DUZDAB INDIAN EXCHANGE P.O.

Another example of the DUZDAB EXCHANGE postal markings.

Notice the two different spellings used. "KUH MALEK SIAH ZIARET" is the marking applied by the Persians. The Indian post office used "KOH-I-MALIK SIAH ZIARET".

## PERSIA - MAHOMMERA

Mahommerra is the chief port for the refineries at Ahwaz and Abadan. It is now known as Khorramshahr. The Indian postal agency was opened here on 19 July, 1892, and closed on 1 April, 1923.

The first cancel used here was the large squared circle. It was in use from 1892 to 1904.

Handwritten text in Urdu script, likely a signature or address, on a piece of aged, torn paper. The text is written in dark ink and includes a large, stylized signature at the top. Below it, there are several lines of smaller text, some of which are crossed out with a horizontal line. The paper has a rough, torn edge on the right side.
