Introduction

Marcus Orsi
CHIEF PHILATELIST

Dear collector and client,

At David Feldman International Auctioneers, we are all very excited about the historical world records that our company continues to set year after year, and especially we celebrate that we hold indeed more world record prices than any other company in history.

David Feldman's 2019 Spring auction presents to the market its 22nd Rarities of the World catalogue, showing a diverse assembly of over 120 lots. You will find wonderful individual rarities from more than 40 countries worldwide. However, a new and exciting feature of this particular rarities sale, is that we have included important collections that we have decided to offer intact. Some of the collections presented in this catalogue include the award winning collections of Algeria formed by the late Henri Grand, an important offering of Morocco, the Dan Walker Exhibition Collection of Barwani, a Mongolian postal history exhibition collection, and a massive offering of Ryukyu Islands, plus much, much more.

Bidding in our auctions can be made in writing via the enclosed bid form (find it on page 161), live via the Internet in the comfort of your home or office, by telephone, or indeed through an independent auction agent. Should you have any questions concerning the material presented, our conditions of sale, or any other matter, please do not hesitate to contact us—we are at your service.

We wish you success with your bids and satisfaction with your purchases.

A handwritten signature in blue ink, appearing to read 'M. Orsi'.

SG-251a

1951-52 7 1/2d blue, block of 16 being the upper two rows of the left pane with full margins, the left vertical pair error IMPERFORATE THREE SIDES as a result of the omission of the first strike of the comb, very fine such unmounted o.g. from a sheet purchased at a Sydney suburban post office early in 1952, which was separated into five such blocks, although two are now known to have been reduced to blocks of 4, a spectacular showpiece of the highest rarity

Estimate: € 6'000 - 12'000

Brazil

FIRST MONTH OF USE

60001 ☉

1843 Bull's Eye 60r worn impression, good to large margins, with CORREIO GERAL DA CORTE 18th Aug 1843 cds, some faint tone spots, a fine and attractive stamp used in the first month of issue

Expertise: cert. Moorhouse (2013)

Estimate: € 800 - 1'000

Brazil

UNIQUE CANCELLATION ON A BULLS EYE COVER

60002 

Scott 2

1843 Bulls Eye 60R Black, intermediate impression, position 18, bottom right corner example with large margins all around plus additional interpanneau rule at the bottom cancelled by PINDAMI/ NHAN/ GABA 3-line cancel on 1844 entire letter (single rate) from Jacarehy (1. Apri) to Rio de Janeiro, a very clear cancellation of the only recorded example of this cancel on a Bulls Eye cover, very fine and unique

Expertise: Holcombe (1994), Moorhouse (2013), Juchert (2018)

Provenance: Newbury and Koester

Estimate: € 30'000 - 40'000

Bulgaria

UNIQUE DESTINATION

60003 ☒

1886 (May 27) Envelope sent registered from Philippopolis to SENEGAL, with 1882 3s (4), 5s & 25s and 1885 1s (4) & 2s, all tied by green-black Philippople cds, reverse with Sophia, Bordeaux and Senegal cds, wax seal removed and horizontal fold not affecting franking, very attractive and probably unique destination for these issues

Estimate: € 2'000 - 3'000

Canada – Newfoundland

60004 

1919 "FIRST TRANS ATLANTIC AIR POST April, 1919" overprinted 3c used on Cochrane Hotel envelope, endorsed "per Aerial Mail" to the Daily Mail in London, stamp tied by St. John's machine cancel of MAY 2 1919, including the original letter on the hotel headed paper.

Offered together with part military Telegraph communicate advising of the departure of Hawker and Grieve with ARMY SIGNALS cds, plus postcards depicting the aviators and wreckage of the airplane, newspapers covering the flight, and a commercial card supposedly carried in the cockpit, cert. Holcombe

This cover was carried on Hawker's pioneer transatlantic attempt to fly from Newfoundland to Ireland, which failed and the aircraft ditched into the Atlantic after 1100 miles across. The mail was emersed in sea water and rescued 4 days later. Most of the stamps were washed off the covers but were later replaced.

