# Introduction

**Marcus Orsi**  
Chief Philatelist

Dear Collectors and Friends,

We are holding our traditional Autumn auction series scheduled for November 28 through to December 3, 2016, comprising seven different catalogues. Please consult our web site to view or download all catalogues at [www.davidfeldman.com](http://www.davidfeldman.com).

We would like to heartily thank our many hundreds of consignors from all parts of the world who have entrusted us with their collections, recognising our company's ability to present their stamps and postal history in the best way to an extensive and knowledgeable collecting public. Indeed, needless to say that without the trust and continued appetite of our passionate and active collector-clients, this sale would also not be possible.

This catalogue highlights major sections of Austria, with early issues used in Hungary and later archival material; Egypt, with over 600 lots from the early postal history, through to the later proofs and essays; Romania, showing a life time accumulation of the early issues, and Russia, all presented in over 4000 lots. Other notable highlights are a fine section of Italy and States, early Ottoman Empire postal history particularly in Albania, Bulgaria, Syria, Lebanon and Palestine, plus one-country collections and general all world collections throughout.

Our clients have come to know and value our All World collection section with many fresh lots housed in hundreds of albums and boxes. Our latest offering continues this tradition with an exceptional selection of country collections, mixed lots and general collections originating mostly from estates. Indeed, practically all of the following material has not been on the market for an average of over twenty years which will, no doubt, add to its attractiveness for potential buyers.

It is therefore our pleasure to welcome you to Geneva, where the viewing of both small and large lots takes place from November 28th, and before that date by appointment. If you are planning to visit us, please inform us of your travel plans, and do not hesitate to ask should you need some assistance in the form of hotel reservations or other information. Frequent visitors to our auctions are quick to appreciate the extensive flight network of low-cost airlines offered by the nearby Geneva International Airport and the convenient proximity of the A1 motorway, located only a few minutes away. Should you not be able to view the lots at our offices, please consider that most of them, including numerous collections, are also completely scanned and available for viewing via our website [www.davidfeldman.com](http://www.davidfeldman.com).

Bidding in our auctions can be made in writing via the enclosed bid form, live via Internet in the comfort of your home or office, by telephone, or indeed through an independent auction agent. Should you have any questions concerning the material presented, our conditions of sale, or any other matter, please do not hesitate to contact us - we are at your service. We wish you success with your bids and satisfaction with your purchases.

1851 2RBS deep blue, the extraordinary used block of four of deep rich colour, Thiele printing (typographed burelage) from Plate II, positions 1-2/11-12, cliché types 1-4, with position 2 showing the major recurring variety "Foot of 2 nearly dis-joined" (occurring once in each type group of 10).

Margins trimmed on three sides (including at top and at left by post office clerk, to prevent possible forgery made on the unprinted margins), large margins at base and lightly cancelled by Copenhagen "1" numerals in black, a sound and attractive multiple in all respects.

A major rarity of Scandinavian philately, being the only known used block of four.

Expertise: Certified Postiljonen, Nielsen and Möller,

Provenance: Dr. Gene Scott and Peer Lorentzen and a vital showpiece in the exhibit collections of each.

1855 4sk Blue used BLOCK OF 39, plated as coming from pane B, positions 11-50 (thus comprising nearly a fifth of the printing plate of 200!) and neatly cancelled by numerals "306" in concentric circles, used at Trondheim.

The block was discovered at Trondheim's Central Railroad Station, affixed to a parcel of documents to the USA which had been returned as undeliverable - and then forgotten for about 75 years!

The "Trondheim" block was first exhibited at the 1930 Oslo International Philatelic exhibition, and confirmed the recently published plating of the 1855 4 Skilling by Jellestad and Odfjell.

As can be expected from such a large used multiple, there are faults including trivial creases and tears which certainly do not detract from its stunning, vibrant appearance.

Without doubt the most important philatelic item of Norway, and a major world rarity.

Exhibited: Oslo 1930 & 2005 (75th & 150th anniversary exhibitions); New York 1996 Anphilex "Aristocrats of Philately," London 1997 & Monaco 1997 "Rare Stamps of the World" exhibitions

Literature: "Handbok over Norges Frimerker" (1963, vol. I, p. 61)

Provenance: Pieter Ahl

The first stamps issued from Moldavia (later Romania) were sent from the press to the Treasury on 11 July 1858 and received at the post office on 14 July. The stamps were printed in a circular format depicting an "auroch" (bison) resembling a bull with Cyrillic letters above & the value positioned in a posthorn below. Four different denominations were produced, namely 27, 54, 81, 108 Paras. Heimbuchler estimates that there are fewer than 800 adhesives to have survived of all four values.

### All World: Collections and Lots

#### THE SAMUEL S. TING COLLECTION OF WORLD-WIDE FIRST ISSUES

34000

\*\* \* ◎ △ (\*)

Offer

Since the first postage stamp was issued in 1840, economics, social evolution, conflict and politics have all contributed to the shaping of the identities and the footprints of the world's countries-both present and past. One-time autonomous regions were colonized, others occupied, some annexed, independent states were amalgamated and intact entities partitioned. Some of these changes were continuous in that relatively new entities further evolved and emerged yet as even newer entities.

Still, in other instances some reverted back and in time, came full-circle. The current roster of the world's countries is nearing 200 but this is only a small percentage in comparison to the number of countries, regions and territories that preceded them. Regardless of the circumstances, one of the earliest steps initiated to announce the emergence of a new identity was the issuance of postage stamps bearing its name- it's proclamation to the rest of the world of its existence. In philately, that first stamp- so symbolic to every new entity's identity- is known as a "First Issue".

