ECUADOR 1865 ½ Real first issue (Scott 2) two multi-coloured stamp models showing differing designs and colours both with several small differences, mainly in the frame designs, to the issued stamps

I have examined the above two items and, in my opinion, they are genuine in all aspects

Notes: *Ex Bernard Peyton.* The entire Peyton collection less one volume, which, amongst other things contained the above two items, was donated to the Smithsonian Museum in Washington circa 1960 period