Estimate: € 12'000 - 15'000

Canada

1982 CHRISTMAS STAMP UNIQUE ERROR

60005 ** 田

1982 30C with partly missing colours on top right example of a block of four - Magenta and Yellow were omitted after the Turquoise printing which is faintly evident in the portion of the stamp that was covered by the fold-over. The remainder of the stamp as well as the other stamps in the block have the normal printed colours. UNIQUE, never hinged and very fine.

The Scott catalogue mentions a variety where all colours except black have been omitted and lists this variety under number 973a. In the present case the error is quite different as turquoise is present where other colours are not.

This example has been in the possession of the same Canada stamp collector specialist since 1983.

MAJOR CANADA MODERN STAMP ERROR

Estimate: € 5'000 - 7'000

Chile

China

60007 *

SG-3

1878-83 Large dragon 5ca orange, 2 1/2mm spacing on thin paper, in a rare vertical strip of three (cliches 8, 3 & 18), centre stamp with light wrinkling at top mentioned for accuracy only, fresh o.g., a very scarce multiple

Colombia

EXTREMELY IMPORTANT FIRST ISSUE THREE COLOUR FRANKING

60010 ✉

Scott 3+4b+6(x3)

1859 (Sep 26) Complete folded letter (in English) from an English merchant in Bogota to his brother in HAMBURG, with 5c and 20c tied together on face by "9." hs, with pair of 20c plus 10c tied together on reverse by same, sent via the English mail with British P.O. Cartagena bs (dated OCT 10 / 1859) and London transit (Nov.1) plus Hamburg Prussian mail bs (St. P.A. / 4 Nov. 59), ms "2/8" (2sh8d) rated in London plus ms "46" (schillings) in red crayon on arrival, all stamps with ample to huge margins, very fine

Nothing comparable is known for its multicolour franking and rare destination. Ex Langlais and Hackmey; it escaped the grasp of other famous collectors of Columbia such as Londono, Hubbard and Goeggel, and is in a special class all its own - a true world-class rarity.

The double weight Colombian franking (75 centavos) paid for the internal transit from Bogota via Honda to Cartagena (25 centavos) plus 50 centavos for maritime postage, and was given to the British Consul in Cartagena for onward transmission. Note small m/s "2" on reverse confirming 2nd echelon of weight. The use of the British post was necessary as Colombia did not then have a postal convention with Prussia. The "46" applied at the Prussian postal agency in Hamburg represented all charges for a double weight letter from Carthage, incl. the British charge.

The cover was carried from Cartagena to St. Thomas by the ship "Solent" on Oct. 10 and was transferred to the "La Plata" which carried it to Southampton - both steamboats of the Royal Mail Steamship company.

One of the most important First Issue covers from anywhere in South America

Expertise: Cert. RPS (1980)

Estimate: € 20'000 - 30'000

Egypt

60011 ☒

Egyptian/Ottoman steam ship mail: 1851 folded entire letter dated internally June 24, mailed from Constantinople to Alexandria, struck with unrecorded steam ship mail all Arabic negative 'MEKTUB KIRASI ALINMIŞTIR' = POSTAGE HAS BEEN COLLECTED = الميشتير كراسي مكتوب seal in black alongside at left bottom 'Banque De Constantinople' Company handstamp in blue. Unrecorded by any catalogue or publication up today. This cachet being amongst the rarest of all Egyptian and Ottoman Maritime hand stamps. Superb exhibition show piece and the only recorded example

Expertise: certificate Nakri

Estimate: € 10'000 -12'000

Egypt

ONE OF TWO RECORDED BLOCKS

60012 ** 田

Nile Post 6

1866 First Issue: 10 piastres dark blue (SG.6 = Scott 7) unmounted mint block of four perf.12½ with watermark reversed(Balian wm1b), fresh and very fine condition, an exceptional exhibition showpiece.

