My dear Wilson.

I wrote me letter to you  
 when you were in hospital at  
 Accouan. I received me from  
 you when I was in the desert  
 which I should have answered  
 before but I have literally not a  
 moment to write to anyone.  
 I was very glad to receive  
 your letter and to hear that  
 you were mending so rapidly  
 and that will find you  
 I trust quite on your legs again.

The letter gives details of troops summer quarters and the hope, that Captain Wilson will soon recover and be fit to resume command.
