FRANZÖSISCHE POST IN SHANG-HAI

Punktrahmenentwertungen mit der grossen Nummer "5104" von Shang-Hai auf Freimarken (Napoleon III ohne und mit Lorbeerkranz).

Die im Inland weniger vorkommende 5 francs Marke wurde in den Auslandspostbüros häufiger gebraucht.

1863 (29. Mai) Brief vom französischen Postbüro in Shang-Hai nach Biel, Schweiz. Porto 1-20 francs vorabbezahlt bis Biel ("P.D." = port payé jusqu'à destination). Mit britischem Dampfer ("Aden"), was aus dem Eingangsstempel in Marseille ("auhet d'entre") ersichtlich ist: "Paquet(s) Angl(s) et(s) Soez Ambrulant(s) Marseille)". Dieser Weg war teurer als über die weniger häufig zirkulierenden französischen Dampfer.

Die Adresse war mit Absicht über die Frankatur geschrieben, damit diese auf dem Weg zur Post - z.B. durch Diebstahl - nicht abhanden kam.

1920-24, EXTENSIVE POSTAL HISTORY COLLECTION OF THE INFLATION PERIOD, housed in 32 old time German albums. Hundreds of covers displaying a myriad of usages, rates, etc. with einzel franks, mehrfranks, etc. certainly with representation of most stamps of the period. The collector of this immense holding appears to have placed catalogue figures on each cover, and there are many €50 to €1'000+ items, but this does not allow for premiums related to such things as illustrated advertising of which there are many nice ones here, virtually every cover is expertised. The total catalogue value should be around €188,000 for this fine chronicle of a fascinating period of postal history. The two most amazing covers are Michel 321BP einzel frank (€10'000) which is also a commercial FDC, and Michel 315a in 5 full sheets, 520 stamps attached to a single cover - a truly spectacular extreme of the inflation period (with stamps alone cataloguing at €14'000) (Est. € 12'000/18'000)

THE ONLY KNOWN EXAMPLE OF THE 1918 10K DARK VIOLET ON COVER

- 40692 ☒ 1918 3h to 10K "Trentino" overprints, the set of eighteen values including the extremely rare 10K Dark Violet (Scott N50, \$77,500 mint, not priced used), tied by December 20, 1918 Trentino postmarks to large registered cover addressed locally, folded vertically not affecting the stamps or markings. Besides being the ONLY KNOWN example of the 10K Dark Violet on cover, the 2K is the granite paper printing (Scott N51, unpriced used), and the 90h and 4K are rarities on cover also. A stunning and magnificent showpiece of these issues.

Only 31 of the 10K value were issued, from two printings, and only 11 were in the Dark Violet colour; this stamp is from the second printing (which included 10 of the 10K Dark Violet). Included is collateral material, mostly letters from people involved with this issue: one from the owner of two examples of the 10K first printing (including the unique 10K Dark Violet, received at the time of issue), and others from dealers of the period

Expertise: accompanied by two Raybaudi certificates (1981 & 1984), 1988 E.Diena certificate, plus one from the Schweizer Philatelistenvereine issued to E. Luder & Co. in 1941

1875-97, NORWEGIAN MISSIONARY MAIL IN MADAGASCAR: This collection of 33 covers, mostly devoid of postal markings, nearly all to or from the Reverend Aas at various mission stations throughout Madagascar, is one of the scarcest groups of postal history extant for the island. While many were privately carried, or via forwarding agents, others were sent via consular and government officials (of the Madagascar government). We believe that it would be impossible to match or duplicate such a holding, which largely encompasses the period before any postage stamps (or, for that matter, postal markings) were available, lot contains also two examples of the first missionary stamps (Est. € 3'000/4'000)