One of the two recorded blocks of four, 'this block of four was not recorded before in the philatelic world', one of the most important items in Egyptian philately.

Estimate: € 4'000 - 6'000

Egypt

EGYPT - ITALY - SWITZERLAND COMBINATION FRANKING

60013 

1871 (Mar 4) Envelope from Cairo to Switzerland, with Egypt 1pi red tied Cairo cds, sent via Alexandria where Italy 20c and 80c were tied by Alexandria cds and/or "234" dotted numeral cancels, addressed to an interned French soldier at Schaffhausen. It was re-addressed first to Chambéry and then to Versailles, and further franked on reverse with Feb. 1871 "Gratis." label tied by Winterthur cds (18 III 71). Opened for display, the cover shows a large variety of transits and unrecorded italic script "Dopo La Partenza" hs. Considered the most spectacular and important "Gratis." cover in existence.

Expertise: Signed and certificate von der Weid (2001) and cert. Bach & Eichele which states, "An exceptional mixed franking and combination cover"

Estimate: € 5'000 - 8'000

Finland

AWARDING WINNING COLLECTION OF BARWANI

60070 * * * ◎ △ ☒ ☒ (*) P (☒)

Indian Feudatory States - Barwani

Awarding winning collection of Barwani neatly mounted and superbly presented on 131 albums pages:

History of Barwani - The Indian state of Barwani had a population of only 141,110 in 1931, many of whom were illiterate. Despite this small size the postage stamps issued are technically interesting from a philatelic point of view. Except for two stamps issued right before the Barwani post office closed (two 1/4 anna stamps, Printing 9), the evidence tells us that Barwani stamps were only issued for actual postal service. The exhibit will illustrate the development of Barwani postage stamps from the first issue of 1917 to the close of the State Post on 1 July 1948 when Barwani became part of independent India.

Barwani Stamp Designs - Barwani postage stamps picture two rulers, Rana Ranjit Singh who ruled from 1894 to his death in 1930 and Rana Devi Singh who ruled (originally as a minor) from 1930 until 1948, he was eight when his father died. Devi Singh stamps were first issued in October 1932 and continued to be issued until 1948. Ranjit Singh stamps were reissued in July 1933 and continued to be printed to 1948.

Organization - Up to the first Devi Singh stamp in October 1932 the organization of the collection is by the approximate order that stamps were issued. From October 1932 until 1948 the stamps are presented as issued and also organized into nine printings.

Technical Details - Barwani stamps are typographed and four clichés of each stamp were used to print a sheet of stamps or the cliché(s) were used to make a new printing plate. Issues to about 1930 were printed by the Barwani State Printing Press and later issues were printed by the Times of India Press, Bombay. Most, if not all, Barwani stamps were sold to the public in booklets. Usually there are four stamps to a booklet pane and eight sheets in a booklet.

Stamp Printings - The Stanley Gibbons catalog order for Barwani stamp printings has been altered based upon an article in the Collectors Club Philatelist, March 1978 to September 1978, by MacGillcuddy and by covers in this collection that pre-date the first cataloged stamp and are not recorded by MacGillcuddy. Also, specialists have found in the Barwani State Postal Archives information on the number of stamps printed and issuance date for the first six printings beginning in October 1932 and this information updates the printing order presented by MacGillcuddy.

