## Harrison & Sons Sample Stamps

Produced in 1923 contemporaneously with the Harrison Springbok Essays

Harrison produced 15 sample stamps that accompanied the bi-colored 1d Springbok Essay blocks of 10 in their sample books

Key: A. Watermarked with smooth shiny gum } (as the two types of  
B. Unwatermarked with crazed dull gum } bi-colored Springbok Essays)  
C. Mosaic Screen  
D. Regular, diagonal screen (as for all the bi-colored Springbok Essays)  
E. Unscreened

The stamps were printed by NV Nederlandse Maatschappij of Leiden under subcontract; the same company that printed the Darmstadt Trials of 1929