Polish Levant

Lot N°	Symbol(s)	Page	Description	Estimate (€)
40750	✉	122	Remarkable Showpiece of Polish Stamps Used from Constantinople 1919 Two 50f, one 1.50M and two 2.50M values all tied with three strikes of the Polish Post Constantinople single-ring cds dated 19 II 1920 (in error for "1921"), sent registered to Warsaw and showing circled "Wr.1" censor hs on front and 4 III 21 arrival on reverse. As the cover could only have been sent in 1921, the wrong date in the Polish Constantinople cds can be explained by the trouble in supplying a new date slug from Warsaw, owing to the depredations and chaos from the recent Russo-Polish War. Realised CHF 18'000+ in 1993 One of only two registered covers known with similar franking used to Warsaw. An important showpiece for Foreign Offices in the Levant and in excellent condition given its size.	4'000
40751	✉	122	1919 Complete first issue, original printing, tied to unaddressed Polish Consulate envelope by 1.VII.1919 double-circle Polish Post Constantinople cds, a gorgeous showpiece, each stamp with Ryblewski hs and whole envelope signed and cert. Mikulski (1988)	2'000
40752	✉	128	1919 Complete first issue, original printing, tied by single-circle Polish Post cds (9.X.20) to cover, applied on a diagonal and late usage (the "P.P.C." overprints were made in the same month as stocks had run out), sent to Poznan (Poland) with hs address (partly blacked out), ms expertise on reverse, also signed Mikulski, very scarce, envelope creases and few bent perms else fine and dramatic showpiece	1'500
40753	✉	128	1919 25f & 50f values tied together and to cover by September 1919 Polish Post cds, addressed to Warsaw, a remarkably clean and attractive cover, very fine	1'500

40755	✉	128	Amazing Non-philatelic Use of Rare "P.P.C." Overprints 1920 5f, 25f & 50f values with well-struck overprints tied by single-circle Polish Post c.d.s. dated 2 XII 1920 to gorgeous hand-painted picture postcard sent REGISTERED to Warsaw, backstamped with (16 XII 20) and circled "Wr 1" censor handstamp as well as bold registration box handstamp. Realised CHF 17'600 in David Feldman auction 1993 Perhaps the most outstanding, and certainly the most beautiful, item of the Polish Post Office in Constantinople, and a fantastic showpiece for the Levant Foreign Offices collector Note: the translated message reads, "Sending you a Constantinople beauty. Kissing you strongly. Towards seeing each other quickly. Your sister Janka", dated "29/XI 1920" and addressed to "Włodzimierz Rachmanoff" (later a celebrated philatelist and author)	3'000

7ax

40'000

Expertise: Certificate A. Diena (as blue pelure paper) and Heimbüchler (2008; see "Note" below)

Note: the Heimbüchler certificate clearly states this stamp is NOT on the "normal" lilac-bluish paper, which is exceptionally rare (reportedly 3 unused known), but on an even scarcer unrecorded greenish-blue paper, "Possibly a rare shade between, which happened when different papers were bought and used by the printing office." Such a distinction is primarily of academic interest. In any case, it is NOT the yellowish-white paper on which nearly all unused examples are found, and may well be UNIQUE on this shade of blue paper.

Background: Heimbüchler (Handbook I) states, "the 80 parale on bluish paper is surprisingly rare...even rarer than the unused 81 parale of the first Moldavia issue" (only 35 recorded, with only 25 seen since 1950).

REMEMBER THE LADIES

A Penny Black from Plate 4

The first Postage Stamp in the World depicted a Woman:
QUEEN VICTORIA
(1819-1901)
Queen of Great Britain and Ireland, Empress of India

"REMEMBER THE LADIES"

The contribution of women in world affairs has always been wide-ranging. During the last century and a half, this contribution has begun to become apparent in public affairs, and it has at last moved beyond the conventional roles of motherhood, housekeeping and companionship.

This display looks first at the traditional roles of women through the ages, then at the first of early feminism in the Middle Ages and the women's movement in the nineteenth century, followed by the subsequent move of women into the public domain, and, finally, at some of their new roles in the twentieth century.

II. THE QUEST FOR EQUALITY

3. THE FEMINIST MOVEMENT

A. THE SUFFRAGETTES

In Britain, the lack of success in the long battle for equal suffrage led to increasing militancy, including attacks on pillar boxes.

An envelope officially mailed by the Post Office on 27th May 1897 after being damaged by various forces over Filler Box.

The cover above, posted by a firm of Nottingham accountants, in Nottingham, bears considerable ink damage as a result of vandalism of a pillar box, and has two Nottingham cancells for 6.30 pm on 28th November 1912. The "vandalic attack" was reported in *The Nottingham Guardian* the next day.

III. GOING PUBLIC

I. THE CARING PROFESSIONS

A. Nurses

By the late 19th and early 20th centuries, women were beginning to go outside the home to continue their traditional work of caring for the sick.