Descriptions & Highlights - 1917-1947 This outstanding collection expertly presented on album pages shows covers and cards with the earliest usages of the first stamps, many extremely rare or possibly unique frankings. Stamps with essays, proofs, unused & used with single, multiples, blocks and sheets, showing a variety of shades, papers, printings and perforations including imperforate between varieties, some with plate and printing error. It is important to note that items and personal study findings are highlighted by presentation techniques such as underlining, bold type and boxes. Gibbons lists 52 basic stamps. All are shown in sheets, one a reconstructed sheet. Gibbons also lists 42 varieties, all except seven are shown. This is without doubt the most important collection of Barwani state ever formed

Photo & Scans - A small selection of the rarer items are showing in this catalogue, however the entire collection can be viewed in our website at www.davidfeldman.com

Estimate: € 200'000 - 250'000

Printing 1 of the 4 annas Stamp
Yellow Brown, Booklet of five sheets

1926/1927

The first four annas stamps of Barwani were issued in booklets of five sheets of four stamps per sheet. The stamps were not gummed and had no interlocking between the sheets. The sheets are bound into the booklet with thin white twine and three binding holes in the top margin of the sheet. The binding of the five sheets in the booklet is to the top margin about 10 mm below the top margin of the booklet cover. The booklet covers are plain unprinted coarse brown paper front and back.

Only recorded complete booklet of the first Barwani four annas stamp

Cliche 3 stays with part of the top margin cut off. For the five sheets in the booklet the size of the top margin stays relatively constant for the five sheets.

Cliche 3 copy with full bottom margin. For the five sheets in the booklet the size of the bottom full margin stays relatively constant with each successive sheet in the booklet.

The cliche arrangement for the Barwani four annas stamp printings remains constant through Printing 4. The first change in cliche arrangements occurs in the Printing 5. The last printing, Printing 7 does change back to the original order, 1,2,3,4.

Barwani's Second 1/4 Anna Stamp
1/4 anna Light Blue-Imperfector

circa - pre 1921

The exhibit below the well printed 1/4 anna light blue imperfector stamp is Barwani's second 1/4 anna stamp, issued prior to 1921 as no dated copies are known. As is evident by the enlarged illustration below the top English value label no longer is visible. It is a necessary clear print of QUARTER ANNA. Shown is a used single cliche 1A used pair (damaged), cliche 1 and 2 a used booklet pane of four that has been paired on a post cover (folded out of sight) that does not originate with this used booklet pane and a pair on an ordinary letter, cliche 3 and 4, all cancelled with a single ring undated cancel. Cliche arrangement is 1,2,3,4 as the first catalogued 1/4 anna Barwani stamp. Shown are the only known copies of this second Barwani 1/4 stamp.

Only known sheet of what the exhibit below is the Barwani's second 1/4 anna stamp

The pair of 1/4 anna light blue imperfector on an unsorted cover are cliche 3 and 4. Barwani postmarks do not contain dates until 1926 and the cover does not have a manuscript date, so the date of the stamp is uncertain.

Printing 3
1 anna Devi Singh New Portrait

July 1937

Title-Block Plate Proof, Both Impressions Double

Two impressions, title-block, of a plate proof in sepia on brown (maybe heavily toned) wire paper. Both impressions are double. No other item of a similar nature, and specifically no printers waste, has been reported from Barwani.

1 anna Cliché, 4,000 Printed

4 anna Cliché plate cliche 1 and 2, 1,200 Printed

Left bottom item is a printing 3 sheet of the July 1937 one anna Devi Singh stamp with the new portrait of Devi Singh in the issued color of Chocolate. Like printings 1 and 2, the sheets of this printing 3 do not have top, right or bottom margins, only a left margin where one staple holds the eight sheets of stamps into the stamp booklet. The perforation is gauge 11 and normally is rough in printing 3.

The only additional stamp that the Barwani State postal archives designate as issued in July 1937 and belonging with printing 3, is the pair of four annas Devi Singh shown above.

Printing 7
4 annas Ranjit Singh Usages

13 April 1947
23 June 1948

Four annas brownish olive color variety Ranjit Singh printing 7, cliche 2, used to frank a registered cover. Posted at Rajpur 13 April 1947 and sent to Barwani City.

