EXPERT COMMITTEE

No: 84,380

10th May, 2014

The Committee is of the opinion that the

BRITISH GUIANA: 1853-55 Waterlow 4c pale blue, no
Wmk, Imperf (SG20), "block of 31 - blocks of 6 and 25
together, showing the three transfer types, creases affecting
second horizontal row & first column of 5, thins affecting
block of four at right, is genuine *e*
