# Introduction

**Marcus Orsi**  
Managing Director  
& Chief Philatelist

Ever since I started working with David Feldman I have had a close association with the Olympic Games as a philatelic thematic. During the 1980's I had the pleasure of describing the famous Acropolis collection that was sold over a series of five auctions and established David Feldman as the world leader in the sale of Olympic Thematics.

It is with great pleasure that we offer the fourth part of the John Loaring collection. John's collection has opened the way for us to explore the world of Olympic Memorabilia as well as continuing with a strong offering of philatelic items. With over 800 lots, I believe there is something for everyone.

Myself and the staff of David Feldman wish you success with your bids and satisfaction with your purchases.

A handwritten signature in blue ink, appearing to be 'M. Orsi'.

Geneva, May 2013

**SELLING WITH DAVID FELDMAN:** If the scope, presentation and results of this auction might get you to think about the eventual sale of your collection, please feel free to discuss with us, at no obligation, the possibilities we can offer you, and the best timing and location available. Please contact one of our philatelists at your convenience. Results - YOUR results - really matter to us - as we know they do to you!

## JOHN WILFRID LOARING

### A Biographical Sketch

#### Pre-Olympic Developmental Years

John Wilfrid Loaring was born in Winnipeg, Manitoba, Canada on August 3rd, 1915, and moved to Windsor, Ontario in 1926. Shortly before starting high school in 1929, he was stricken with rheumatic fever. His family doctor advised that his running days were over, but Loaring hoped otherwise. By 1934, Loaring was dominating 120yd hurdles and 440yd runs. At the Intra-Empire Schoolboy Games in Melbourne, Australia, on November 9th, 1934, Loaring won gold medals in the 120yd high hurdles and 4x440yd relay. In 1935-36, Loaring was Freshmen President, University of Western Ontario, London.

#### 1936 Olympic Games, Berlin, Germany

The first time Loaring competed in the 440yd hurdles was at the 1936 Ontario Championships, and he won. The first time he competed in the metric version of this event, the 400m hurdles with slightly different hurdle spacing, was at the 1936 Canadian Championships and Olympic Trials in Montreal, Quebec. At age 20, he won both the 400m hurdles and the 400m run, breaking the Canadian records for both.

Loaring's second competitive experience in the 400m hurdles was on his 21st birthday, August 3rd, in the heats at the 1936 Berlin Olympic Games. The following day, Loaring ran in both the semi-final and final of the 400m hurdles. He was the youngest finalist, winning the silver medal, 3/10ths of a second behind the American gold medalist, who had set World Records at both the 1932 Los Angeles Olympic Games and in 1934. On August 6th and 7th, Loaring ran four 400m races: first round, second round, semi-final, and final, in which he placed sixth.

On August 8th, Loaring anchored the 4x400m Canadian relay team. In the semi-final heat, Loaring received the baton ahead of Germany's Rudolf Harbig, who later, in 1939, broke World Records in the 400m and 800m runs. Loaring purposely slowed near the end, letting Harbig win in front of his countrymen, and knowing that a Canadian second would qualify for the final. However, in the final, Canada's third relay runner was fouled by an American runner, and Loaring received the baton seven meters

behind Harbig. Loaring nearly caught Harbig, with Germany and Canada receiving the same time, but Loaring behind by less than a metre -- Canada placing fourth.

International press reported that officials huddled about the obvious foul, but ultimately decided not to disqualify the USA team, because the

Canadian team hadn't protested. Such was the gentlemanly «roll-with-the-punches» sportsmanship and politics of that earlier time.

The popular German weekly, *Fussball*, selected Loaring as: "The toughest competitor of 1936..." The noted Olympic authors, Ross and Norris McWhirter, commented: "Loaring's competitive record at the 1936 Olympics...must just about represent the most severe test to which any Olympic athlete has ever been subjected." Loaring is still the only athlete to compete in all three Olympic male finals involving the

400m distance in any combination of Olympic Games, and he did so as he turned age 21, with World War II depriving him of two Olympic Games during his prime years.

#### Post-Olympic Performances

Immediately after Olympic Athletics events, Loaring competed in a British Empire vs USA Meet in London, England, on August 15th, 1936. In a four-by-two-lap steeplechase relay, Loaring ran the anchor leg in a World Best Time, winning gold for the British Empire Team. He overcame a 12yd lead of USA's anchorman, who had held the 3,000m steeplechase World Record until one week prior. This was Loaring's one and only steeplechase experience.

In the 1937 Pan-American Games in Dallas, Texas, Loaring's favourite 400m hurdles event wasn't on the program. However, he won a fourth-place medal in the 400m run. Three days later, Loaring competed in an Oxford-Cambridge versus Canada Dual Meet in Hamilton, Ontario. After winning the 220yd hurdles, Loaring upset Britain's Olympic silver and gold medalist while winning the 440yd run.

### **1938 British Empire Games, Sydney, Australia** (now called Commonwealth Games)

Loaring won three gold medals in the 440yd hurdles and two relays, as well as fifth place in the 440yd run. He is the only Canadian Athletics athlete to win three gold medals in a Commonwealth Games. Loaring tended to run to win rather than to set records, especially when running many races. In the 440yd hurdles final, he was very far ahead, and noticeably slowed toward the end, still winning by 15 yards. Despite slowing, he missed the World Record by only 3/10ths of a second, with 1938's World Best 440yd/400m hurdles time. In 1938, Loaring was awarded the J. W. Davies Trophy, as the year's top Canadian in Track, Field, Marathon, and Harrier competition.