Florence Nightingale
(1820-1910)
English hospital administrator who went to Crimea to nurse the wounded. Recognized as the founder of the modern nursing profession. First woman to receive Order of Merit, in 1907.

Clara Mann
(1879-1903)
American Army nurse who died of yellow fever after allowing herself to be bitten by a mosquito in medical research.

IV. THE MODERN WORLD

3. THE WORLD OPENS UP

A. AVIATION AND SPACE

In the early part of the 20th century, women participated in pushing back the barriers of aviation, showing great courage, sometimes even being shot down.

Amelia Earhart, Special Pilot.

First Flight "Over Lake Erie" Thompson Aeronautical Corp. Cleveland - Detroit Route. Ambulance Service - 4-10-29.

Amelia Earhart (1898-1937)
American pilot who was first woman to fly across Atlantic in 1928. Disappeared over the Pacific in 1937. This airmail flight cover, dated 10th May 1929, shows the autographed signature of Amelia Earhart and was flown from Detroit in Cleveland, and by parcel Railway Express Agency. The reverse (photography below) bears labels of American Railway Express Co. for "Six Shipments Collected and 12th National Air Races at Cleveland, both led by female pilots."

2.3.2 The Major Achievement - Free of Charge Mail

The POW was entitled to send free of charge mail. Indeed a very important achievement. Some countries agree on that but internationally the community agrees only at UPU congress at Buenos - Aires, Argentina in 1929. The Franco - Prussian war (1870-1871) was the first major class in Europe and the Committee in Geneva has to take rapid measures.

Prussian label

Basel label

Geneva label (E)

Slogan honored Red Cross century, 1859-1959

Same labels were prepared in Swiss - Geneva & Basel and in Prussia to be applied by the Committee as a distinctive sign for free of charge mail.

Formular field post correspondence card sent by French soldier, mailed to the Relief Committee, Basel Switzerland, During Franco-Prussian War, free of charge-cachet, February, 1871.

2.3.2 The Major Achievements- Free of Charge Mail

In Geneva the Central Committee met again and following an appeal to Swiss authorities received the right to use also cachets bearing the Red Cross sign to exempt mail from charge.

'Porto Frei'-free of charge, according to agreement of 7th August 1870 ordered by the post authorities.

"Paix" label ratified by the Swiss postal authorities on November 22, 1870, in order number: 95.

Special cachets were used during the Franco-Prussian war to certify free postage, the addressee being the Red Cross Committee.

Letter sent to a French prisoner of war hospital in Haguenau near Karlsruhe, Prussia. With, "Agence Internationale/Bale", red oval cachet.

Cover sent from German authorities in Born, sent and passed by military inspection of the Royal Husaren Regiment number 7 (1. Rheinisches) mailed to Switz-Geneva to Madame Perrot, a representative address of the Red Cross. The 'Porto Frei' cachet was mistaken applied; it has to be only given for inland mail used. In this case the cover stamped in 2 Groschen tariff charge. A very extremely case.

Particular attentions we shall give to Mrs. Perrot. That Lady worked for the International Committee in Geneva and received letters from the German authorities, which looked for POW lists. The status of this extraordinary Lady was almost diplomatic.

2.5 The Societies Begin to Fully their Duties - Bourbaki Army

During the Franco - Prussian war, the ICRC also took steps to ensure the repatriation of seriously wounded prisoners, some 2,800 of who were sent home via Switzerland. The soldiers of the Army of the East, under the command of General Bourbaki exhausted after a disastrous campaign, and with demoralized army, began to retreat to the Switzerland border. On January 26, 1871, General Bourbaki attempted asylum. The armies under the new command of General Clinchant enter Switzerland after laid down its arms asking asylum.

People marched barefoot or had wrapped their feet in rags, Horse starving, long neglected, poorly harnessed, without food for days. This was the army situation and with that the Red Cross had to take care of 87,847 soldiers. The Swiss post authorized at the request of ICRC that letters marked with a special violet label, for the correspondence between the interned French and French territory not occupied by the Germans, free of charge.

Label used for French Detainees, green color (WW I). Usage of labels during WW II was of less extent than during WW I. A different type of labels was used for official letters during WW II.