*(continued on next page)*

From design, conviction and passion, the Samuel S. Ting Collection is unarguably one of the finest, most comprehensive collections specializing in first-issue material ever compiled. Guiding the collection from its earliest, the major reference catalogues were combed page-by-page and a detailed list was compiled of first-issues from current and extinct countries, independent and pre-federated states plus provisional issues. To further enhance the scope and depth of the Collection, speciality catalogues were similarly consulted and regional as well as era-specific entities were added-forming the master list around which the Collection has been built. To date, 91 % of that list is now in-collection and fewer than 80 issues away from being 97 % complete. This equates to an impressive 1700-plus distinct entities which include the not so rare to the very rare (e.g. less than 200 ever issued and less than 500 ever issued). With diligence, those key issues requiring authentication have been either by certificate and/or signature. It truly is a world-wide collection further reflected by the fact that material has been drawn in from over 40 countries, on 6 continents.

In keeping with the stature of the Collection and to ensure appropriate safeguarding and presentation, custom stock-sheet binders were handcrafted- each embossed with the Collection unique logo and housed in matching protective slip covers. Additionally, a 55-page alphabetical index facilitates navigation of the Collection which is also in a matching binder and slipcase. At the issue level, each piece is properly identified with a logo-ed label detailing relative information such as year of issue, authentications, etc. and secured within archive quality stock-sheets.

Considering the resource and time commitment required as well as the scarce availability of key and rare material, once-in-a-lifetime mature collections of this caliber are few and far between. They often remain privately held and opportunities to acquire them seldom occur. There is only one Samuel S. Ting Collection and for the first time in its existence, this exclusive collection is being made available for one discerning investor.

# The Poezd and Pochta Postmarks of the "Little Railroads" of St. Petersburg

## The Tsarskoe Selo, Warsaw, & Baltic Railroads

The Tsarskoe Selo, Warsaw, and Baltic railroads are known to have Poezd (train) and Pochta (post) marks between 1872-1904, and it was thought that they were used as sorting marks for specific trains. They are not TPO (Traveling Post Office) marks, because they were not applied on the train. It is thought that the black marks were for the trains traveling toward St. Petersburg and the red traveling from St. Petersburg. Thanks to the works of Manfred Dobin and Ian Baillie, the chart for these marks is located below.

The exhibit will follow closely Mr. Baillie's classification chart which slightly altered the original chart of Mr. Dobin. There is a Series A cancel, but I have never seen one in 30+ years of collecting. Some of these sorting marks are not rare, but they are very hard to find. Some are very rare with only one or two recorded in the literature. Series B is usually black, and the other Series C, D, E, F, & G are usually red. The Poezd marks are Series B, C, D, & E. The Pochta marks are Series F & G. No one knows why the postmarks were changed from Poezd to Pochta.

						SERIES B usually black
B1	B2	B3	B4	B5	B6	
						SERIES C Like all subsequent series, usually red
C1	C2	C3	C4			
Presumably does not exist	Presumably does not exist	Presumably does not exist				SERIES D Slightly varied Series B with lines removed
(D1?)	(D2?)	(D3?)	D4	D5		
						SERIES E As instead of B
E1	E2	E3	E4	E5		
						SERIES F POZDA instead of POZD
F1	F2	F3	F4			
	Presumably does not exist	Presumably does not exist				SERIES G As Series F but machine numbers and larger letters
G1	(G2?)	(G3?)	G4

1872-1904 EMPIRE: The Poezd and Pochta Postmarks of the "Little Railroads" of St.Petersburg: Attractive one frame exhibit on 16 pages neatly presented and knowledgeable written up. The collection studies the Tsarskoe Selo, Warsaw, and Baltic railroads that have Poezd (Train) and Pochta (Post) markings between 1872-1904, it was thought that they were used as sorting marks for specific trains. They are not TPO marks, because they were not applied on the train. It is thought that the black marks were for the trains travelling towards St. Petersburg and the red travelling from St. Petersburg. The scope of the collection shows covers and cards with Dobin & Ballie Series B in black and other Series C, D, E, F & G all in red, an excellent basis for study and expansion (31 covers) (Est. € 2'000/3'000)

Participation in any David Feldman S.A. auction means acceptance in full of the following conditions as well as any rights and obligations arising therefrom. These same conditions also apply to all transactions taking place outside the realm of the auctions. DAVID FELDMAN S.A., organiser of the auctions, acts as an agent only and is not liable in any way whatsoever for any default(s) of purchaser(s) and/or vendor(s).

### 1. The auction lots are offered

**1.1** As presented in the relative auction catalogue and/or through the David Feldman S.A. website. Lots are meticulously described and with the greatest care, however without responsibility. Photographs count as part of the description with regard to the margins, perforation, centering, postmarks and all other visible attributes. The descriptions of the lots mention if the items are signed by recognised experts and/or accompanied by expert certificates.

**1.2** As viewed in person: before and during auction sales, persons or their agents may examine lots at our offices or at the auction location, and must confirm their auction invitation before viewing. Persons or their agents attending a Live Room auction by invitation and/or who have viewed lots before an auction are understood to have examined all lots which they purchase and accept them as they are at the moment of the knocking-down and not necessarily as described.