### **Military Service**

In his last university year, Loaring wrote his final exams early, so that he could be in the first group of Royal Canadian Naval Volunteer Radar Officers on loan to the British, leaving Canada in April of 1940. In September of 1940, his destroyer was dispatched to pick up civilian survivors of a torpedoed liner. After explaining his life-saving skills to the ship's doctor, he was assigned five tiny lifeless bodies. Three were revived under Loaring's direction, and he was commended by the Ontario Branch of The Royal Life Saving Society.

He served as radar officer on H.M.C.S. Fiji, which ran out of ammunition during the Battle for Crete, and was sunk by a German bomber on May-22, 1941. 523 of the 764 naval personnel survived, clinging to wreckage until picked up a few hours later. Loaring was put ashore in Africa to recover from oil poisoning.

In 1942, while serving as Senior Technical Instructor for Radar Officers in Portsmouth, England, Loaring competed in track meets. For one of these, the local press hyped his 440yd hurdles World Record attempt, but Loaring had another focus: a 440yd run, giving a British Olympian a chance to avenge defeat by Loaring weeks earlier. This time, Loaring was only second, but, 45 minutes later, he won the 440yd hurdles, 9/10ths of a second off the World Record. This was amid wartime training restrictions, and 15 months after he had been put ashore in Africa after the Battle for Crete.

In 1943, Loaring was transferred to Saint-Hyacinthe, Quebec, to head Canada's Radar Training School until the end of the War. In 1946-47, as a Lieutenant-Commander, he was Commanding Officer of H.M.C.S. Hunter, Windsor.

### **Sports Service, Awards, and Legacy**

Loaring served in a broad variety of roles in Athletics, Road Running, Swimming, and Water Polo, as well as other sports through his general positions with the Canadian Olympic Association, the British Empire & Commonwealth Games Association, the Amateur Athletic Union of Canada, etc. He was an Athletics Official at the 1966 British Empire & Commonwealth Games at Kingston, Jamaica. Many sports events were named in his honour, and he was inducted into national and regional halls of fame.

Loaring died of cancer at age 54, on November 20th, 1969. Both he and his eldest son, John Jr., received "Most Memorable Athlete" awards for their respective decades in high school. John Jr. won the Royal Arcanum Award as Windsor's best all-round athlete, in his final high school year, 1963-64, and was on relay teams setting Canadian Records while at the University of Toronto. John Jr. was the third-generation owner of the Loaring family construction business. After designing and/or building in eight Canadian provinces and three USA states, with dozens of awards for design and construction excellence, John Jr. retired from construction in 2004, and continues with other family businesses.

John Jr.'s daughter, Charlotte, competed in Synchronized Swimming and Swimming, including the World High School Swimming Championships. She was Captain of the University of Toronto Swimming Team, which won the Canadian Championships. With two university degrees, she is a Registered Physiotherapist and owner of Loaring Physiotherapy & Health Centre in the Town of Tecumseh, on the east side of Windsor. John Jr.'s son, James, has a University of Windsor Business Degree. At the 2002 Triathlon World Championships, he won a bronze medal in the 25-29 age group, and subsequently has competed worldwide in the elite/professional category, with top-ten finishes at Triathlon World Cups. He is owner of Loaring Personal Coaching, based in Guelph, southwest of Toronto, Ontario.

In honour of their mother, and John Jr.'s late wife, Charlotte and James co-organize the biennial Loaring Triathlon at the family home at a Lake Erie beach in Essex, Ontario. Proceeds are donated to the Elena Loaring Memorial Fund for Breast Cancer Research, administered by The University of Windsor, with the Ontario Government matching all donations. The 2004, 2006, & 2008 events raised over \$100,000. Additional information is available via the web site: [www.loaring.com](http://www.loaring.com)

Visitez l'Olympiade 1928 à Amsterdam

J. PUISTER S. KRAMER

La photo ci-dessus présente deux journalistes Hollandais qui ont entrepris le Tour du Monde, important au point de vue scientifique et sportif.  
SPORTIF, vu que ce tour du monde constitue en même temps une réclame pour l'Olympiade 1928 à Amsterdam.  
Nous sommes parti le 4 mars 1923 et avons parcouru 24000 KM. à travers l'Europe et l'Afrique et sommes actuellement en route pour l'Amérique.  
Nous avons eu bien des aventures en Afrique et, ayant contracté de terribles fièvres, perdu deux de nos fidèles camarades.

## Liechtenstein Withdrawn Issue for the 1980 Olympic Games

### Attention! Remarques importantes

#### Destruction de la série «Jeux Olympiques Moscou 1980»

Cher collectionneur,

dans la séance du 29 avril 1980, le Gouvernement de la Principauté du Liechtenstein s'est occupé en détail de l'émission de timbres-poste à l'occasion des Jeux olympiques d'été à Moscou. Après avoir examiné tous les aspects à la lumière des répercussions que l'invasion soviétique de l'Afghanistan a sur les Jeux olympiques, le Gouvernement a décidé de **renoncer à l'émission des timbres spéciaux «Jeux olympique d'été 1980 à Moscou».**

L'émission des deux séries parallèles «50e anniversaire du Musée postal» et «Anciens ustensiles d'alpage» sera reportée au 8 septembre 1980. Le prospectus avec bulletin de commande vous sera transmis à la date habituelle (1<sup>re</sup> semaine juillet).

Par conséquence **aucun timbre-poste du Liechtenstein ne sera émis le 8 juin 1980. Le tirage complet des timbres olympiques a été détruit.**

**SERVICE PHILATELIQUE OFFICIEL**  
**FL-9490 Vaduz      Principauté de Liechtenstein**

40787 \*\*

Shortly before the day of issue, a few issued sets were rightfully given to journalists just before the boycott of the Moscow games came into effect. When the boycott was announced, the Postal Authority requested the immediate return of these sets and almost all recipients complied. The authorities then destroyed the entire stock.

