Introduction

Marcus Orsi
SENIOR PHILATELIST

Dear Collector and client,

We are holding our traditional Autumn/Winter auction series, from November 30 to December 4, 2020, which comprises six different catalogues. I am often reminded that without the trust and continued appetite of our passionate and active collector-clients, this sale would not be possible, so I would firstly like to thank all our sellers and future buyers for your continued support.

Please note the sale and this catalogue is divided into two currency groups: Euros (EUR) for the Europe, Overseas and Latin America sections, and Swiss francs (CHF) for the Switzerland section.

This catalogue highlights important sections of Europe with Belgium, Greece with a wonderful selection of Large Hermes Head rarities, Italian States and Italy showing over 170 lots, Overseas showing Egypt, Tibet with a Mount Everest postal history collection. Latin America presents a fine array of lots from a wide variety of countries including Argentina, Brazil, Colombia, Mexico, Panama, Uruguay and Venezuela. The Switzerland part of the sale presents 262 lots showing a little bit of everything, from classics through semi-modern and collections. Plus over 370 lots in a special and separate section of one country and all world collections and lots.

It will be our pleasure to welcome you to Geneva. However, please contact in advance of your visit so we can help you to meet all the necessary Covid-19 requirements. The viewing of both small and large lots will take place by appointment only. If you are planning to visit us, please inform us of your travel plans, and do not hesitate to ask should you need some assistance in the form of hotel reservations or other information. Should you not be able to view the lots at our offices, please consider that most of them, including numerous collections, are also scanned and available for viewing via our website www.davidfeldman.com. Bidding in our auctions can be made in writing via the enclosed bid form, live via the Internet or by telephone in the comfort of your home or office, or through an independent auction agent. Should you have any questions concerning the material presented, our conditions of sale or indeed any other matter, please do not hesitate to contact us – we are at your service. We wish you success with your bids and satisfaction with your purchases.

A handwritten signature in blue ink, appearing to be 'M. Orsi'.

Conditions of Sale

The currency of the auction is the Euro (€)

Participation in any David Feldman S.A. auction means acceptance in full of the following conditions as well as any rights and obligations arising therefrom. These same conditions also apply to all transactions taking place outside the realm of the auctions. DAVID FELDMAN S.A., organiser of the auctions, acts as an agent only and is not liable in any way whatsoever for any default(s) of purchaser(s) and/or vendor(s).

1. The auction lots are offered

1.1 As presented in the relative auction catalogue and/or through the David Feldman S.A. website. Lots are meticulously described and with the greatest care, however without responsibility. Photographs count as part of the description with regard to the margins, perforation, centering, postmarks and all other visible attributes. The descriptions of the lots mention if the items are signed by recognised experts and/or accompanied by expert certificates.

1.2 As viewed in person: before and during auction sales, persons or their agents may examine lots at our offices or at the auction location, and must confirm their auction invitation before viewing. Persons or their agents attending a Live Room auction by invitation and/or who have viewed lots before an auction are understood to have examined all lots which they purchase and accept them as they are at the moment of the knocking-down and not necessarily as described.

2. Auction bids

2.1 The auction bid steps for all auctions are as follows: (some auctions may be in other currencies than Euros)

€ 50 - 100:	€ 5	€ 2'000 - 5'000:	€ 200
€ 100 - 200:	€ 10	€ 5'000 - 10'000:	€ 500
€ 200 - 500:	€ 20	€ 10'000 - 20'000:	€ 1'000
€ 500 - 1'000:	€ 50	€ 20'000 - 50'000:	€ 2'000
€ 1'000 - 2'000:	€ 100	€ 50'000 - 100'000:	€ 5'000

Bids between these steps will be adjusted accordingly to the next highest bid step. The bidder is bound by his offer until a higher bid has been validly accepted.