One of two overweights shown this exhibit has been kept from Barwani with combined commercial use of both the four annas Ranjit Singh and one anna Devi Singh printing 3 stamps, do not occur. We believe most overweight covers were carried by the India Postal Service. The four annas Ranjit Singh stamp pays the three annas registration fee and 1 anna ordinary letter rate and the one anna Devi Singh pays the extra weight charge. Posted at Rajpur on 23 June 1948, a week before the Barwani State Postal Service terminated, and sent to Barwani City.

EXTENSIVE AND SPECIALIZED COLLECTION ON THE WATERBURY CANCELLATIONS

60125 ☉ △ ✉

Introduction: The creator of the Waterbury cancellations, John W. Hill (1834-1921), moved with his family to Waterbury CT. at an early age. As a young man he became an apprentice as a die sinker. The outbreak of the civil war disrupted whatever plans he may have had but then he returned to Waterbury where he found work in the local post office. His duties as postal clerk may have been proven boring and he probably preferred his passion for whittling. Combined with the plain and uninteresting cancellations used by the Waterbury post office at the time, this motivated him to create a wide assortment of figures and designs while working as a postal clerk. He continued his carving, even after his promotion to the position of postmaster in 1870. The different designs were motivated by various events he experienced, for example the Elephants used in 1866 were occasioned by the arrival of the circus in the Spring of that year. Cancellations are ordered in 18 groups lettered A to S as per the Paul C. Rohloff book.

1849-2018, Extensive and original collection concerning 1,072 political systems and 478 countries with 1,220 local post offices. In this *history of the World via its stamps*, each country is represented by a key stamp and both the origins of the country and its stamps are described in detail. In addition to the iconic stamps of current nations, the collection therefore also includes a great number of rare issues from transitional nations, over-prints, liberated zones, and former independent states.

A fabulous collection rich in both in terms of its exceptional philatelic heritage but also its documentation of world political history.

1849-2018, Collection originale et très bien documentée sur les 1072 régimes politiques de 478 pays ainsi que leurs 1220 postes locales. Cette histoire du monde par les timbres, de type 1 pays 1 timbre, en 61 albums débute par 2 classeurs reprenant l'explication, l'index et le répertoire de toute la collection. Le collectionneur a aussi joint un énorme dossier d'articles sur chacun des pays étudiés mais aussi sur les timbres de la collection, notamment ce qui est remarquable sur les postes locales. Au cours de l'examen de cette collection, nous avons remarqué quelques lettres, des timbres non dentelés, des entiers, des variétés, des timbres de pays fantaisistes comme Amazonie, des postes éphémères comme la poste des bandits (Histoire : Une bande de brigands chinois a fait dérailler un train, pris une cinquantaine d'étrangers en otage et les tractations au niveau de la rançon se prolongeant, les brigands firent imprimer des timbres dont le courrier des otages étaient revêtus. Seulement 300 timbres de 2 valeurs ont été imprimés et utilisés entre le 29 mai 1923 et jusqu'au 13 juin 1923). Pièces RARISSIMES comme : "Afrique Centrale britannique" avec les n° 1 à 12 (*). L'île de Mafia avec entier surchargé, Albanie une lettre avec poste locale, DIBER 1913, une autre avec KORCKA occupation française, beaucoup de postes locales d'Allemagne des anciens états, de l'Empire, des villes libérées par les alliés après 1944, SILESIE Orientale n°27A et 28A, SMYRNE bureau autrichien, Western Canada AIRWAYS, des postes locales de Chine impériale, de la République soviétique chinoise notamment des zones libérées par le parti communiste chinois, comme WUHU, KIANGSI, KIRIN, puis la république populaire de Chine avec les 2 bandes 1721 à 1730. **, la Colombie avec de nombreuses postes locales, comme RIO HACHA, postes locales de Grèce, Dalmatie occupation croate, postes locales du Danemark, Estonie poste locale ELWA puis les Etats Unis avec les émissions des maîtres postes : ATHENS, BÂTON ROUGE, Charleston, etc... la France avec période libération (123 villes), postes locales d'Italie comme AOSTA, IMPERIA, MOLARE... NOTES

Conditions of Sale

The currency of the auction is the Euro (€)

Participation in any David Feldman S.A. auction means acceptance in full of the following conditions as well as any rights and obligations arising therefrom. These same conditions also apply to all transactions taking place outside the realm of the auctions. DAVID FELDMAN S.A., organiser of the auctions, acts as an agent only and is not liable in any way whatsoever for any default(s) of purchaser(s) and/or vendor(s).