20'000

Only two sets known in private hands. The other set was sold in 2002.

## The Unique Inverted Sheet of the Famous Withdrawn Issue

40812 \*\* 田

2004 €0.65 Sampanis Leonidas complete sheet of 20 with INVERTED PRINTING from the local digital printing at Thessaloniki (with city symbol at the lower right of both panes).

40'000

The local digital printing began on the 18th of August only one day after Sampanis won his medal, but sales were suspended at 3pm on the 23rd, after he twice failed a drugs test and had his gold medal stripped from him.

Also including the normal sheet of 20 from Thessaloniki, which currently catalogues at €600 for one sheetlet pane in Hellas. Only 1'000 sheets were printed at Thessaloniki, and due to their quick and unexpected withdrawal, complete sheets are rare.

A spectacular modern error and unique exhibition item for collectors of modern Greece issues or Olympics.

If desired, this lot can be offered for auction as two separate panes.

# Conditions of Sale

## The currency of the auction is the Euro (€)

Participation in any David Feldman S.A. auction means acceptance in full of the following conditions as well as any rights and obligations arising therefrom. These same conditions also apply to all transactions in auction lots taking place outside the realm of the auctions. DAVID FELDMAN S.A., organiser of the auctions, acts as an agent only and is not liable in any way whatsoever for any default(s) of purchaser(s) and/or vendor(s).

### 1. The auction lots are offered

**1.1** As presented in the relative auction catalogue and/or through the David Feldman S.A. website. Lots are meticulously described and with the greatest care, however without responsibility. Photographs count as part of the description with regard to the margins, perforation, centering, postmarks and all other visible attributes. The descriptions of the lots mention if the items are signed by recognised experts and/or accompanied by expert certificates.

**1.2** As viewed in person: before and during auction sales, persons or their agents may examine lots at our offices or at the auction location, and must confirm their auction invitation before viewing. Persons or their agents attending a Live Room auction by invitation and/or who have viewed lots before an auction are understood to have examined all lots which they purchase and accept them as they are at the moment of the knocking-down and not necessarily as described.

### 2. Auction bids

**2.1** The auction bid steps for all auctions are as follows: (some auctions may be in other currencies than Euros)

€ 50 - 100	€ 5	€ 2'000 - 5'000	€ 200
€ 100 - 200	€ 10	€ 5'000 - 10'000	€ 500
€ 200 - 500	€ 20	€ 10'000 - 20'000	€ 1'000
€ 500 - 1'000	€ 50	€ 20'000 - 50'000	€ 2'000
€ 1'000 - 2'000	€ 100	€ 50'000 - 100'000	€ 5'000

Bids between these steps will be adjusted accordingly to the next highest bid step. The bidder is bound by his offer until a higher bid has been validly accepted.

**2.2** DAVID FELDMAN S.A. has full discretion to refuse any bidding, to divide any lot or lots, to combine any two or more lots and to withdraw any lot or lots from the sale without in any case giving any reason. DAVID FELDMAN S.A. may also bid on behalf of vendors in cases where reserve prices have been fixed. In these cases, the vendor is treated as a buyer and the auctioneer shall bid on his behalf up to reserve prices. If the reserve price fixed by the vendor is not reached, the auctioneer passes to the next lot by a simple knock of the hammer.

**2.3** Bid orders are only accepted from registered clients of DAVID FELDMAN S.A. and/or its associated companies. Live Room bidders must confirm their invitation prior to obtaining a bidding number.

**2.4** Bid orders received by DAVID FELDMAN S.A. including via its website before the relative auctions have priority over room bids in the case of Live Room auctions. Clients giving bidding instructions to DAVID FELDMAN S.A. may make alternative offers and/or limit the total of their expenditure in advance. Bids marked "BUY" are considered as up to ten times the quoted estimate price where such exists. Bids made in other currencies than the advertised currency of the auction will be converted into that currency at the market rate of the day of receipt by DAVID FELDMAN S.A. Bids are standing and hold good for at least 60 days from the auction period. DAVID FELDMAN S.A. reserves the right to invoice bidders up to the end of the 60 day period, payment being due immediately.

### 3. The auction

**3.1** Unless explicitly stated otherwise, the currency of the auction is Euros. Attendance at the Live Room auction is reserved for invited clients and/or their agents.

**3.2** Prerogatives of David Feldman S.A.: DAVID FELDMAN S.A. may withdraw, group differently, divide or refuse to knock down any lot. DAVID FELDMAN S.A. reserves the right to refuse any bid orders and/or for Live Room auctions, refuse admittance to the auction room, at its discretion, to anybody whomsoever. DAVID FELDMAN S.A. cannot be held responsible for any physical accident that may occur on the premises where auctions take place. In the case a bone fide offer for the entire collection presented in this catalog is received at least two weeks before the auction date, and would be accepted by the vendor and the auctioneer, it may be withdrawn from sale and the auction offer cancelled.

**3.3** Bidders' representatives and auction agents: any person

bidding for the account of a third party is fully liable for any obligation arising from such bidding. This responsibility is notably applicable for the verification of the condition and for the payment of purchased lots.

**3.4** Winning Bids: each lot is sold on behalf of the respective owner to the highest bidder who becomes the buyer at one bid step over the next highest bid step; this is the knock-down price. In addition to the knock-down price, the buyer pays an all-in fee of 20% to cover commission, charges and expenses including lotting fees, insurance, packing, export formalities etc. whether all incurred in particular cases or not. Cost of postage or shipping for all lots is additional and will be invoiced separate from the buyer all-in fee. On the knock of the hammer, liability for the lots passes to the bidder whose bids have been accepted. The lots are delivered to the buyer when the total sale price (knock-down price plus all fees including postage or shipping) have been paid in full.