THE OUTSTANDING JOHN WILKINS EXHIBIT COLLECTION

42002	* © △ ✉ 田	270	1871-2006, Ambitious and astounding exhibit collection on some 550 pages in four file boxes, plus extra pages, extra full sheets, numerous extra covers and important literature, with plating (incl. plate varieties) and usages on non-philatelic covers throughout. Many items of the early 20th Century are from the collections of the late Major Adrian Hopkins and Frank Patterson with whom the vendor had a long association. The write up to the collection displays the latest findings with images and Dari translations to assist in understanding the Afghan culture. The vendor's research included preparing a 50 page booklet on "Afghanistan Postage Stamp Issues Errors Flaws& Oddities 1870-1989".	Offer
-------	-----------------	-----	--	-------

Box 1 shows the 1871-1931 period, with highly specialised Tiger's Heads incl. rare 1872 6sh & 1R values, excellent covers from the beginning incl. mixed frankings with India and one Anglo-Afghan War cover, later issues include studies of paper and platings, e.g. the scarce to rare 1907-08 Recess issues perf. and imperf. with sheets, the Zig Zag Roulette issues (the rarest of the 20th century issues) with only about fifty known extant, the two Double Impressions which are extremely rare, the Abasi Plate A trial perforation ON COVER (the only used copy seen by the vendor in 40 years). The Plate A & B issues that form the rest of the section are also rare and under-catalogued, and included are early postal stationery from 1909 and a delightful section of the Parcel Posts and Officials. The rare Transit Cancel period of 1927 is included on covers including the civil war 1928-29 period overprints.

Box 2 presents 1930 to modern Officials and other special purpose issues, plus 1931-51 postage, airmails and ps, with many covers, scarce imperfs, WWII censored, and much more, difficult to assemble in this depth

Box 3 includes both the 1951-63 issues printed in Kabul (incl. some "back of book"), and the notorious 1961-64 New York contract agency period, with many of the latter acquired after the expiration of the contract and sent down for use on letters (usually reg'd airmail) from Kabul as the stamps remained valid and very few had been sent there originally. Probably the largest if not the only such collection of legitimate covers in existence! Finally, the 1964-65 Kabul post-contract issues incl. stationery. The vendor displays his recent identifying of the the 1951 UPU substituted cliché that replaced the 35 Poul error of value in the 125 Poul sheet. The 125 Poul imperf. sheet displayed contains the error of value and is one of only 250 issued. Also seen is the 50 Poul green sheet with the 25 Poul issue which was withdrawn and a substituted cliché in this 1960-72 regular issue has been identified on a rare cover with three copies of the substituted cliché.

Box 4 presents the 1965-2006 period including postal stationery, FDCs and reg'd airmail covers up to 1977, then the 1978-2004 Communist Revolution & Soviet Occupation (to 1990), and 1990-2006 Civil War and Reconstruction period with many covers, incl. both the Taliban and the Karzhai government periods. The Russian invasion period 1978-1989 is only represented by issues printed in Afghanistan and includes archive 1971-72 Air and Independence day issues bisected by the Soviet Russian puppet government to remove King Zahir Shah's image and used during 1979-80.

This collection also includes some additional sheets incl. large full sheet of unissued 1892-93 1R black on green Registration issue, two stockbooks with extra items from all periods incl. many varieties and imperfs. A thorough examination is highly recommended, as all the major catalogues have shown significant recent price growth and few large in-depth collections of the modern period could even attempt to match this one, while the early period, with partial platings and interesting usages, could easily be developed into several superlative competitive exhibits. We feel strongly that it would take many years and far more money than our estimate to begin to approximate this collection on all its levels!

The vendor's collection has received 3 silver medals from 1960-1988 but has not been exhibited, except privately, since that period with many further additions after 1988.

Estimate: € 28'000 - € 32'000

EMIR SHER ALI KHAN

1871 - 72 ۱۲۸۹ (1289) Rare high value issues - The first coloured issues of Sher Ali's reign. The Peshawar Afghan Agent was a family member of the Emir of Afghanistan, and acted as an Ambassador, handling all mail for Kabul. For some special mail items he applied a special postmark to the 6 Shahi and 1 Rupee issues he used. These may also receive some standard Sher Ali postal issue cancels - tear off, ink strokes or ochre smudges, combined or singly. The Agent's special cancel was reserved for 6 Shahi and 1 Rupee issues and appears to represent a special courier, or tax payment.

Design: Similar to the 1289 issues with identical corner ornaments. The One Rupee and 6 Shahi values are written in Dari in the centre circle. The word "Senna" (year) was added to the inscription and is placed in the area between outer and inner circles under the 1289 date.

