June in blue, paying the internal rate to the British P.O. San Juan, where the letter was rated 2/2 in red and struck by the Crown Circle paid at San Juan, Porto Rico in black on the front and the double circle of June, 29. on the reverse, sent via London, where a "pp" in circle in red was added together with the cds. of London, July, 17., sent to Paris and Spain, where it was forwarded to Palma de Mallorca, receiving their cds. of 23. July 1858 on arrival. It is in my opinion genuine.