VAT (Sales Tax) - Notes for guidance concerning auctions for which the lots are located in Switzerland: buyers domiciled abroad are not liable for this tax once the goods are duly exported from Switzerland. DAVID FELDMAN S.A. are pleased to arrange this export; alternatively, clients may make their own arrangements and furnish DAVID FELDMAN S.A. with proof of export, stamped by Swiss customs. Any purchases by buyers who wish to keep their purchases in Switzerland will be liable to VAT at 8% of the purchase price in Swiss Francs at the converted Euro value during the auction.

**3.5** Payment: Sale price plus commission and postage or shipping (if any) are due for immediate payment as invoiced against delivery of the lots. Payment in other currencies is accepted at the rates of exchange of the day as quoted by a major Swiss bank. The bidders who are successful with whom it has been expressly agreed that they pay after the sale under special conditions, are due to pay the sale price and the commission according to those terms. In these cases, DAVID FELDMAN S.A. keeps the relevant lots which are delivered to the buyers on full settlement of their account. Delivery of the purchased lots by post, courier or any other means if instructed by the buyer including cost of normal transit insurance cover is at the expense of the buyer. Title or ownership of the purchased lots, delivered or not, remains with the auctioneer on behalf of the seller until payment has been made in full.

**3.6** Special extended payment facility: DAVID FELDMAN S.A. may offer a special extended payment facility for buyers. In these cases, the buyer may choose to pay a minimum of 25% of the total invoice immediately, and the balance over a maximum period of 6 months, paying an equal instalment at the end of each month. Interest plus charges of 1% is debited to the buyer's account at the end of each month from the auction date. When the special extended payment facility has been granted, the buyer understands that any claims regarding his purchases must be made within 30 days of the auction sale date, even though the lots may be held by DAVID FELDMAN S.A. awaiting full settlement of the account. Until delivery, all lots may be examined by their respective buyers at the offices of DAVID FELDMAN S.A.

**3.7** Pledge: until full settlement of the account, the buyer grants to DAVID FELDMAN S.A. a pledge on any and all properties held by DAVID FELDMAN S.A., acquired prior to, during and/or after any auction. This pledge secures the repayment of any amount due in principals, interests, commissions, costs and other possible fees. DAVID FELDMAN S.A. is entitled, but not obliged, to realise freely the pledge assets without further formalities and without previous notice if the buyer is in default with the payment of his debts or with the fulfilment of any other obligation hereunder. For this purpose, DAVID FELDMAN S.A. is not bound to comply with the formalities of the Federal Law dealing with actions for debt and bankruptcy proceedings; in addition, DAVID FELDMAN S.A. may choose to institute or go on with the usual proceedings without having beforehand sold the pledged goods and without having moreover given them up.

### 4. Guarantee

**4.1** Extent of the guarantee: subject to paragraph 4.3 below, the authenticity of all philatelic items sold in the auction is guaranteed for a period of 30 days from the auction date, with the express exclusion of any other fault(s). Any reclamation regarding authenticity must come to the notice of DAVID FELDMAN S.A. on the delivery of the

lots but at the latest within 30 days from that date. Before delivery, which may take place after the 30 days period, the lots purchased may be examined at the Geneva offices of DAVID FELDMAN S.A. The buyer whose reclamation is made after 30 days from the auction date loses all rights to the guarantee. Such reclamation will not be valid by DAVID FELDMAN S.A.. If an extension of the period is required in order to substantiate the claim with an expertise, a request for such extension must be made to DAVID FELDMAN S.A. within 30 days of the auction date. No request for extension will be considered beyond this 30 days period. An extension will expire 3 months after the date of the auction; the results of the expertise for which an extension was agreed must come to the notice of DAVID FELDMAN S.A. within that period. No further extension of the period will be considered without the express written agreement of DAVID FELDMAN S.A. Only claims, expertise results or other details which are made within the agreed periods will be valid.

**4.2** Expertise and counter-expertise: should the authenticity of a lot be questioned, the buyer is obliged to provide an expertise or counter-expertise from a prominent expert in the field, justifying the claim. If a stamp is found by a recognised expert, taking financial responsibility for errors, to have been forged, he may mark it accordingly. Consequently, the marking "FALSCH" (forged) is not considered an alteration. In the case of such reclamation, DAVID FELDMAN S.A. reserves the right to request, at its own discretion, one or more further expertise(s). All expertise and relative charges accrue to the vendor's account in the case of a justified claim, or to the buyer's account if the claim is not justified. In the case of a justified claim, the lot is taken back and the knock-down price plus the commission are refunded to the buyer. In the case of delayed payment due to expertise agreed by David Feldman S.A., interest is charged at 50% of the standard rate for all cleared lots. If David Feldman S.A. has not agreed, then full interest is due.

**4.3** Exclusions: lots described as collections, accumulations, selections, groups and those containing duplicates cannot be the subject of any claim. Claims concerning lots described as a set or groups of sets containing more than one stamp, can only be considered under the terms of paragraph 4.1 above if they relate to less than one third of the total value of the lot. Lots which have been examined by the buyer or his agent, lots described as having defects or faults cannot be subjected to a claim regarding defects or faults. Illustrated lots cannot be subjected to a claim because of perforations, centering, margins or other factors shown in the illustrations.