1858-1967, A TRULY AWE INSPIRING specialised collection in five specially made and professionally written-up albums. This collection presents a mind-numbing display of scarce and rare stamps with virtual completion from start to finish, nearly all with parallel coverage of both mint and used, excellent covers sprinkled throughout from first issues on, including a substantial section of Zeppelin and Condor flight covers. Another stunning group are the myriad of proofs, essays, trial colours, specimens, "prepared but unissued" items, and a selection of modern imperforate as well with substantial value. It should be noted that while many of the earlier plate proofs are relatively common, this collection has many scarcer varieties and die-proofs that are not at all so common. We note covers SC no.2 (\$700), no.7Cd extremely fine (\$1'500), no.7F (\$1'500), no.33 (\$500), better earlier mint no.8 (\$2'000), used no.16 with certs (\$3'000), mint 392, C20-9, seldom seen "Arc en Ciel" airmail overprints.

Israel: The Holocaust

THE ERIC WEISSENBERG COLLECTION OF HOLOCAUST MAIL AND COLLATERAL ITEMS

- 42265

⊙ △ ✉

An exceptional and most extensive collection of holocaust mail and collateral items from the period 1939 to 1945 housed in 23 albums.

Offer

Already in 1933, the Nazi regime had established the first concentration camp. The system grew to include about 100 camps divided into two types: camps for slave labour working in nearby factories and death camps for the systematic extermination of Jews and others such as Gypsies, homosexuals, political opponents and mentally disabled.

Only a limited amount of mail was allowed to be sent and received by prisoners at Nazi concentration camps. These letters were subject to a severe scrutiny of regulations. Generally, letters had to be written in German, censored by camp personnel and sent on special pre-printed stationery. Sending money was permitted but packages was not. In theory, the inmates were allowed to send or receive two letters and cards each month, but this allowance was frequently suspended arbitrarily and without notice. Newspapers were permitted but only if ordered through the concentration camp post office. Needless to say that requests to speak to or visit prisoners were prohibited.

The exceptional assembly of this wide range of items not only make tangible the ordeal of the persecuted within the camps but also show all the propaganda which lead to the holocaust.

This collection housed in 23 albums is organised as follows:

◎ | 1856-1965, Marvellous semi-specialised collection of mint and used in 4 HL albums and 2 stock books. Many words could be used to describe this enticing collection and depending on the stage of your analysis it will be challenging, frustrating, yet always alluring and finally gratifying once all the valuable stamps have finally been identified. The intrepid viewer will see that the collector used the 2 stock books as a holding station for all the stamps until he could get around to mounting them properly so they are often packed in wads on top of one another. There is not sufficient time or space to list all of the \$100 to \$3500 items spotted here, not to mention those to be found by patient viewing which is highly recommended. Third Issue. 5 Para.
 First Printing 1872. Perf 12½x13½.
 The 1872 border markings often consisted of a thick line of colour on the top margin, or more usually in the right hand margin. This piece is the only known example of the top margin marking. The closeness of the perforation to the design is caused by the perforating of five or six sheets at once. The bottom sheets tended to be pulled.

Line 2 Stamp 2 denotes holes in the Pyramid.

The "2 cents" Error, ex Ferrary and Burrus.

Expertise: RPSL and BPA certificates (both 2003, as the 2c error of denomination); Brun and Calves certificates (both 2004, as the "8" cents error of colour.

12 ○ 2c. PALE BLUE. THE ONLY KNOWN EXAMPLE OF THIS ERROR. USED ON ENTIRE LETTER: "E.D.W." Demerara 7.3.1851. Although creased by the letter fold and irregularly cut, this error ranks with the mutilated example of the 1856 1c. in as much as each is believed to be unique

Note: The letter, addressed to "The Right Reverend, The Lord Bishop of Guiana, Georgetown", contains unctuous greetings from the Vicar of Leguan.

3, 7

Lot description in the Burrus Catalogue, where it is ranked with the more famous 1856 "One Cent" as each is considered unique.

7

The first issue of British Guiana, the so-called "Cotton Reels" (for their resemblance and shape), were printed by the Royal Gazette of Georgetown from hand-set typographic elements made from type and hand-soldered brass tubing (and not, as was the case for the similar-looking postmaster provisionals of Bermuda or Guadalajara, from cancel devices), with several printings apparently corresponding to varying paper colours. The 12 Cents on Pale Blue paper was printed circa March 1851 (after printings on Indigo and on Blue).

