**EGYPT.** 1922 (Oct 10): Postage Due set of four with Monarchy overprint 'Kingdom of Egypt' in black, SG D111/114; unused examples soaked from a page found in the Bechuanaland UPU receipt book (released by the British Post Office and sold to Argyll Etkin of London), with locally produced handstamp SPECIMEN in black (23 x 2.5 mm) and further defaced by blue crayon to prevent re-use. I have examined and signed this set and, it is, in my opinion, genuine in all respects.
