VIZEWELTMEISTER 1966

West Germany

8th World Cup

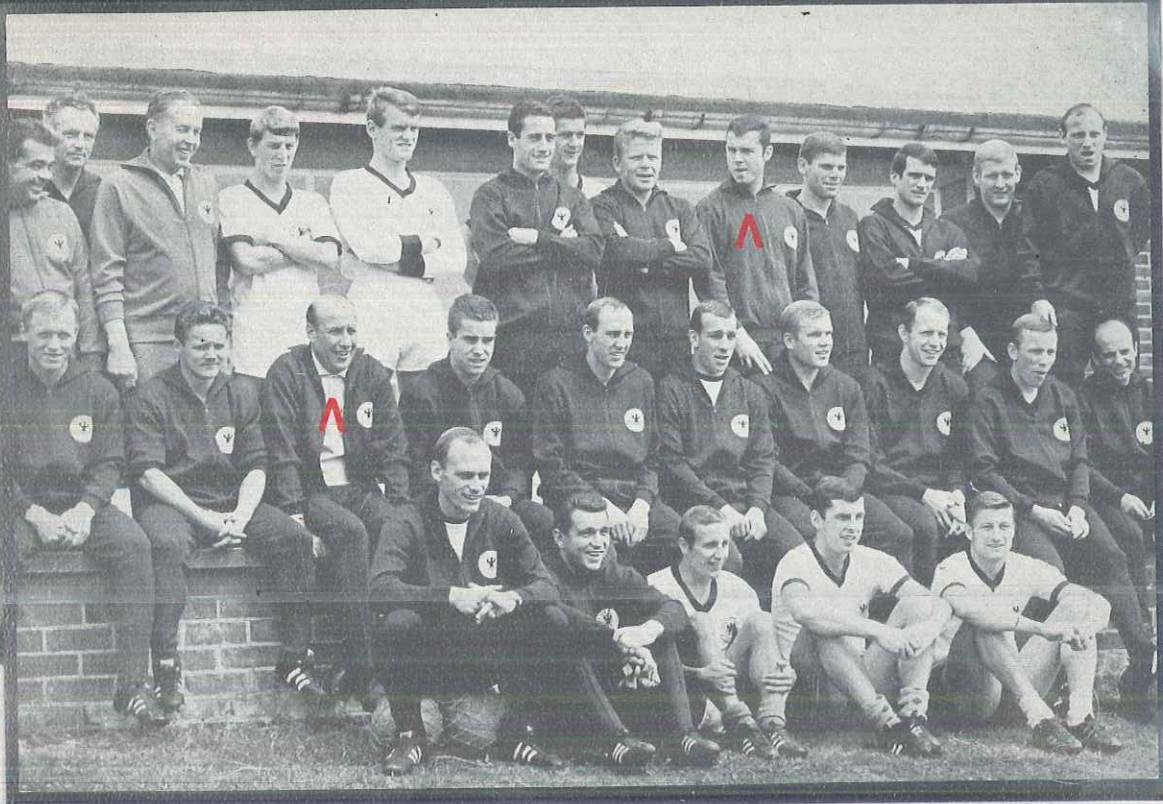

1966 - England - 1966

"Helmut Schoen"

West Germany's Team Manager

SCHOEN'S FATAL MISTAKE

Schoen had given Franz Beckenbauer his midfield orchestrator a free rein which he exploited in earlier rounds with devastating results. For the "Final" against England it was decided he would play a "Marking" role on Bobby Charlton thus stifling abilities which may well have won the World Cup for West Germany at the Wembley Stadium.