### 2. Auction bids

Bids between these steps will be adjusted accordingly to the next highest bid step. The bidder is bound by his offer until a higher bid has been validly accepted.

**2.2** DAVID FELDMAN S.A. has full discretion to refuse any bidding, to divide any lot or lots, to combine any two or more lots and to withdraw any lot or lots from the sale without in any case giving any reason. DAVID FELDMAN S.A. may also bid on behalf of vendors in cases where reserve prices have been fixed. In these cases, the vendor is treated as a buyer and the auctioneer shall bid on his behalf up to reserve prices. If the reserve price fixed by the vendor is not reached, the auctioneer passes to the next lot by a simple knock of the hammer.

**2.3** Bid orders are only accepted from registered clients of DAVID FELDMAN S.A. and/or its associated companies. Live Room bidders must confirm their invitation prior to obtaining a bidding number.

**2.4** Bid orders received by DAVID FELDMAN S.A. including via its website before the relative auctions have priority over room bids in the case of Live Room auctions. Clients giving bidding instructions to DAVID FELDMAN S.A. may make alternative offers and/or limit the total of their expenditure in advance. Bids marked "BUY" are considered as up to ten times the quoted estimate price where such exists. Bids made in other currencies than the advertised currency of the auction will be converted into that currency at the market rate of the day of receipt by DAVID FELDMAN S.A. Bids are standing and hold good for at least 60 days from the auction period. DAVID FELDMAN S.A. reserves the right to invoice bidders up to the end of the 60 day period, payment being due immediately.

### 3. The auction

**3.1** Unless explicitly stated otherwise, the currency of the auction is Euros. Attendance at the Live Room auction is reserved for invited clients and/or their agents.

**3.2** Prerogatives of David Feldman S.A.: DAVID FELDMAN S.A. may withdraw, group differently, divide or refuse to knock down any lot. DAVID FELDMAN S.A. reserves the right to refuse any bid orders and/or for Live Room auctions, refuse admittance to the auction room, at its discretion, to anybody whomsoever. DAVID FELDMAN S.A. cannot be held responsible for any physical accident that may occur on the premises where auctions take place. In the case a bone fide offer for the entire collection presented in this catalog is received at least two weeks before the auction date, and would be accepted by the vendor and the auctioneer, it may be withdrawn from sale and the auction offer cancelled.

**3.3** Bidders' representatives and auction agents: any person

bidding for the account of a third party is fully liable for any obligation arising from such bidding. This responsibility is notably applicable for the verification of the condition and for the payment of purchased lots.

**3.4** Winning Bids: each lot is sold on behalf of the respective owner to the highest bidder who becomes the buyer at one bid step over the next highest bid step; this is the knock-down price. In addition to the knock-down price, the buyer pays a premium of 20% to cover commission charges and expenses including lotting fees, packing, and export formalities, etc. whether all incurred in particular cases or not. Cost of postage and insurance for all lots is additional and will be invoiced separate from the buyer's premium. On the knock of the hammer, liability for the lots passes to the bidder whose bids have been accepted. The lots are delivered to the buyer when the total sale price (knock-down price plus all fees including postage or shipping) have been paid in full.

VAT (Sales Tax) - Notes for guidance concerning auctions for which the lots are located in Switzerland: buyers domiciled abroad are not liable for this tax once the goods are duly exported from Switzerland. DAVID FELDMAN S.A. are pleased to arrange this export; alternatively, clients may make their own arrangements and furnish DAVID FELDMAN S.A. with proof of export, stamped by Swiss customs. Any purchases by buyers who wish to keep their purchases in Switzerland will be liable to VAT at 8% of the purchase price in Swiss Francs at the converted Euro value during the auction.

**3.5** Payment: Sale price plus buyer's premium and additional costs (if any) are due for immediate payment as invoiced against delivery of the lots. Payment in other currencies is accepted at the rates of exchange of the day as quoted by a major Swiss bank. The bidders who are successful with whom it has been expressly agreed that they pay after the sale under special conditions, are due to pay the sale price, buyer's premium and any other costs according to those terms. In these cases, DAVID FELDMAN S.A. keeps the relevant lots which are delivered to the buyers on full settlement of their account. Delivery of the purchased lots by post, courier or any other means if instructed by the buyer including cost of normal transit insurance cover is at the expense of the buyer. Title or ownership of the purchased lots, delivered or not, remains with the auctioneer on behalf of the seller until payment has been made in full.

**3.6** Special extended payment facility: DAVID FELDMAN S.A. may offer a special extended payment facility for buyers. In these cases, the buyer may choose to pay a minimum of 25% of the total invoice immediately, and the balance over a maximum period of 6 months, paying an equal instalment at the end of each month. Interest plus charges of 1% is debited to the buyer's account at the end of each month from the auction date. When the special extended payment facility has been granted, the buyer understands that any claims regarding his purchases must be made within 30 days of the auction sale date, even though the lots may be held by DAVID FELDMAN S.A. awaiting full settlement of the account. Until delivery, all lots may be examined by their respective buyers at the offices of DAVID FELDMAN S.A.