**4.4** Late Payment: if payment of the knock-down price plus commission due by the buyer is not made within 30 days of the date of the auction, DAVID FELDMAN S.A. reserves the right to cancel the sale and dispose of the lot(s) elsewhere and/or to make a recourse to any legal proceedings in order to obtain payment of the amounts due as well as for any incurred damages and losses and any legal expenses. A charge on overdue payment of at least 5% for the first month and 2% per month afterwards plus expenses incurred is chargeable on any outstanding amount after 30 days of the date of the auction. The buyer who is in default in any way whatsoever has no right of claim under any circumstances.

**4.5** Exceptionally, the knock-down price will be reduced to the lowest winning bid where it is shown that the exact same buyer has inadvertently increased the price by using more than one medium of bidding on the same lot.

### 5. Applicable law and jurisdiction

Unless otherwise stated, all auctions as well as any rights and obligations arising from them shall be governed exclusively by Swiss law. Any legal action or proceeding with respect to the auctions shall be submitted to the exclusive jurisdiction of the courts of Geneva, subject to appeal to the Swiss Federal Court in Lausanne. In every case, DAVID FELDMAN S.A. shall also be entitled, at its discretion, to sue any buyer in default at his place of residence; in such case, Swiss law shall remain applicable and in the case of issues regarding price value, the Euro is converted at its Swiss franc value at the time of the auction.

### 6. All Transactions:

Les photographies font partie intégrante des descriptions pour ce qui est des marges, de la dentelure, du centrage, des oblitérations et de toute autre qualité apparente. ### 2. Les offres d'enchères

**2.1** Chaque offre d'enchère doit être supérieure à celle formulée précédemment selon l'échelle suivante: (la monnaie peut changer selon la vente aux enchères)

€ 50 - 100	€ 5	€ 2'000 - 5'000	€ 200
€ 100 - 200	€ 10	€ 5'000 - 10'000	€ 500
€ 200 - 500	€ 20	€ 10'000 - 20'000	€ 1'000
€ 500 - 1'000	€ 50	€ 20'000 - 50'000	€ 2'000
€ 1'000 - 2'000	€ 100	€ 50'000 - 100'000	€ 5'000

Les offres se situant entre ces montants seront arrondies à la surenchère supérieure. L'enchérisseur est lié par son offre tant qu'une nouvelle surenchère n'a pas été valablement formulée par un autre enchérisseur.

**2.2** DAVID FELDMAN S.A. a le droit de refuser des enchères, de séparer, joindre ou retirer n'importe quel lot, cela à son entière discrétion. La vente a lieu en français mais les enchères pourront être répétées en anglais. La Maison DAVID FELDMAN S.A. est également autorisée à enchérir pour le compte de vendeurs lorsque des prix de réserve ont été fixés. Si le vendeur fixe des prix de réserve pour certains de ses lots, il sera alors considéré comme acheteur et la Maison DAVID FELDMAN S.A. enchérira pour le compte de celui-ci jusqu'à concurrence des prix de réserve fixés. Lorsque le prix fixé par le vendeur n'est pas atteint, il sera passé à la crie du lot suivant par un simple coup de marteau.

**2.3** Seuls les clients enregistrés auprès de DAVID FELDMAN S.A. ou/et des sociétés affiliées pourront enregistrer des enchères. Les clients en salle doivent confirmer leur invitation pour obtenir leur numéro d'enchérisseur.

**2.4** Les offres d'enchères écrites reçues par David Feldman SA ou sur le site Internet avant la vente, sont dans tous les cas prioritaires sur les offres d'enchères faites dans la salle de vente. L'enchérisseur donnant un ordre d'enchères écrit peut faire des offres alternatives et/ou limiter le montant global de ses offres. Les offres d'enchères données «à acheter» sont considérées comme pouvant atteindre jusqu'à 10 fois la valeur de l'estimation imprimée dans le catalogue. Les enchères doivent être faites en euros. Les offres d'enchères libellées en d'autres monnaies seront converties en euros au cours du jour de leur réception par la Maison DAVID FELDMAN S.A. Toute offre écrite d'enchères est considérée comme liant son auteur pendant 60 jours après la date de la vente aux enchères. La Maison DAVID FELDMAN S.A. est donc en droit de facturer la marchandise à l'enchérisseur jusqu'à l'expiration de ce délai. Toute facture reçue par celui-ci est de ce fait valable et doit être payée immédiatement.

### 3. La vente aux enchères

**3.1** A moins que ce ne soit explicitement indiqué, la monnaie de la vente aux enchères est l'euro. L'accès à la salle des ventes est exclusivement réservé aux clients invités et/ou leurs agents.

**3.2** Prérogatives de David Feldman S.A.: La Maison DAVID FELDMAN S.A. est en droit selon sa libre appréciation de retirer, de diviser ou de grouper les lots faisant partie de la présente vente ainsi que de refuser l'adjudication de n'importe lequel desdits lots. La Maison DAVID FELDMAN S.A. se réserve le droit de refuser selon sa libre appréciation toute offre d'enchères et/ou l'entrée de la salle de vente à n'importe quelle personne quelle qu'elle soit. La Maison DAVID FELDMAN S.A. n'assume aucune responsabilité quelconque en cas de dommage corporel survenu sur les lieux de la vente.

**3.3** Représentants et Agents de Vente aux Enchères: L'enchérisseur qui agit pour le compte d'un tiers engage

son entière responsabilité personnelle en particulier en ce qui concerne toutes les obligations contractées dans le cadre de la présente vente. Cette responsabilité s'étend notamment à la vérification de la qualité des lots achetés ainsi qu'au règlement ultérieur de la facture des lots acquis.