1. The auction lots are offered

1.1 As presented in the relative auction catalogue and/or through the David Feldman S.A. website. Lots are meticulously described and with the greatest care, however without responsibility. Photographs count as part of the description with regard to the margins, perforation, centering, postmarks and all other visible attributes. The descriptions of the lots mention if the items are signed by recognised experts and/or accompanied by expert certificates.

1.2 As viewed in person: before and during auction sales, persons or their agents may examine lots at our offices or at the auction location, and must confirm their auction invitation before viewing. Persons or their agents attending a Live Room auction by invitation and/or who have viewed lots before an auction are understood to have examined all lots which they purchase and accept them as they are at the moment of the knocking-down and not necessarily as described.

2. Auction bids

2.1 The auction bid steps for all auctions are as follows: (some auctions may be in other currencies than Euros)

€ 50 - 100:	€ 5	€ 2'000 - 5'000:	€ 200
€ 100 - 200:	€ 10	€ 5'000 - 10'000:	€ 500
€ 200 - 500:	€ 20	€ 10'000 - 20'000:	€ 1'000
€ 500 - 1'000:	€ 50	€ 20'000 - 50'000:	€ 2'000
€ 1'000 - 2'000:	€ 100	€ 50'000 - 100'000:	€ 5'000

Bids between these steps will be adjusted accordingly to the next highest bid step. The bidder is bound by his offer until a higher bid has been validly accepted.

2.2 DAVID FELDMAN S.A. has full discretion to refuse any bidding, to divide any lot or lots, to combine any two or more lots and to withdraw any lot or lots from the sale without in any case giving any reason. DAVID FELDMAN S.A. may also bid on behalf of vendors in cases where reserve prices have been fixed. In these cases, the vendor is treated as a buyer and the auctioneer shall bid on his behalf up to reserve prices. If the reserve price fixed by the vendor is not reached, the auctioneer passes to the next lot by a simple knock of the hammer.

2.3 Bid orders are only accepted from registered clients of DAVID FELDMAN S.A. and/or its associated companies. Live Room bidders must confirm their invitation prior to obtaining a bidding number.

2.4 Bid orders received by DAVID FELDMAN S.A. including via its website before the relative auctions have priority over room bids in the case of Live Room auctions. Clients giving bidding instructions to DAVID FELDMAN S.A. may make alternative offers and/or limit the total of their expenditure in advance. Bids marked "BUY" are considered as up to ten times the quoted estimate price where such exists. Bids made in other currencies than the advertised currency of the auction will be converted

into that currency at the market rate of the day of receipt by DAVID FELDMAN S.A. Bids are standing and hold good for at least 60 days from the auction period. DAVID FELDMAN S.A. reserves the right to invoice bidders up to the end of the 60 day period, payment being due immediately.

3. The auction

3.1 Unless explicitly stated otherwise, the currency of the auction is Euros. Attendance at the Live Room auction is reserved for invited clients and/or their agents.

3.2 Prerogatives of David Feldman S.A.: DAVID FELDMAN S.A. may withdraw, group differently, divide or refuse to knock down any lot. DAVID FELDMAN S.A. reserves the right to refuse any bid orders and/or for Live Room auctions, refuse admittance to the auction room, at its discretion, to anybody whomsoever. DAVID FELDMAN S.A. cannot be held responsible for any physical accident that may occur on the premises where auctions take place. In the case a bone fide offer for the entire collection presented in this catalog is received at least two weeks before the auction date, and would be accepted by the vendor and the auctioneer, it may be withdrawn from sale and the auction offer cancelled.