**3.7** Pledge: until full settlement of the account, the buyer grants to DAVID FELDMAN S.A. a pledge on any and all properties held by DAVID FELDMAN S.A., acquired prior to, during and/or after any auction. This pledge secures the repayment of any amount due in principals, interests, commissions, costs and other possible fees. DAVID FELDMAN S.A. is entitled, but not obliged, to realise freely the pledge assets without further formalities and without previous notice if the buyer is in default with the payment of his debts or with the fulfilment of any other obligation hereunder. For this purpose, DAVID FELDMAN S.A. is not bound to comply with the formalities of the Federal Law dealing with actions for debt and bankruptcy proceedings; in addition, DAVID FELDMAN S.A. may choose to institute or go on with the usual proceedings without having beforehand sold the pledged goods and without having moreover given them up.

### 4. Guarantee

**4.1** Extent of the guarantee: subject to paragraph 4.3 below, the authenticity of all philatelic items sold in the auction is guaranteed for a period of 30 days from the auction date, with the express exclusion of any other fault(s). Any reclamation regarding authenticity must come to the notice of DAVID FELDMAN S.A. on the delivery of the lots but at the latest within 30 days from that date. Before delivery, which may take place after the 30 days period, the lots purchased may

be examined at the Geneva offices of DAVID FELDMAN S.A. The buyer whose reclamation is made after 30 days from the auction date loses all rights to the guarantee. Such reclamation will not be valid by DAVID FELDMAN S.A.. If an extension of the period is required in order to substantiate the claim with an expertise, a request for such extension must be made to DAVID FELDMAN S.A. within 30 days of the auction date. No request for extension will be considered beyond this 30 days period. An extension will expire 3 months after the date of the auction; the results of the expertise for which an extension was agreed must come to the notice of DAVID FELDMAN S.A. within that period. No further extension of the period will be considered without the express written agreement of DAVID FELDMAN S.A. Only claims, expertise results or other details which are made within the agreed periods will be valid.

**4.2** Expertise and counter-expertise: should the authenticity of a lot be questioned, the buyer is obliged to provide an expertise or counter-expertise from a prominent expert in the field, justifying the claim. If a stamp is found by a recognised expert, taking financial responsibility for errors, to have been forged, he may mark it accordingly. Consequently, the marking "FALSCH" (forged) is not considered an alteration. In the case of such reclamation, DAVID FELDMAN S.A. reserves the right to request, at its own discretion, one or more further expertise(s). All expertise and relative charges accrue to the vendor's account in the case of a justified claim, or to the buyer's account if the claim is not justified. In the case of a justified claim, the lot is taken back and the knock-down price plus the commission are refunded to the buyer. In the case of delayed payment due to expertise agreed by David Feldman S.A., interest is charged at 50% of the standard rate for all cleared lots. If David Feldman S.A. has not agreed, then full interest is due.

**4.3** Exclusions: lots described as collections, accumulations, selections, groups and those containing duplicates cannot be the subject of any claim. Claims concerning lots described as a set or groups of sets containing more than one stamp, can only be considered under the terms of paragraph 4.1 above if they relate to more than one third of the total value of the lot. Lots which have been examined by the buyer or his agent, lots described as having defects or faults cannot be subjected to a claim regarding defects or faults. Illustrated lots cannot be subjected to a claim because of perforations, centering, margins or other factors shown in the illustrations.

**4.4** Late Payment: if payment of the knock-down price plus commission due by the buyer is not made within 30 days of the date of the auction, DAVID FELDMAN S.A. reserves the right to cancel the sale and dispose of the lot(s) elsewhere and/or to make a recourse to any legal proceedings in order to obtain payment of the amounts due as well as for any incurred damages and losses and any legal expenses. A charge on overdue payment of at least 5% for the first month and 2% per month afterwards plus expenses incurred is chargeable on any outstanding amount after 30 days of the date of the auction. The buyer who is in default in any way whatsoever has no right of claim under any circumstances.

**4.5** Exceptionally, the knock-down price will be reduced to the lowest winning bid where it is shown that the exact same buyer has inadvertently increased the price by using more than one medium of bidding on the same lot.

### 5. Applicable law and jurisdiction

Unless otherwise stated, all auctions as well as any rights and obligations arising from them shall be governed exclusively by Swiss law. Any legal action or proceeding with respect to the auctions shall be submitted to the exclusive jurisdiction of the courts of Geneva, subject to appeal to the Swiss Federal Court in Lausanne. In every case, DAVID FELDMAN S.A. shall also be entitled, at its discretion, to sue any buyer in default at his place of residence; in such case, Swiss law shall remain applicable and in the case of issues regarding price value, the Euro is converted at its Swiss franc value at the time of the auction.

### 6. All Transactions:

These Conditions of Sale apply to all transactions of every kind including those outside the auctions, with David Feldman SA.

**Note:** If these Conditions of sale are translated into one or more other languages, the English translation shall be the official version and shall prevail over all other translations.

### 2. Les offres d'enchères

**2.1** Chaque offre d'enchère doit être supérieure à celle formulée précédemment selon l'échelle suivante: (la monnaie peut changer selon la vente aux enchères)

€ 50 - 100	€ 5	€ 2000 - 5000	€ 200

€ 1000 - 2000	€ 100	€ 50000 - 100000	€ 5000

Les offres se situant entre ces montants seront arrondies à la surenchère supérieure. L'enchérisseur est lié par son offre tant qu'une nouvelle surenchère n'a pas été valablement formulée par un autre enchérisseur.

