Dear Friends;

We want to acknowledge with grateful thanks the contribution of used literature recently received from you. These materials help us to keep our Sunday School children interested in our Sunday School. Since well over 90% of our attendance is made up of children, you can see how important it is for us to have Literature for that age group. Keep praying for your missionaries and the work in British Guiana.

My dear friend, (Got the stamp of you) 24. 10 47  
 Yours of 11th Sept received. I'm  
 sorry you are so vexed with me & think so bad-  
 ly of me. I certainly do not want to stop writing you  
 I have received all yours & replied to some, can't  
 say right now when, but I apologise for all, on ac-  
 count of the reasons I said before. Since August  
 I have been suffering with a severe cold on my head  
 & it is only last week after using many things that  
 the end Dr's treatment helped me, but still I'm  
 not myself altogether, anyway I made arrangements  
 to spend a vacation for about 3 months in Barbados  
 leaving today & trust when I return that I will be  
 stronger & better able to write all my pals as before.  
 Hope this finds you stronger too, & that you will be able  
 to enjoy the coming festive season done in. de la Cruz
