In my opinion the Tibetan cover illustrated here is

a genuine early cover of the 1912 issue sent from Lhasa to the Tax Office in Gyantse.  
Postmarked dated Lhasa negative and dated negative transit postmarks  
from Chushu, Pelti, Nangartse and an arrival postmark from Gyantse.

This is Waterfall number W24 in Bright Emerald 26A9 colour.

Covers from the transitpostmarking period are scarce.