**2.2** DAVID FELDMAN S.A. a le droit de refuser des enchères, de séparer, joindre ou retirer n'importe quel lot, cela à son entière discrétion. La vente a lieu en français mais les enchères pourront être répétées en anglais. La Maison DAVID FELDMAN S.A. est également autorisée à enchérir pour le compte de vendeurs lorsque des prix de réserve ont été fixés. Si le vendeur fixe des prix de réserve pour certains de ses lots, il sera alors considéré comme acheteur et la Maison DAVID FELDMAN S.A. enchérira pour le compte de celui-ci jusqu'à concurrence des prix de réserve fixés. Lorsque le prix fixé par le vendeur n'est pas atteint, il sera passé à la criée du lot suivant par un simple coup de marteau.

**2.3** Seuls les clients enregistrés auprès de DAVID FELDMAN S.A. ou/et des sociétés affiliées pourront enregistrer des enchères. Les clients en salle doivent confirmer leur invitation pour obtenir leur numéro d'enchérisseur.

**2.4** Les offres d'enchères écrites reçues par David Feldman SA ou sur le site Internet avant la vente, sont dans tous les cas prioritaires sur les offres d'enchères faites dans la salle de vente. L'enchérisseur donnant un ordre d'enchères écrit peut faire des offres alternatives et/ou limiter le montant global de ses offres. Les offres d'enchères données «à acheter» sont considérées comme pouvant atteindre jusqu'à 10 fois la valeur de l'estimation imprimée dans le catalogue. Les enchères doivent être faites en Euros. Les offres d'enchères libellées en d'autres monnaies seront converties en Euros au cours du jour de leur réception par la Maison DAVID FELDMAN S.A. Toute offre écrite d'enchères est considérée comme liant son auteur pendant 60 jours après la date de la vente aux enchères. La Maison DAVID FELDMAN S.A. est donc en droit de facturer la marchandise à l'enchérisseur jusqu'à l'expiration de ce délai. Toute facture reçue par celui-ci est de ce fait valable et doit être payée immédiatement.

### 3. La vente aux enchères

**3.1** A moins que ce ne soit explicitement indiqué, la monnaie de la vente aux enchères est franc suisse. L'accès à la salle des ventes est exclusivement réservé aux clients invités et/ou leurs agents.

**3.2** Prérrogatives de David Feldman S.A.: La Maison DAVID FELDMAN S.A. est en droit selon sa libre appréciation de retirer, de diviser ou de grouper les lots faisant partie de la présente vente ainsi que de refuser l'adjudication de n'importe lequel desdits lots. La Maison DAVID FELDMAN S.A. se réserve le droit de refuser selon sa libre appréciation toute offre d'enchères et/ou l'entrée de la salle de vente à n'importe quelle personne quelle qu'elle soit. La Maison DAVID FELDMAN S.A. n'assume aucune responsabilité quelconque en cas de dommage corporel survenu sur les lieux de la vente.

**3.3** Représentants et Agents de Vente aux Enchères: L'enchérisseur qui agit pour le compte d'un tiers engage son entière responsabilité personnelle en particulier en ce qui concerne toutes les obligations contractées dans le cadre de la présente vente. Cette responsabilité s'étend notamment à la vérification de la qualité des lots achetés ainsi qu'au règlement ultérieur de la facture des lots acquis.

**3.4** Enchères gagnantes : Chaque lot est adjugé au plus offrant pour le compte de son vendeur respectif. Des frais de 20% sont facturés en sus de l'enchère la plus haute par David Feldman SA couvrant la commission, frais par lot, assurance, emballage, frais d'exportation etc. et ceci dans tous les cas, tous frais encourus ou pas. Les frais de port sont facturés en sus et seront facturés séparément. A la tombée du marteau, les profits et risques des lots ainsi adjugés passent à l'enchérisseur dont l'offre a été acceptée. La marchandise ne sera cependant remise à l'acquéreur qu'au moment du règlement intégral du prix d'achat (prix marteau plus les frais).

**TVA (Taxe à la vente) - Note indicative concernant les ventes aux enchères dont les lots se trouvent en Suisse:** Les acheteurs domiciliés à l'étranger ne sont pas soumis à cette taxe, à condition que les marchandises soient exportées hors de Suisse. DAVID FELDMAN S.A. se fera un plaisir de s'occuper de l'exportation de ces marchandises. Les clients peuvent aussi faire cette exportation par leurs propres moyens; dans ce cas, ils doivent fournir à DAVID FELDMAN S.A. une attestation dûment signée et timbrée par les douanes suisses. Toute acquisition par des acheteurs désirant garder la marchandise en Suisse est soumise à la taxe TVA de 8% sur le prix d'achat en francs suisses.

**3.5** Paiement: Les adjudicataires présents sont tenus de payer comptant en Euros le prix d'achat et la commission contre remise de la marchandise acquise. Le paiement en d'autres monnaies est accepté au cours du jour tel qu'établi par une des grandes banques suisses. Les enchérisseurs par correspondance auxquels un lot est adjugé ainsi que les adjudicataires présents auxquels la Maison DAVID FELDMAN S.A. accorde l'autorisation expresse d'acquitter les montants dus après la vente, sont tenus de payer le prix d'achat et la commission due à réception de la facture de la vente aux enchères. Dans ce cas, la Maison DAVID FELDMAN S.A. conserve les lots gagnés qui ne seront remis à leurs acheteurs qu'à réception par DAVID FELDMAN S.A. du paiement intégral des montants dus. Sauf instructions spéciales de l'acheteur, l'envoi des lots s'effectue par la poste ou autre société d'expédition, la Maison DAVID FELDMAN S.A. assure, de manière usuelle, la marchandise pour le transit. Les lots, délivrés ou non, conservent titre de propriété de la Maison DAVID FELDMAN S.A. pour le compte du vendeur jusqu'au paiement intégral de la facture.