**3.4** Enchères gagnantes : Chaque lot est adjugé au plus offrant pour le compte de son vendeur respectif. Des frais de 20% sont facturés en sus de l'enchère la plus haute par David Feldman SA couvrant la commission, frais par lot, assurance, emballage, frais d'exportation etc. et ceci dans tous les cas, tous frais encourus ou pas. Les frais de port sont facturés en sus et seront facturés séparément. A la tombée du marteau, les profits et risques des lots ainsi adjugés passent à l'enchérisseur dont l'offre a été acceptée. La marchandise ne sera cependant remise à l'acquéreur qu'au moment du règlement intégral du prix d'achat (prix marteau plus les frais).

TVA (Taxe à la vente) - Note indicative concernant les ventes aux enchères dont les lots se trouvent en Suisse: Les acheteurs domiciliés à l'étranger ne sont pas soumis à cette taxe, à condition que les marchandises soient exportées hors de Suisse. DAVID FELDMAN S.A. se fera un plaisir de s'occuper de l'exportation de ces marchandises. Les clients peuvent aussi faire cette exportation par leurs propres moyens; dans ce cas, ils doivent fournir à DAVID FELDMAN S.A. une attestation dûment signée et timbrée par les douanes suisses. Toute acquisition par des acheteurs désirant garder la marchandise en Suisse est soumise à la taxe TVA de 8% sur le prix d'achat en francs suisses, montant converti à l'équivalent en euros pendant la vente.

**3.5** Paiement: Les adjudicataires présents sont tenus de payer comptant en euros le prix d'achat et la commission contre remise de la marchandise acquise. Le paiement en d'autres monnaies est accepté au cours du jour tel qu'établi par une des grandes banques suisses. Les enchérisseurs par correspondance auxquels un lot est adjugé ainsi que les adjudicataires présents auxquels la Maison DAVID FELDMAN S.A. accorde l'autorisation expresse d'acquiescer les montants dus après la vente, sont tenus de payer le prix d'achat et la commission due à réception de la facture de la vente aux enchères. Dans ce cas, la Maison DAVID FELDMAN S.A. conserve les lots gagnés qui ne seront remis à leurs acheteurs qu'à réception par DAVID FELDMAN S.A. du paiement intégral des montants dus. Sauf instructions spéciales de l'acheteur, l'envoi des lots s'effectue par la poste ou autre société d'expédition, la Maison DAVID FELDMAN S.A. assure, de manière usuelle, la marchandise pour le transit. Les lots, délivrés ou non, conservent titre de propriété de la Maison DAVID FELDMAN S.A. pour le compte du vendeur jusqu'au paiement intégral de la facture.

**3.6** Facilités de paiement: La Maison DAVID FELDMAN S.A. accorde, selon sa libre appréciation, des facilités de paiement aux acheteurs. L'acheteur au bénéfice de telles facilités paie un montant minimum de 25% du montant total de la facture dès réception de celle-ci puis acquitte le solde encore dû en mensualités égales sur une période de 6 mois maximum. Un intérêt mensuel plus les frais encourus au taux de 1% sont perçus, à partir de la date de la vente, par la Maison DAVID FELDMAN S.A. L'intérêt est débité chaque mois au compte du client. En cas d'octroi de facilités de paiement, la Maison DAVID FELDMAN S.A. garde les lots adjugés jusqu'au paiement intégral des montants dus par l'acheteur, étant précisé que l'acheteur peut, en tout temps avant livraison, examiner la marchandise acquise auprès de la Maison DAVID FELDMAN S.A. Par ailleurs, l'acheteur perd tout droit de réclamation tel que prévu sous chiffre 4 ci-dessous, 30 jours après la date de la vente aux enchères.

**3.7** Droit de gage: Jusqu'au paiement intégral du montant dû, l'acheteur confère à DAVID FELDMAN S.A. un droit de gage sur la totalité des lots gardés par DAVID FELDMAN S.A., acquis avant, pendant et/ou après la présente vente aux enchères. Ce gage garantit le remboursement de tout montant dû en capital, intérêts, commissions et frais éventuels. DAVID FELDMAN S.A. est autorisée, mais non obligée, à réaliser les gages sans autres formalités et sans préavis si l'acquéreur est en demeure pour le paiement de sa dette ou l'exécution d'une obligation quelconque. DAVID FELDMAN S.A. pourra dans tous les cas réaliser les gages de gré à gré. A cet effet, elle n'est pas tenue d'observer les formalités prévues par la Loi fédérale sur la poursuite pour dette et faillite; DAVID FELDMAN S.A. est libre en outre d'introduire ou de continuer une poursuite ordinaire, sans avoir préalablement réalisé les gages et sans renoncer pour autant à ceux-ci.

### 4. Garantie

**4.1** Etendue de la garantie: Sous réserve de l'article 4.3 ci-après, l'authenticité de toutes les pièces philatéliques vendues aux enchères est garantie pendant 30 jours à compter de la date de la vente aux enchères. Toute garantie de défaut ou autre garantie de quelque nature qu'elle soit est expressément exclue. Toute réclamation concernant l'authenticité doit être transmise à DAVID FELDMAN S.A. dès réception des lots, mais au plus tard dans les 30 jours à compter de la date de la vente aux enchères. Avant la livraison, qui peut intervenir après ce délai de 30 jours,

les pièces philatéliques acquises peuvent être examinées auprès de DAVID FELDMAN S.A. L'acheteur dont la réclamation parvient à DAVID FELDMAN S.A. après ce délai de 30 jours à compter de la date de la vente aux enchères perd tout droit à la garantie. Sa réclamation ne sera pas prise en considération par DAVID FELDMAN S.A. Si un délai supplémentaire pour formuler une réclamation liée à l'authenticité d'une pièce philatélique s'avère nécessaire, la demande doit en être faite à DAVID FELDMAN S.A. dans le délai de 30 jours à compter de la date de la vente aux enchères. Aucune demande parvenue après ce délai de 30 jours à DAVID FELDMAN S.A. ne sera prise en considération. Le délai d'extension expirera 3 mois après la date de la vente aux enchères. Les résultats de l'expertise pour laquelle un délai a été accepté doivent parvenir à DAVID FELDMAN S.A. dans ce délai. Un délai supplémentaire ne peut être accordé qu'avec l'accord écrit de DAVID FELDMAN S.A. Seules les réclamations, résultats d'expertise ou autres notifications parvenus dans les délais seront pris en considération par DAVID FELDMAN S.A.

