

UNION OF SOUTH AFRICA

London Recess Pictorial Issues

"OX WAGON OUTSPANNED"

There was only one issue of the 5/- value produced from Plates 1 & 1x but the stamps have perforations in all three Perforation Groups. Postally used are 200% normal

SG 38. Issue 1. 5/- Black & Green

Wmk Springbok's Head. Perforation Group I. P 14

March 1, 1927

Control Cc. Inscription Pair¹

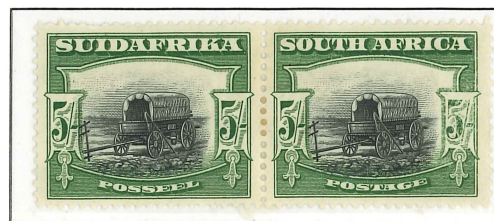

Inscription pairs are Union Handbook control stamps, and while not rare, they are certainly more difficult to acquire

SG 38a. Issue 1. 5/- Black & Green

Wmk Springbok's Head. Perforation Group II. P 14 x 13½ (Down)

1930

¹ Inscriptional pairs of this value are very scarce; thus rare. Richard Johnson, Philatelist, in a conversation with the collector.