**3.6** Facilités de paiement: La Maison DAVID FELDMAN S.A. accorde, selon sa libre appréciation, des facilités de paiement aux acheteurs. L'acheteur au bénéfice de telles facilités paie un montant minimum de 25% du montant total de la facture dès réception de celle-ci puis acquitte le solde encore dû en mensualités égales sur une période de 6 mois maximum. Un intérêt mensuel plus les frais encourus au taux de 1% sont perçus, à partir de la date de la vente, par la Maison DAVID FELDMAN S.A. L'intérêt est débité chaque mois au compte du client. En cas d'octroi de facilités de paiement, la Maison DAVID FELDMAN S.A. garde les lots adjugés jusqu'au paiement intégral des montants dus par l'acheteur, étant précisé que l'acheteur peut, en tout temps avant livraison, examiner la marchandise acquise auprès de la Maison DAVID FELDMAN S.A. Par ailleurs, l'acheteur perd tout droit de réclamation tel que prévu sous chiffre 4 ci-dessous, 30 jours après la date de la vente aux enchères.

**3.7** Droit de gage: Jusqu'au paiement intégral du montant dû, l'acheteur confère à DAVID FELDMAN S.A. un droit de gage sur la totalité des lots gardés par DAVID FELDMAN S.A., acquis avant, pendant et/ou après la présente vente aux enchères. Ce gage garantit le remboursement de tout montant dû en capital, intérêts, commissions et frais éventuels. DAVID FELDMAN S.A. est autorisée, mais non obligée, à réaliser les gages sans autres formalités et sans préavis si l'acquéreur est en demeure pour le paiement de sa dette ou l'exécution d'une obligation quelconque. DAVID FELDMAN S.A. pourra dans tous les cas réaliser les gages de gré à gré. A cet effet, elle n'est pas tenue d'observer les formalités prévues par la Loi fédérale sur la poursuite pour dette et faillite; DAVID FELDMAN S.A. est libre en outre d'introduire ou de continuer une poursuite ordinaire, sans avoir préalablement réalisés les gages et sans renoncer pour autant à ceux-ci.

### 4. Garantie

**4.1** Etendue de la garantie: Sous réserve de l'article 4.3 ci-après, l'authenticité de toutes les pièces philatéliques vendues aux enchères est garantie pendant 30 jours à compter de la date de la vente aux enchères. Toute garantie de défaut ou autre garantie de quelque nature qu'elle soit est expressément exclue. Toute réclamation concernant l'authenticité doit être transmise à DAVID FELDMAN S.A. dès réception des lots,

mais au plus tard dans les 30 jours à compter de la date de la vente aux enchères. Avant la livraison, qui peut intervenir après ce délai de 30 jours, les pièces philatéliques acquises peuvent être examinées auprès de DAVID FELDMAN S.A. L'acheteur dont la réclamation parvient à DAVID FELDMAN S.A. après ce délai de 30 jours à compter de la date de la vente aux enchères perd tout droit à la garantie. Sa réclamation ne sera pas prise en considération par DAVID FELDMAN S.A. Si un délai supplémentaire pour formuler une réclamation liée à l'authenticité d'une pièce philatélique s'avère nécessaire, la demande doit en être faite à DAVID FELDMAN S.A. dans le délai de 30 jours à compter de la date de la vente aux enchères. Aucune demande parvenue après ce délai de 30 jours à DAVID FELDMAN S.A. ne sera prise en considération. Le délai d'extension expirera 3 mois après la date de la vente aux enchères. Les résultats de l'expertise pour laquelle un délai a été accepté doivent parvenir à DAVID FELDMAN S.A. dans ce délai. Un délai supplémentaire ne peut être accordé qu'avec l'accord écrit de DAVID FELDMAN S.A. Seules les réclamations, résultats d'expertise ou autres notifications parvenus dans les délais seront pris en considération par DAVID FELDMAN S.A.

**4.2** Expertise ou contre-expertise: Lorsque l'authenticité d'un lot est contestée l'acheteur est tenu de produire un certificat d'expertise ou de contre-expertise émanant d'un expert qualifié justifiant sa réclamation. Si l'expert reconnu, assumant toute responsabilité en cas d'erreur, juge que le timbre a été falsifié, il peut le marquer en conséquence; les signes «FAUX» ou «FALSIFIE» ne constituent pas alors une altération du lot. En présence d'une telle réclamation DAVID FELDMAN S.A. se réserve le droit de demander selon la libre appréciation une ou plusieurs expertises subséquentes dont les frais seront mis à charge du vendeur dans l'hypothèse où la réclamation de l'acheteur est fondée. Dans le cas contraire l'acheteur supportera tous les frais d'expertise encourus. Lorsque la réclamation est fondée, le lot est repris et le prix d'adjudication ainsi que la commission sont intégralement remboursés à l'acheteur. Dans le cas d'un paiement retardé dû à une expertise agréée par David Feldman S.A., des intérêts sont payables à 50% du taux habituel pour tout lot dont l'authenticité est confirmée. Si David Feldman S.A. n'est pas d'accord tous les intérêts seront dus.

