## IRAN, 1878.

I have examined the strip of three postage stamps of Iran, issued in February of 1878, "**Lion and Sun**" 4 Krans blue, imperforate, on medium white wove paper, without watermark, Scott Catalogue #35; Stanley Gibbons #36, unused, a colour reproduction of which is below, magnified to 125% of true size, and am of the opinion that:

The strip of three stamps is **genuine in all respects**, unused, without gum. It has complete margins outside of the framelines on all sides and is free from faults or repairs at the time of examination. The stamps correspond to **Types A - C - D**, and represent a complete setting of this stamp. **A very scarce multiple**. I have signed it.