3.3 Bidders' representatives and auction agents: any person bidding for the account of a third party is fully liable for any obligation arising from such bidding. This responsibility is notably applicable for the verification of the condition and for the payment of purchased lots.

3.4 Winning Bids: each lot is sold on behalf of the respective owner to the highest bidder who becomes the buyer at one bid step over the next highest bid step; this is the knock-down price. A buyer's premium will be added to the knock-down price per lot and is payable by the buyer as part of the total purchase price. The buyer's premium is 22% of the knock-down price up to and including €50,000 and 20% on any amount in excess of €50,000. Cost of postage will be invoiced separately from the buyer's premium. On the knock of the hammer, liability for the lots passes to the bidder whose bids have been accepted. The lots are delivered to the buyer when the total sale price (knock-down price plus all fees) have been paid in full.

VAT (Sales Tax) - Notes for guidance concerning auctions for which the lots are located in Switzerland: buyers domiciled abroad are not liable for this tax once the goods are duly exported from Switzerland. DAVID FELDMAN S.A. are pleased to arrange this export; alternatively, clients may make their own arrangements and furnish DAVID FELDMAN S.A. with proof of export, stamped by Swiss customs. Any purchases by buyers who wish to keep their purchases in Switzerland will be liable to VAT at 7.7% of the purchase price in Swiss Francs at the converted Euro value during the auction. It is the buyer's responsibility to pay any relevant duties that may be incurred upon import to other jurisdictions.

3.5 Payment: Sale price plus buyer's premium and additional costs (if any) are due for immediate payment as invoiced against delivery of the lots. Payment in other currencies is accepted at the rates of exchange of the day as quoted by a major Swiss bank. The bidders who are successful with whom it has been expressly agreed that they pay after the sale under special conditions, are due to pay the sale price, buyer's premium and any other costs according to those terms. In these cases, DAVID FELDMAN S.A. keeps the relevant lots which are delivered to the buyers on full settlement of their account. Delivery of the purchased lots by post, courier or any other means if instructed by the buyer including cost of normal transit insurance cover is at the expense of the buyer. Title

or ownership of the purchased lots, delivered or not, remains with the auctioneer on behalf of the seller until payment has been made in full.

3.6 Special extended payment facility: DAVID FELDMAN S.A. may offer a special extended payment facility for buyers. In these cases, the buyer may choose to pay a minimum of 25% of the total invoice immediately, and the balance over a maximum period of 6 months, paying an equal instalment at the end of each month. Interest plus charges of 1% is debited to the buyer's account at the end of each month from the auction date. When the special extended payment facility has been granted, the buyer understands that any claims regarding his purchases must be made within 30 days of the auction sale date, even though the lots may be held by DAVID FELDMAN S.A. awaiting full settlement of the account. Until delivery, all lots may be examined by their respective buyers at the offices of DAVID FELDMAN S.A.

3.7 Pledge: until full settlement of the account, the buyer grants to DAVID FELDMAN S.A. a pledge on any and all properties held by DAVID FELDMAN S.A., acquired prior to, during and/or after any auction. This pledge secures the repayment of any amount due in principals, interests, commissions, costs and other possible fees. DAVID FELDMAN S.A. is entitled, but not obliged, to realise freely the pledge assets without further formalities and without previous notice if the buyer is in default with the payment of his debts or with the fulfilment of any other obligation hereunder. For this purpose, DAVID FELDMAN S.A. is not bound to comply with the formalities of the Federal Law dealing with actions for debt and bankruptcy proceedings; in addition, DAVID FELDMAN S.A. may choose to institute or go on with the usual proceedings without having beforehand sold the pledged goods and without having moreover given them up.