2.2 DAVID FELDMAN S.A. has full discretion to refuse any bidding, to divide any lot or lots, to combine any two or more lots and to withdraw any lot or lots from the sale without in any case giving any reason. DAVID FELDMAN S.A. may also bid on behalf of vendors in cases where reserve prices have been fixed. In these cases, the vendor is treated as a buyer and the auctioneer shall bid on his behalf up to reserve prices. If the reserve price fixed by the vendor is not reached, the auctioneer passes to the next lot by a simple knock of the hammer.

2.3 Bid orders are only accepted from registered clients of DAVID FELDMAN S.A. and/or its associated companies. Live Room bidders must confirm their invitation prior to obtaining a bidding number.

2.4 Bid orders received by DAVID FELDMAN S.A. including via its website before the relative auctions have priority over room bids in the case of Live Room auctions. Clients giving bidding instructions to DAVID FELDMAN S.A. may make alternative offers and/or limit the total of their expenditure in advance. Bids marked "BUY" are considered as up to ten times the quoted estimate price where such exists. Bids made in other currencies than the advertised currency of the auction will be converted into that currency at the market rate of the day of receipt by DAVID FELDMAN S.A.

MAN S.A. Bids are standing and hold good for at least 60 days from the auction period. DAVID FELDMAN S.A. reserves the right to invoice bidders up to the end of the 60 day period, payment being due immediately.

3. The auction

3.1 Unless explicitly stated otherwise, the currency of the auction is Euros. Attendance at the Live Room auction is reserved for invited clients and/or their agents.

3.2 Prerogatives of David Feldman S.A.: DAVID FELDMAN S.A. may withdraw, group differently, divide or refuse to knock down any lot. DAVID FELDMAN S.A. reserves the right to refuse any bid orders and/or for Live Room auctions, refuse admittance to the auction room, at its discretion, to anybody whomsoever. DAVID FELDMAN S.A. cannot be held responsible for any physical accident that may occur on the premises where auctions take place. In the case a bone fide offer for the entire collection presented in this catalog is received at least two weeks before the auction date, and would be accepted by the vendor and the auctioneer, it maybe withdrawn from sale and the auction offer cancelled.

3.3 Bidders' representatives and auction agents: any person bidding for the account of a third party is fully liable for any obligation arising from such bidding. This responsibility is notably applicable for the verification of the condition and for the payment of purchased lots.

3.4 Winning Bids: each lot is sold on behalf of the respective owner to the highest bidder who becomes the buyer at one bid step over the next highest bid step; this is the knock-down price. A buyer's premium will be added to the knock-down price per lot and is payable by the buyer as part of the total purchase price. The buyer's premium is 22% of the knock-down price up to and including €50,000 and 20% on any amount in excess of €50,000. Cost of postage will be invoiced separately from the buyer's premium. On the knock of the hammer, liability for the lots passes to the bidder whose bids have been accepted. The lots are delivered to the buyer when the total sale price (knock-down price plus all fees) have been paid in full.

VAT (Sales Tax) - Notes for guidance concerning auctions for which the lots are located in Switzerland: buyers domiciled abroad are not liable for this tax once the goods are duly exported from Switzerland. DAVID FELDMAN S.A. are pleased to arrange this export; alternatively, clients may make their own arrangements and furnish DAVID FELDMAN S.A. with proof of export, stamped by Swiss customs. Any purchases by buyers who wish to keep their purchases in Switzerland will be liable to VAT at 7.7% of the purchase price in Swiss Francs at the converted British pound value during the auction. It is the buyer's responsibility to pay any relevant duties that may be incurred upon import to other jurisdictions.

3.5 Payment: Sale price plus buyer's premium and additional costs (if any) are due for immediate payment as invoiced against delivery of the lots. Payment in other currencies is accepted at the rates of exchange of the day as quoted by a major Swiss bank. The bidders who are successful with whom it has been expressly agreed that they pay after the sale under special conditions, are due to pay the sale price, buyer's premium and any other costs according to those terms. In these cases, DAVID FELDMAN S.A. keeps the relevant lots which are delivered to the buyers on full settlement of their account. Delivery of the purchased lots by post, courier or any other means if instructed by the buyer including cost of normal transit insurance cover is at the expense of the buyer. Ti-

Lots 40000-42316 & 60000-60375

title or ownership of the purchased lots, delivered or not, remains with the auctioneer on behalf of the seller until payment has been made in full.