**4.3** Limites de la garantie: Les lots décrits comme collections, sélections ou groupes, ceux formés de doubles et d'accumulations, ne peuvent faire l'objet d'une réclamation quelconque. Les réclamations concernant les lots décrits comme série ou groupes de séries contenant plus d'un timbre, ne sont prises en considération dans les limites de l'article 4.1 ci-dessus que si elles portent sur plus d'un tiers de la valeur totale d'acquisition du lot. Les lots qui ont été examinés par l'acheteur ou son agent, ainsi que les lots qui sont décrits comme ayant des défauts ne peuvent faire l'objet d'aucune réclamation par rapport à ceux-ci. Tout lot illustré ne peut faire l'objet d'aucune réclamation au sujet de la perforation, du centrage, des marges ou tout autre élément visible dans l'illustration.

**4.4** Paiement tardif: Si le paiement du prix marteau et de la commission due par l'acheteur n'intervient pas dans les 30 jours à compter de la date de la vente aux enchères, DAVID FELDMAN S.A. se réserve le droit d'annuler la vente et de disposer du(des) lot(s) concerné(s) et/ou d'agir par toute voie de droit utile contre l'acquéreur afin d'obtenir les paiements en souffrance plus un intérêt d'au moins 5% dès le premier mois et 2% par mois supplémentaire. De plus, les dépenses encourues seront perçues sur toutes les sommes dues par l'acheteur 30 jours après la date de la vente aux enchères. Le débiteur défaillant perd en outre tout droit de réclamation.

**4.5** Le prix marteau pourra, exceptionnellement, être ramené à la mise gagnante la plus basse s'il est établi que le même enchérisseur a augmenté le prix par inadvertance en utilisant plus d'un moyen de miser.

### 5. Droit applicable et juridiction

La présente vente aux enchères ainsi que tous les rapports juridiques qui en découlent seront soumis au Droit suisse exclusivement. Toute action légale ou procédure concernant la vente aux enchères ainsi que les rapports juridiques qui en découlent seront soumis à la juridiction exclusive des tribunaux de Genève, sous réserve d'appel au Tribunal fédéral suisse à Lausanne. Dans tous les cas, DAVID FELDMAN S.A. se réserve le droit de poursuivre tout acheteur défaillant à son lieu de résidence, auquel cas le Droit Suisse reste applicable.

### 6. Toute transaction:

Ces conditions sont applicables à toute transaction même en dehors des ventes aux enchères, avec David Feldman SA.

**Note:** Les présentes Conditions de vente ont été rédigées en anglais et sont accompagnées d'une traduction française. En cas de divergence entre la version anglaise et la version française, le texte anglais prévaudra.

### 4. Garantie

4.1 Umfang: Unter Vorbehalt des nachstehenden Paragraphs 4.3, ist die Echtheit aller bei Versteigerungen verkauften philatelistischen Artikel während 30 Tagen nach dem Versteigerungsdatum garantiert. Jegliche andere Garantie oder Garantie für Fehler ist ausdrücklich ausgeschlossen. Jegliche Reklamation bezüglich Echtheit muss unverzüglich nach Erhalt der Lose an DAVID FELDMAN S.A. gerichtet werden, spätestens jedoch innerhalb 30 Tagen nach Versteigerungsdatum. Vor der Zustellung, die nach der 30-Tage-Frist erfolgen kann, können die erstandenen philatelistischen Artikel bei DAVID FELDMAN S.A. besichtigt werden. Ein Käufer, dessen Reklamation nach der Frist von 30 Tagen ab Versteigerungsdatum bei DAVID FELDMAN S.A. eintrifft, verliert jegliches Anrecht auf die Garantie. In diesem Fall wird die Reklamation von DAVID FELDMAN S.A. nicht anerkannt.

Wird im Falle einer Reklamation bezüglich der Echtheit eines philatelistischen Artikels eine Fristverlängerung benötigt, muss diese innerhalb 30 Tagen nach Versteigerungsdatum bei DAVID FELDMAN S.A. beantragt werden. Kein solcher Antrag, welcher nach dieser 30-Tage-Frist bei DAVID FELDMAN S.A. eintrifft, wird in Betracht gezogen. Die Prüfersultate, für deren Einholung eine Fristverlängerung gewährt wurde, müssen bei DAVID FELDMAN S.A. innerhalb von 3 Monaten nach dem Versteigerungsdatum vorliegen. Eine weitere Fristverlängerung kann nur mit schriftlicher Einwilligung von DAVID FELDMAN S.A. gewährt werden. Nur diejenigen Reklamationen, Prüfersultate sowie andere Mitteilungen, die innerhalb der vorgeschriebenen Fristen eintreffen, werden von DAVID FELDMAN S.A. in Betracht gezogen.

4.2 Atteste und Gegenatteste: Bei Echtheitszweifeln obliegt es dem Käufer, als Rechtfertigung seiner Reklamation ein Attest oder Gegenattest von einem für das betreffende Sammelgebiet anerkannten Prüfer beizulegen. Wird eine Marke von einem anerkannten und für Irrtümer haftenden Prüfer als falsch erkannt, kann er sie entsprechend kennzeichnen. Das Zeichen FALSCH gilt dabei nicht als Veränderung. Bei derartigen Reklamationen behält DAVID FELDMAN S.A. es sich vor, nach eigenem Ermessen ein oder mehrere Atteste anzufordern. Alle Prüfkosten und diesbezügliche Ausgaben fallen bei gerechtfertigter Beanstandung zu Lasten des Einlieferers, anderenfalls jedoch zu Lasten des Käufers. Bei gerechtfertigter Beanstandung wird das Los zurückgenommen und die Zuschlagssumme sowie Aufgeld an den Käufer zurückerstattet. Falls infolge einer Expertise, mit Uebereinstimmung der DAVID FELDMAN S.A. Zahlungsverzögerungen entstehen, werden 50% der üblicherweise belasteten Zinsen auf jedes Los, dessen Echtheit einwandfrei bewiesen ist erhoben. Ansonsten werden die Standartzinsen berechnet.