4. Guarantee

4.1 Extent of the guarantee: subject to paragraph 4.3 below, the authenticity of all philatelic items sold in the auction is guaranteed for a period of 30 days from the auction date, with the express exclusion of any other fault(s). Any reclamation regarding authenticity must come to the notice of DAVID FELDMAN S.A. on the delivery of the lots but at the latest within 30 days from that date. Before delivery, which may take place after the 30 days period, the lots purchased may be examined at the Geneva offices of DAVID FELDMAN S.A. The buyer whose reclamation is made after 30 days from the auction date loses all rights to the guarantee. Such reclamation will not be valid by DAVID FELDMAN S.A.. If an extension of the period is required in order to substantiate the claim with an expertise, a request for such extension must be made to DAVID FELDMAN S.A. within 30 days of the auction date. No request for extension will be considered beyond this 30 days period. An extension will expire 3 months after the date of the auction; the results of the expertise for which an extension was agreed must come to the notice of DAVID FELDMAN S.A. within that period. No further extension of the period will be considered without the express written agreement of DAVID FELDMAN S.A. Only claims, expertise results or other details which are made within the agreed periods will be valid.

4.2 Expertise and counter-expertise: should the authenticity of a lot be questioned, the buyer is obliged to provide an expertise or counter-expertise from a prominent expert in the field, justifying the claim. If a stamp is found by a recognised expert, taking financial responsibility for errors, to have been forged, he may mark it accordingly. Consequently,

the marking "FALSCH" (forged) is not considered an alteration. In the case of such reclamation, DAVID FELDMAN S.A. reserves the right to request, at its own discretion, one or more further expertise(s). All expertise and relative charges accrue to the vendor's account in the case of a justified claim, or to the buyer's account if the claim is not justified. In the case of a justified claim, the lot is taken back and the knock-down price plus the commission are refunded to the buyer. In the case of delayed payment due to expertise agreed by David Feldman S.A., interest is charged at 50% of the standard rate for all cleared lots. If David Feldman S.A. has not agreed, then full interest is due.

4.3 Exclusions: lots described as collections, accumulations, selections, groups and those containing duplicates cannot be the subject of any claim. Claims concerning lots described as a set or groups of sets containing more than one stamp, can only be considered under the terms of paragraph 4.1 above if they relate to more than one third of the total value of the lot. Lots which have been examined by the buyer or his agent, lots described as having defects or faults cannot be subjected to a claim regarding defects or faults. Illustrated lots cannot be subjected to a claim because of perforations, centering, margins or other factors shown in the illustrations.

4.4 Late Payment: if payment of the knock-down price plus commission due by the buyer is not made within 30 days of the date of the auction, DAVID FELDMAN S.A. reserves the right to cancel the sale and dispose of the lot(s) elsewhere and/or to make a recourse to any legal proceedings in order to obtain payment of the amounts due as well as for any incurred damages and losses and any legal expenses. A charge on overdue payment of at least 5% for the first month and 2% per month afterwards plus expenses incurred is chargeable on any outstanding amount after 30 days of the date of the auction. The buyer who is in default in any way whatsoever has no right of claim under any circumstances.

4.5 Exceptionally, the knock-down price will be reduced to the lowest winning bid where it is shown that the exact same buyer has inadvertently increased the price by using more than one medium of bidding on the same lot.

5. Applicable law and jurisdiction

Unless otherwise stated, all auctions as well as any rights and obligations arising from them shall be governed exclusively by Swiss law. Any legal action or proceeding with respect to the auctions shall be submitted to the exclusive jurisdiction of the courts of Geneva, subject to appeal to the Swiss Federal Court in Lausanne. In every case, DAVID FELDMAN S.A. shall also be entitled, at its discretion, to sue any buyer in default at his place of residence; in such case, Swiss law shall remain applicable and in the case of issues regarding price value, the Euro is converted at its Swiss franc value at the time of the auction.

6. All Transactions:

These Conditions of Sale apply to all transactions of every kind including those outside the auctions, with David Feldman SA.

Note: If these Conditions of sale are translated into one or more other languages, the English translation shall be the official version and shall prevail over all other translations.