3.6 Special extended payment facility: DAVID FELDMAN S.A. may offer a special extended payment facility for buyers. In these cases, the buyer may choose to pay a minimum of 25% of the total invoice immediately, and the balance over a maximum period of 6 months, paying an equal instalment at the end of each month. Interest plus charges of 1% is debited to the buyer's account at the end of each month from the auction date. When the special extended payment facility has been granted, the buyer understands that any claims regarding his purchases must be made within 30 days of the auction sale date, even though the lots may be held by DAVID FELDMAN S.A. awaiting full settlement of the account. Until delivery, all lots may be examined by their respective buyers at the offices of DAVID FELDMAN S.A.

3.7 Pledge: until full settlement of the account, the buyer grants to DAVID FELDMAN S.A. a pledge on any and all properties held by DAVID FELDMAN S.A., acquired prior to, during and/or after any auction. This pledge secures the repayment of any amount due in principals, interests, commissions, costs and other possible fees. DAVID FELDMAN S.A. is entitled, but not obliged, to realise freely the pledge assets without further formalities and without previous notice if the buyer is in default with the payment of his debts or with the fulfilment of any other obligation hereunder. For this purpose, DAVID FELDMAN S.A. is not bound to comply with the formalities of the Federal Law dealing with actions for debt and bankruptcy proceedings; in addition, DAVID FELDMAN S.A. may choose to institute or go on with the usual proceedings without having beforehand sold the pledged goods and without having moreover given them up.

4. Guarantee

4.1 Extent of the guarantee: subject to paragraph 4.3 below, the authenticity of all philatelic items sold in the auction is guaranteed for a period of 30 days from the auction date, with the express exclusion of any other fault(s). Any reclamation regarding authenticity must come to the notice of DAVID FELDMAN S.A. on the delivery of the lots but at the latest within 30 days from that date. Before delivery, which may take place after the 30 days period, the lots purchased may be examined at the Geneva offices of DAVID FELDMAN S.A. The buyer whose reclamation is made after 30 days from the auction date loses all rights to the guarantee. Such reclamation will not be valid by DAVID FELDMAN S.A.. If an extension of the period is required in order to substantiate the claim with an expertise, a request for such extension must be made to DAVID FELDMAN S.A. within 30 days of the auction date. No request for extension will be considered beyond this 30 days period. An extension will expire 3 months after the date of the auction; the results of the expertise for which an extension was agreed must come to the notice of DAVID FELDMAN S.A. within that period. No further extension of the period will be considered without the express written agreement of DAVID FELDMAN S.A. Only claims, expertise results or other details which are made within the agreed periods will be valid.

4.2 Expertise and counter-expertise: should the authenticity of a lot be questioned, the buyer is obliged to provide an expertise or counter-expertise from a prominent expert in the field, justifying the claim. If a stamp is found by a recognised expert, taking financial responsibility for errors, to have been forged, he may mark it accordingly. Consequently,

the marking "FALSCH" (forged) is not considered an alteration. In the case of such reclamation, DAVID FELDMAN S.A. reserves the right to request, at its own discretion, one or more further expertise(s). All expertise and relative charges accrue to the vendor's account in the case of a justified claim, or to the buyer's account if the claim is not justified. In the case of a justified claim, the lot is taken back and the knock-down price plus the commission are refunded to the buyer. In the case of delayed payment due to expertise agreed by David Feldman S.A., interest is charged at 50% of the standard rate for all cleared lots. If David Feldman S.A. has not agreed, then full interest is due.

4.3 Exclusions: lots described as collections, accumulations, selections, groups and those containing duplicates cannot be the subject of any claim. Claims concerning lots described as a set or groups of sets containing more than one stamp, can only be considered under the terms of paragraph 4.1 above if they relate to more than one third of the total value of the lot. Lots which have been examined by the buyer or his agent, lots described as having defects or faults cannot be subjected to a claim regarding defects or faults. Illustrated lots cannot be subjected to a claim because of perforations, centering, margins or other factors shown in the illustrations.