**4.2** Expertise ou contre-expertise: Lorsque l'authenticité d'un lot est contestée l'acheteur est tenu de produire un certificat d'expertise ou de contre-expertise émanant d'un expert qualifié justifiant sa réclamation. Si l'expert reconnu, assumant toute responsabilité en cas d'erreur, juge que le timbre a été falsifié, il peut le marquer en conséquence; les signes «FAUX» ou «FALSIFIE» ne constituent pas alors une altération du lot. En présence d'une telle réclamation DAVID FELDMAN S.A. se réserve le droit de demander selon la libre appréciation une ou plusieurs expertises subséquentes dont les frais seront mis à charge du vendeur dans l'hypothèse où la réclamation de l'acheteur est fondée. Dans le cas contraire l'acheteur supportera tous les frais d'expertise encourus. Lorsque la réclamation est fondée, le lot est repris et le prix d'adjudication ainsi que la commission sont intégralement remboursés à l'acheteur. Dans le cas d'un paiement retardé dû à une expertise agréée par David Feldman S.A., des intérêts sont payables à 50% du taux habituel pour tout lot dont l'authenticité est confirmée. Si David Feldman S.A. n'est pas d'accord tous les intérêts seront dus.

**4.3** Limites de la garantie: Les lots décrits comme collections, sélections ou groupes, ceux formés de doubles et d'accumulations, ne peuvent faire l'objet d'une réclamation quelconque. Les réclamations concernant les lots décrits comme série ou groupes de séries contenant plus d'un timbre, ne sont prises en considération dans les limites de l'article 4.1 ci-dessus que si elles portent sur plus d'un tiers de la valeur totale d'acquisition du lot. Les lots qui ont été examinés par l'acheteur ou son agent, ainsi que les lots qui sont décrits comme ayant des défauts ne peuvent faire l'objet d'aucune réclamation par rapport à ceux-ci. Tout lot illustré ne peut faire l'objet d'aucune réclamation au sujet de la perforation, du centrage, des marges ou tout autre élément visible dans l'illustration.

**4.4** Paiement tardif: Si le paiement du prix marteau et de la commission due par l'acheteur n'intervient pas dans les 30 jours à compter de la date de la vente aux enchères, DAVID FELDMAN S.A. se réserve le droit d'annuler la vente et de disposer du(des) lot(s) concerné(s) et/ou d'agir par toute voie de droit utile contre l'acquéreur afin d'obtenir les paiements en souffrance plus un intérêt d'au moins 5% dès le premier mois et 2% par mois supplémentaire. De plus, les dépenses encourues seront perçues sur toutes les sommes dues par l'acheteur 30 jours après la date de la vente aux enchères. Le débiteur défaillant perd en outre tout droit de réclamation.

**4.5** Le prix marteau pourra, exceptionnellement, être ramené à la mise gagnante la plus basse s'il est établi que le même enchérisseur a augmenté le prix par inadvertance en utilisant plus d'un moyen de miser.

### 5. Droit applicable et juridiction

La présente vente aux enchères ainsi que tous les rapports juridiques qui en découlent seront soumis au Droit suisse exclusivement. Toute action légale ou procédure concernant la vente aux enchères ainsi que les rapports juridiques qui en découlent seront soumis à la juridiction exclusive des tribunaux de Genève, sous réserve d'appel au Tribunal fédéral suisse à Lausanne. Dans tous les cas, DAVID FELDMAN S.A. se réserve le droit de poursuivre tout acheteur défaillant à son lieu de résidence, auquel cas le Droit Suisse reste applicable et dans les cas se rapportant à la valeur, l'euro étant converti à son équivalent en francs suisses pendant la vente.

### 4. Garantie

4.1 Umfang: Unter Vorbehalt des nachstehenden Paragraphs 4.3. ist die Echtheit aller bei Versteigerungen verkauften philatelistischen Artikel während 30 Tagen nach dem Versteigerungsdatum garantiert. Jegliche andere Garantie oder Garantie für Fehler ist ausdrücklich ausgeschlossen. Jegliche Reklamation bezüglich Echtheit muss unverzüglich nach Erhalt der Lose an DAVID FELDMAN S.A. gerichtet werden, spätestens jedoch innerhalb 30 Tagen nach Versteigerungsdatum. Vor der Zustellung, die nach der 30-Tage-Frist erfolgen kann, können die erstandenen philatelistischen Artikel bei DAVID FELDMAN S.A. besichtigt werden. Ein Käufer, dessen Reklamation nach der Frist von 30 Tagen ab Versteigerungsdatum bei DAVID FELDMAN S.A. eintrifft, verliert jegliches Anrecht auf die Garantie. In

diesem Fall wird die Reklamation von DAVID FELDMAN S.A. nicht anerkannt.