4.3 Begrenzung: Lose, die als Sammlungen, Sammellose, Dublettenposten oder Anhängungen beschrieben sind, haben keinerlei Anrecht auf Reklamation. Beanstandungen von Losen, die als Serien oder Gruppen von Serien aus mehr als einer Briefmarke bestehend beschrieben sind, werden in Grenzen des obigen Punktes 4.1. nur in Betracht gezogen, wenn sie mehr als ein Drittel des Gesamtkaufwerts des entsprechenden Loses darstellen. Für Lose die vom Käufer oder dessen Agenten besichtigt wurden oder mit Fehlern beschrieben sind können deshalb nicht beanstandet werden. Abgebildete Lose können nicht beanstandet werden wenn es sich um Zähnungsfehler, Zentrierung, Rand oder andere im Bild ersichtliche Fehler handelt.

4.4 Zahlungsverzug: Geht die Zahlung der Zuschlagssumme und das Aufgeld nicht innerhalb von 30 Tagen nach Versteigerungsdatum ein, behält DAVID FELDMAN S.A. es sich vor, entweder das Kaufgeschäft aufzuheben und über die Lose anderweitig zu verfügen und/oder auf Zahlung des Kaufpreises und Schadenersatz, sowie auch gesetzliche Abgaben zu klagen. Bei Nichtzahlung ausstehender Beträge innerhalb von 30 Tagen nach Versteigerungsdatum, werden Verzugszinsen von wenigstens 5% im ersten Monat und 2% in den darauffolgenden Monaten erhoben; entstandene Unkosten sind ebenfalls zurückzuerstatten. Der in Verzug geratene Käufer verliert in jedem Fall sein Reklamationsrecht.

4.5 Der Zuschlagspreis kann ausnahmsweise auf das tiefste Gebot vermindert werden, wenn der Bieter versehentlich den Preis, durch eine andere Bietermöglichkeit, erhöht hat.

**Prière de noter :** De légères traces d'usures, défauts au rabat, de légères réductions sur un côté et des plis d'archives sont des caractéristiques normales pour des lettres du 19ème siècle. De légères améliorations au niveau de la propreté ainsi qu'un éventuel ajout de quelques renforts sont également acceptables et ne figurent pas nécessairement dans les descriptions. Ces points ainsi que tous les éléments visibles au niveau de l'illustration ne peuvent par conséquent pas être sujets à réclamation. Des scans supplémentaires d'une pièce peuvent être envoyés sur simple demande.

**Bitte beachten:** Leichte Eckabnützungen, Mängel der Absenderklappe, leichte Reduktionen an einer Seite und Archivierungsbügel sind als normal für Briefe des 19. Im Zweifel können Sie von uns VOR DER Auktion jederzeit Photokopien oder besser auflösende scans verlangen und werden wir Ihnen diese gerne zusenden bzw. mailen.

# Keep your collection alive

At David Feldman SA we offer you 2 options to show and share your philatelic Treasures:

- a PRINT solution: the Great Philatelic Collections books series, and
- a DIGITAL solution: the Museum of Philately, our new iPad App

## David Feldman's Museum of Philately

Through our auctions, which have spanned for over forty years, we have presided over the dispersal of hundreds of Grand Prix and Large Gold Medal collections, formed by collectors with the passion and resources to pursue their chosen fields over decades or even a lifetime. Thus, the idea was spawned to create deluxe publications and an on-line museum as additional services to eternalise a prized collection, allowing it to live on once it has been sold, thereby preserving it for future generations.

A modern presentation of collectors, their collections and their rarities  
via the latest internet technologies

By consigning a Grand Prix or a Large Gold Medal collection with us, make yourself eligible to participate in both the Great Philatelic Collections programme and the Museum of Philately digital application. These tools will allow you to immortalise your collection and, ultimately, to share your achievements in the world of philately with your loved ones and with the rest of the world.

INTERNATIONAL AUCTIONEERS

Following its fantastic re-discovery last year, and its exhibition in Europe, Asia, and America, the David Feldman company proudly presents for sale, on behalf of the Burrus family, the mythical Mauritius "Post Office" issue printing plate.

Engraved by Joseph Barnard in 1847 and used to print 500 stamps of each value from which

only a handful have survived, the "Post Office" printing plate has always been surrounded by a fascination only equaled by a few other items throughout the history of philately. Moreover, none other has achieved the degree of romance and mystery possessed by what has been called "the greatest philatelic treasure existing" and "the most expensive piece of copper in the world".

Have we not met before?

The 1d and 2d "Post Office" stamps sold by David Feldman S.A. in 1993 for Sfr. 1,610,000 and Sfr. 1,725,000 respectively face the clichés from which they were printed in 1847.

Do not miss the opportunity to own one of the most important pieces of philatelic history. The last time to see it in public before it is offered for sale on December 1<sup>st</sup> 2016, will be at the lot viewing at our offices in Geneva, from November 28 to December 1.