4.4 Late Payment: if payment of the knock-down price plus commission due by the buyer is not made within 30 days of the date of the auction, DAVID FELDMAN S.A. reserves the right to cancel the sale and dispose of the lot(s) elsewhere and/or to make a recourse to any legal proceedings in order to obtain payment of the amounts due as well as for any incurred damages and losses and any legal expenses. A charge on overdue payment of at least 5% for the first month and 2% per month afterwards plus expenses incurred is chargeable on any outstanding amount after 30 days of the date of the auction. The buyer who is in default in any way whatsoever has no right of claim under any circumstances.

4.5 Exceptionally, the knock-down price will be reduced to the lowest winning bid where it is shown that the exact same buyer has inadvertently increased the price by using more than one medium of bidding on the same lot.

5. Applicable law and jurisdiction

Unless otherwise stated, all auctions as well as any rights and obligations arising from them shall be governed exclusively by Swiss law. Any legal action or proceeding with respect to the auctions shall be submitted to the exclusive jurisdiction of the courts of Geneva, subject to appeal to the Swiss Federal Court in Lausanne. In every case, DAVID FELDMAN S.A. shall also be entitled, at its discretion, to sue any buyer in default at his place of residence; in such case, Swiss law shall remain applicable and in the case of issues regarding price value, the Euro is converted at its Swiss franc value at the time of the auction.

6. All Transactions:

These Conditions of Sale apply to all transactions of every kind including those outside the auctions, with David Feldman SA.

Note: If these Conditions of sale are translated into one or more other languages, the English translation shall be the official version and shall prevail over all other translations.

Selbstverständlich ist DAVID FELDMAN S.A. immer bereit Ihnen mit den Zollformalitäten zu helfen. Sollten unsere Kunden diese Formalitäten selbst erledigen, werden wir vom Schweizer Zoll eine Kopie Ihrer Ausfuhrpapiere erhalten. Falls unsere Kunden wünschen ihre Käufe in der Schweiz zu behalten, wird ihnen MWST von 7,7% auf den Kaufpreis aufgeschlagen.

3.5 Zahlung: Kaufpreis und Aufgeld sind bei Versteigerungsteilnehmern sofort am Kauftag gegen Aushändigung der Lose fällig. Zahlungen in anderen Währungen werden zum Tageskurs gemäss Abrechnung einer Schweizer Grossbank angenommen. Erfolgreiche schriftliche Bieter und Versteigerungsteilnehmer, deren Zahlung nach dem Verkauf ausdrücklich zugestanden wurde, haben Kaufpreis und Aufgeld unverzüglich bei Erhalt der Auktionsrechnung zu zahlen. DAVID FELDMAN S.A. hält die ersteigerten Lose bis zur vollständigen Bezahlung des Rechnungsbetrages zurück. Zustellung der Lose durch die Post oder auf einem anderen Weg, sofern vom Käufer gewünscht, sowie Transportversicherungskosten, gehen auf Rechnung des Käufers. Die Lose ob ausgeliefert oder nicht, bleiben bis zur vollständigen Bezahlung Eigentum der DAVID FELDMAN S.A., stellvertretend für den Einlieferer.

3.6 Erweiterte Zahlungsmöglichkeiten: DAVID FELDMAN S.A. ist gegebenenfalls bereit, Käufern erweiterte Zahlungsmöglichkeiten zu gewähren. Der betreffende Käufer zahlt mindestens 25% des Gesamtrechnungsbetrages bei Erhalt der Rechnung und den Saldo in gleichen Monatsraten über maximal 6 Monate. Der dem Käufer am Ende

Lose 30000-30264

jedes Monats, vom Auktionsdatum, berechnete Zins beträgt 1%. Bei Gewährung erweiterten Zahlungsmöglichkeiten hält DAVID FELDMAN S.A. die ersteigerten Lose gegebenenfalls bis zur vollen Begleichung des Rechnungsbetrages zurück. Es versteht sich, dass der Käufer die Lose bis zur Auslieferung jederzeit bei DAVID FELDMAN S.A. besichtigen kann. Reklamationen bezüglich der ersteigerten Lose müssen jedoch innerhalb von 30 Tagen nach dem Versteigerungsdatum eingehen.

