Dear Mr Pasheanoff:-
 Your seammil letter of 11th Oct. has been received sometime ago, and are so much sorry to know all the trouble which you had gone through. You see that we have shipped you the stamps by air-express, in order to facilitate the business earlier, never knowing that such difficulty will arrived, as we ourselves are receiving stamps from all parts by Air-express, and only take a few days to get them. We take note of the expenses you paid, we shall make that up to you in the next shipment. We are just writing to let you know if you have the package of stamps or not, if so, kindly let us know, and at the same time let us have a larger order from you, are you interested in mixed lots of Dominican Republics, including airmails, also mixed lots of Latin, Central & So. America, if so, send us One Hundred Dollars, and we shall send the shipments strictly by SEAMAIL, let us have order by airmail yours truly.

John Mohammed
