, S.G. 196, Scott 62, cancelled by the cds. of Les Dardanelles, Turkey, 7. Sept. 1876 in blue with a boxed Paquebots de la Méditerranée in red alongside, sent via Marseille to Genoa, arriving 15. Sept. 1878. It is in my opinion genuine.
A superb and rare cover.