3.7 Pfandrecht: Bis zur vollständigen Bezahlung der ausstehenden Schuld bürgt der Kunde gegenüber DAVID FELDMAN S.A. mit seinem durch die DAVID FELDMAN S.A. aufbewahrten Material, welches ihm vor, während und/oder nach dem jeweiligen Verkauf zugesprochen wurde. Dieses Pfand garantiert die Rückzahlung des Forderungsbetrages, der Zinsen, Kommissionen und anderer möglicher Unkosten. DAVID FELDMAN S.A. ist berechtigt, aber nicht verpflichtet, die verpfändete Ware formlos und ohne Vorankündigung zu veräussern, sollte der Kunde in Zahlungsverzug kommen oder seinen sonstigen Verpflichtungen nicht nachkommen. In diesem Falle ist DAVID FELDMAN S.A. nicht verpflichtet, den Vorschriften des Bundesgesetzes über Schuldbetreibung und Konkurs zu folgen. Im übrigen hat DAVID FELDMAN S.A. die Wahl, ein Verfahren einzuleiten oder gegebenenfalls weiterzuführen, ohne die Ware vorher zu verkaufen und ohne sein Anrecht auf das betreffende Material zu verlieren.

4. Garantie

4.1 Umfang: Unter Vorbehalt des nachstehenden Paragraphs 4.3. ist die Echtheit aller bei Versteigerungen verkauften philatelistischen Artikel während 30 Tagen nach dem Versteigerungsdatum garantiert. Jegliche andere Garantie oder Garantie für Fehler ist ausdrücklich ausgeschlossen. Jegliche Reklamation bezüglich Echtheit muss unverzüglich nach Erhalt der Lose an DAVID FELDMAN S.A. gerichtet werden, spätestens jedoch innerhalb 30 Tagen nach Versteigerungsdatum. Vor der Zustellung, die nach der 30-Tage-Frist erfolgen kann, können die erstandenden philatelistischen Artikel bei DAVID FELDMAN S.A. besichtigt werden. Ein Käufer, dessen Reklamation nach der Frist von 30 Tagen ab Versteigerungsdatum bei DAVID FELDMAN S.A. eintrifft, verliert jegliches Anrecht auf die Garantie. In diesem Fall wird die Reklamation von DAVID FELDMAN S.A. nicht anerkannt. Wird im Falle einer Reklamation bezüglich der Echtheit eines philatelistischen Artikels eine Fristverlängerung benötigt, muss diese innerhalb 30 Tagen nach Versteigerungsdatum bei DAVID FELDMAN S.A. beantragt werden. Kein solcher Antrag, welcher nach dieser 30-Tage-Frist bei DAVID FELDMAN S.A. eintrifft, wird in Betracht gezogen. Die Prüfergebnisse, für deren Einholung eine Fristverlängerung gewährt wurde, müssen bei DAVID FELDMAN S.A. innerhalb von 3 Monaten nach dem Versteigerungsdatum vorliegen. Eine weitere Fristverlängerung kann nur mit schriftlicher Einwilligung von DAVID FELDMAN S.A. gewährt werden. Nur diejenigen Reklamationen, Prüfergebnisse sowie andere Mitteilungen, die innerhalb der vorgeschriebenen Fristen eintreffen, werden von DAVID FELDMAN S.A. in Betracht gezogen.

