Certificate No. 8225/93

August, 22nd 1993

NEW SOUTH WALES. 1850 (1.Jan.), 1d. reddish-rose,  
plate 1, without clouds, on soft yellowish  
paper, imperf., pos. 1 on the plate,  
S.G. 3, Scott 1, with dried up original  
gum, is in my  
opinion genuine.  
There is a minute black mark on  
the extreme lower right hand corner,  
clear of the design.  
Allthough the stamp has only tiny  
margins, it is very rare unused.