Wird im Falle einer Reklamation bezüglich der Echtheit eines philatelistischen Artikels eine Fristverlängerung benötigt, muss diese innerhalb 30 Tagen nach Versteigerungsdatum bei DAVID FELDMAN S.A. beantragt werden. Kein solcher Antrag, welcher nach dieser 30-Tage-Frist bei DAVID FELDMAN S.A. eintrifft, wird in Betracht gezogen. Die Prüfergebnisse, für deren Einholung eine Fristverlängerung gewährt wurde, müssen bei DAVID FELDMAN S.A. innerhalb von 3 Monaten nach dem Versteigerungsdatum vorliegen. Eine weitere Fristverlängerung kann nur mit schriftlicher Einwilligung von DAVID FELDMAN S.A. gewährt werden. Nur diejenigen Reklamationen, Prüfergebnisse sowie andere Mitteilungen, die innerhalb der vorgeschriebenen Fristen eintreffen, werden von DAVID FELDMAN S.A. in Betracht gezogen.

4.2 Atteste und Gegenatteste: Bei Echtheitszweifeln obliegt es dem Käufer, als Rechtfertigung seiner Reklamation ein Attest oder Gegenattest von einem für das betreffende Sammelgebiet anerkannten Prüfer beizulegen. Wird eine Marke von einem anerkannten und für Irrtümer haftenden Prüfer als falsch erkannt, kann er sie entsprechend kennzeichnen. Das Zeichen FALSCH gilt dabei nicht als Veränderung. Bei derartigen Reklamationen behält DAVID FELDMAN S.A. es sich vor, nach eigenem Ermessen ein oder mehrere Atteste anzufordern. Alle Prüfkosten und diesbezügliche Ausgaben fallen bei gerechtfertigter Beanstandung zu Lasten des Einlieferers, anderenfalls jedoch zu Lasten des Käufers. Bei gerechtfertigter Beanstandung wird das Los zurückgenommen und die Zuschlagssumme sowie Aufgeld an den Käufer zurückerstattet. Falls infolge einer Expertise, mit Uebereinstimmung der DAVID FELDMAN S.A. Zahlungsverzögerungen entstehen, werden 50% der üblicherweise belasteten Zinsen auf jedes Los, dessen Echtheit einwandfrei bewiesen ist erhoben. Ansonsten werden die Standardzinsen berechnet.

4.3 Begrenzung: Lose, die als Sammlungen, Sammellose, Dublettenposten oder Anhäufungen beschrieben sind, haben keinerlei Anrecht auf Reklamation. Beanstandungen von Losen, die als Serien oder Gruppen von Serien aus mehr als einer Briefmarke bestehend beschrieben sind, werden in Grenzen des obigen Punktes 4.1. nur in Betracht gezogen, wenn sie mehr als ein Drittel des Gesamtkaufwerts des entsprechenden Loses darstellen. Für Lose die vom Käufer oder dessen Agenten besichtigt wurden oder mit Fehlern beschrieben sind können deshalb nicht beanstandet werden. Abgebildete Lose können nicht beanstandet werden wenn es sich um Zähnungsfehler, Zentrierung, Rand oder andere im Bild ersichtliche Fehler handelt.

4.4 Zahlungsverzug: Geht die Zahlung der Zuschlagssumme und das Aufgeld nicht innerhalb von 30 Tagen nach Versteigerungsdatum ein, behält DAVID FELDMAN S.A. es sich vor, entweder das Kaufgeschäft aufzuheben und über die Lose anderweitig zu verfügen und/oder auf Zahlung des Kaufpreises und Schadenersatz, sowie auch gesetzliche Abgaben zu klagen. Bei Nichtzahlung ausstehender Beträge innerhalb von 30 Tagen nach Versteigerungsdatum, werden Verzugszinsen von wenigstens 5% im ersten Monat und 2% in den darauffolgenden Monaten erhoben; entstandene Unkosten sind ebenfalls zurückzuerstatten. Der in Verzug geratene Käufer verliert in jedem Fall sein Reklamationsrecht.

4.5 Der Zuschlagspreis kann ausnahmsweise auf das tiefste Gebot vermindert werden, wenn der Bieter versehentlich den Preis, durch eine andere Bietermöglichkeit, erhöht hat.

Erhaltung.

**Please note:** Light edge wear, top backflap faults, slight reductions at one side, and file folds are normal for 19th Century covers. They are to be expected and are not always described, and are not grounds for return, nor are factors visible in the illustrations. We will gladly provide full-size scans on request.

**Prière de noter :** De légères traces d'usures, défauts au rabat, de légères réductions sur un côté et des plis d'archives sont des caractéristiques normales pour des lettres du 19ème siècle. De légères améliorations au niveau de la propreté ainsi qu'un éventuel ajout de quelques renforts sont également acceptables et ne figurent pas nécessairement dans les descriptions. Ces points ainsi que tous les éléments visibles au niveau de l'illustration ne peuvent par conséquent pas être sujets à réclamation. Des scans supplémentaires d'une pièce peuvent être envoyés sur simple demande.

**Bitte beachten:** Leichte Eckabnützungen, Mängel der Absenderklappe, leichte Reduktionen an einer Seite und Archivierungsbügel sind als normal für Briefe des 19. Jhdts. anzusehen, ebenso gelten als «normal» leichte Reinigung, kleine (minimale) Stockflecken oder Rissen und Bügel entlang der Briefkanten - diese sind zu erwarten, zu akzeptieren und nicht immer beschrieben (zumeist aber am photo und/oder scan ersichtlich) - diese stellen daher keine Grundlage für Retournierungen dar, ebenso wie auf den photos resp. scans klar ersichtliche Faktoren - Fotos und scans sind immer auch Teil der Beschreibung. Im Zweifel können Sie von uns VOR DER Auktion jederzeit Photokopien oder besser auflösende scans verlangen und werden wir Ihnen diese gerne zusenden bzw. mailen.