4.2 Atteste und Gegenatteste: Bei Echtheitszweifeln obliegt es dem Käufer, als Rechtfertigung seiner Reklamation ein Attest oder Gegenattest von einem für das betreffende Sammelgebiet anerkannten Prüfer beizulegen. Wird eine Marke von einem anerkannten und für Irrtümer haftenden Prüfer als falsch erkannt, kann er sie entsprechend

kennzeichnen. Das Zeichen FALSCH gilt dabei nicht als Veränderung. Bei derartigen Reklamationen behält DAVID FELDMAN S.A. es sich vor, nach eigenem Ermessen ein oder mehrere Atteste anzufordern. Alle Prüfkosten und diesbezügliche Ausgaben fallen bei gerechtfertigter Beanstandung zu Lasten des Einlieferers, anderenfalls jedoch zu Lasten des Käufers. Bei gerechtfertigter Beanstandung wird das Los zurückgenommen und die Zuschlagssumme sowie Aufgeld an den Käufer zurückerstattet. Falls infolge einer Expertise, mit Uebereinstimmung der DAVID FELDMAN S.A. Zahlungsverzögerungen entstehen, werden 50% der üblicherweise belasteten Zinsen auf jedes Los, dessen Echtheit einwandfrei bewiesen ist erhoben. Ansonsten werden die Standardzinsen berechnet.

4.3 Begrenzung: Lose, die als Sammlungen, Sammellose, Dublettenposten oder Anhäufungen beschrieben sind, haben keinerlei Anrecht auf Reklamation. Beanstandungen von Losen, die als Serien oder Gruppen von Serien aus mehr als einer Briefmarke bestehend beschrieben sind, werden in Grenzen des obigen Punktes 4.1. nur in Betracht gezogen, wenn sie mehr als ein Drittel des Gesamtkaufwerts des entsprechenden Loses darstellen. Für Lose die vom Käufer oder dessen Agenten besichtigt wurden oder mit Fehlern beschrieben sind können deshalb nicht beanstandet werden. Abgebildete Lose können nicht beanstandet werden wenn es sich um Zähnungsfehler, Zentrierung, Rand oder andere im Bild ersichtliche Fehler handelt.

4.4 Zahlungsverzug: Geht die Zahlung der Zuschlagssumme und das Aufgeld nicht innerhalb von 30 Tagen nach Versteigerungsdatum ein, behält DAVID FELDMAN S.A. es sich vor, entweder das Kaufgeschäft aufzuheben und über die Lose anderweitig zu verfügen und/oder auf Zahlung des Kaufpreises und Schadenersatz, sowie auch gesetzliche Abgaben zu klagen. Bei Nichtzahlung ausstehender Beträge innerhalb von 30 Tagen nach Versteigerungsdatum, werden Verzugszinsen von wenigstens 5% im ersten Monat und 2% in den darauffolgenden Monaten erhoben; entstandene Unkosten sind ebenfalls zurückzuerstatten. Der in Verzug geratene Käufer verliert in jedem Fall sein Reklamationsrecht.

4.5 Der Zuschlagspreis kann ausnahmsweise auf das tiefste Gebot vermindert werden, wenn der Bieter versehentlich den Preis, durch eine andere Bietmöglichkeit, erhöht hat.

5. Gesetz und Gerichtsstand

Diese Auktion sowie die daraus entstandenen Rechte und Pflichten unterliegen ausschliesslich dem Schweizer Gesetz. Jede sich auf diese Auktion beziehende Klage oder Rechtsstreit unterliegen dem Gericht in Genf. Die zuständige Berufungsbehörde ist das Schweizer Bundesgericht in Lausanne. DAVID FELDMAN S.A. behält es sich ferner vor, den Schuldner nach eigenem Ermessen an seinem Wohnsitz zu verklagen, wobei das Schweizer Gesetz Gültigkeit hat.

6. Alle Transaktionen:

Diese Konditionen gelten auch für alle Transaktionen die ausserhalb der Versteigerung mit David Feldman SA abgeschlossen werden.

Anmerkung: Für den Fall von Abweichungen in den verschiedenen sprachlichen Versionen dieser Allgemeinen Geschäftsbedingungen gilt die französische Version.

