MAURITIUS. A lettersheet bearing a horizontal pair of the 1859 "Lapirot" 2d. blue, early impression, pos. 11,12 on the sheet, S.G. 37, Scott 14B, cancelled by concentric circles with a double circle "G.P.O.Mauritius, August, 8. 1859" on the reverse, sent by steamer "Northam" via Suez to Marseille, where it was charged "8"(deci) postage due on arrival. It is in my opinion genuine. The lettersheet is very soiled and creased and the front is splitting away from the contents.
