We would like to thank everyone who participated in our Autumn Auction Series for helping to make it the success that it was.

David Feldman International Auctioneers prides itself in establishing top prices for both single rarities and entire collections. We are always looking for valuable single stamps, specialised collections and inherited estates to offer in our future auctions. We only sell properties consigned by third parties, and for that reason, every vendor can be assured that our interests are aligned to achieve the best possible result.

If you have any valuable philatelic items that you would like to consign, then please do not hesitate to contact us.