Condition of Covers / Condition des lettres et entiers / Erhaltung von Briefen

Extremely fine / Superbe / Prachterhaltung

Outstanding, the envelope with only slight wear, fresh stamp and cancel.
/ *Qualité irréprochable, l'enveloppe ne présente que de très légères traces d'usure, le timbre est frais et l'oblitération est propre.* / Herausragende Qualität, Brief mit minimalen Gebrauchsspuren (Archivqualität), frische Marken und sehr klarer Stempel.

Very fine / Très beau / Sehr schön

Choice condition, the envelope shows typical slight soiling or wear from usage.
/ *Qualité premier choix, l'enveloppe peu néanmoins présenter quelques légères salissures et usures.* / 1. Wahl, Brief zeigt nur typische leichte Gebrauchsspuren.

Fine to very fine / Beau à très beau / Schön bis sehr schön

Normal condition, the envelope shows a bit heavier wear or soiling.
/ *Qualité standard, les traces d'usures sont un peu plus prononcées.* / Gewöhnliche aber noch einwandfreie Erhaltung mit etwas stärkeren Gebrauchsspuren (leicht fleckig oder andere leichtere Abnützungen).

Fine / Beau / schön

Evident wear or other factors (see description and photo), still a presentable example.
/ *Evidentes traces d'usures ainsi que d'autres facteurs (voir photo et description) mais exemplaire très présentable.* / Offensichtliche Gebrauchsspuren oder andere Mängel (siehe Beschreibung und/oder photo bzw. scan) aber noch immer herzeigbare und sammelwürdige Qualität bzw. Erhaltung.

Please note: Light edge wear, top backflap faults, slight reductions at one side, and file folds are normal for 19th Century covers. Also normal are light cleaning or minor stains and small mends along the edges. They are to be expected and are not always described, and are not grounds for return, nor are factors visible in the illustrations. We will gladly provide full-size scans on request.

Prière de noter : De légères traces d'usures, défauts au rabat, de légères réductions sur un côté et des plis d'archives sont des caractéristiques normales pour des lettres du 19ème siècle. De légères améliorations au niveau de la propreté ainsi qu'un éventuel ajout de quelques renforts sont également acceptables et ne figurent pas nécessairement dans les descriptions. Ces points ainsi que tous les éléments visibles au niveau de l'illustration ne peuvent par conséquent pas être sujets à réclamation. Des scans supplémentaires d'une pièce peuvent être envoyés sur simple demande.

Bitte beachten: Leichte Eckabnützungen, Mängel der Absenderklappe, leichte Reduktionen an einer Seite und Archivierungsbügel sind als normal für Briefe des 19. Jhdts. anzusehen, ebenso gelten als «normal» leichte Reinigung, kleine (minimale) Stockflecken oder Risschen und Bügel entlang der Briefkanten - diese sind zu erwarten, zu akzeptieren und nicht immer beschrieben (zumeist aber am photo und/oder scan ersichtlich) - diese stellen daher keine Grundlage für Retournierungen dar, ebenso wie auf den photos resp. scans klar ersichtliche Faktoren - Fotos und scans sind immer auch Teil der Beschreibung. Im Zweifel können Sie von uns VOR DER Auktion jederzeit Photokopien oder besser auflösende scans verlangen und werden wir Ihnen diese gerne zusenden bzw. mailen.

Keep your collection alive

The digital solution: Museum of Philately

A modern presentation of collectors, their collections and their rarities via the latest internet technologies

Through our auctions, which have spanned for over forty years, we have presided over the dispersal of hundreds of Grand Prix and Large Gold Medal collections, formed by collectors with the passion and resources to pursue their chosen fields over decades or even a lifetime. Thus, the idea was spawned to create deluxe publications and an on-line museum as additional services to eternalise a prized collection, allowing it to live on once it has been sold, thereby preserving it for future generations.

By consigning a Grand Prix or a Large Gold Medal collection with us, make yourself eligible to participate in both the Great Philatelic Collections programme and the Museum of Philately digital application. These tools will allow you to immortalise your collection and, ultimately, to share your achievements in the world of philately with your loved ones and with the rest of the world.