The plate was composed of four types, varying in the thickness & breaks of the circular frame and specific letter forms. Type One, as identified by the definitive handbook by Townsend &

Howe, had a thick frame, the first "l" of "BRITISH" leaned to the right, and the first "N" of "GUIANA:" is raised and leans to the left (as can easily be seen on the present example).

Of the 26 examples on Pale Blue recorded by the handbook, only one, on the cover presented here, shows the "l" of "12" omitted. It is listed by the Stanley Gibbons catalogue as n? 7b, and the only known example, shown here, was part of the famous Maurice Burrus Collection (sold in 1963) as well as the Ferrary collection. In fact, the front of the cover bears the elusive boxed quatrefoil used by Ferrary to mark many of his prized items.

Recently, the French expert Jean-Francois Brun, in a scholarly article, took the position

that the numeral of value is really an "8" rather than a "2"-ignoring what is clearly evident as a curved, horizontal "foot" which can be readily noted in the enlarged illustration herein. In Mr. Brun's opinion, this would mean that this stamp is an unrecorded error of paper colour for that value. The "normal" 2 Cents (a great rarity in any form) is on Rose paper, and the normal 8 Cents is on Green - so in either case, the stamp is acknowledged as the unique error of colour!

Cape of Good Hope

The C. L. Pack Bisect Cover

1858 (Apr 28) Wrapper sent registered from Fraserburg to Cape Town with 1855-58 Perkins Bacon 4d deep blue single and a pair, the lower stamp of which has been bisected so as to pay 4d postage and 6d registration, all tied by black triangular cancellations, rated "6" in manuscript, backstamped Fraserburg and Cape Town oval ds, the single 4d. creased, the entire with 45mm tear and other lesser faults not affecting the stamps

The ONLY RECORDED COVER with bisected Cape Triangulars (a front and several pieces are known)

The status of the bisect use had also been questioned, but this cover brings all doubts to an end. In the first place the rate is correct; secondly, the cancels both at left & right are matching and are genuine; thirdly, the standard practice of franking at top right of the cover includes the bisect, with the additional postage being a regular 4d stamp at left (if the bisect had not been part of the original postage it would have been placed at left); and finally, the cancellations tie all three stamps & the inner part of the bisect to the cover

One of the most important items of Cape philately

Conditions of Sale

The currency of the auction is the Euro (€)

Participation in any David Feldman S.A. auction means acceptance in full of the following conditions as well as any rights and obligations arising therefrom. These same conditions also apply to all transactions in auction lots taking place outside the realm of the auctions. DAVID FELDMAN S.A., organiser of the auctions, acts as an agent only and is not liable in any way whatsoever for any default(s) of purchaser(s) and/or vendor(s).

1. The auction lots are offered

1.1 As presented in the relative auction catalogue and/or through the David Feldman S.A. website. Lots are meticulously described and with the greatest care, however without responsibility. Photographs count as part of the description with regard to the margins, perforation, centering, postmarks and all other visible attributes. The descriptions of the lots mention if the items are signed by recognised experts and/or accompanied by expert certificates.

1.2 As viewed in person: before and during auction sales, persons or their agents may examine lots at our offices or at the auction location, and must confirm their auction invitation before viewing. Persons or their agents attending a Live Room auction by invitation and/or who have viewed lots before an auction are understood to have examined all lots which they purchase and accept them as they are at the moment of the knocking-down and not necessarily as described.

2. Auction bids

2.1 The auction bid steps for all auctions are as follows: (some auctions may be in other currencies than Euros)

€ 50 - 100	€ 5	€ 2'000 - 5'000	€ 200
€ 100 - 200	€ 10	€ 5'000 - 10'000	€ 500
€ 200 - 500	€ 20	€ 10'000 - 20'000	€ 1'000
€ 500 - 1'000	€ 50	€ 20'000 - 50'000	€ 2'000
€ 1'000 - 2'000	€ 100	€ 50'000 - 100'000	€ 5'000

Bids between these steps will be adjusted accordingly to the next highest bid step. The bidder is bound by his offer until a higher bid has been validly accepted.

2.2 DAVID FELDMAN S.A. has full discretion to refuse any bidding, to divide any lot or lots, to combine any two or more lots and to withdraw any lot or lots from the sale without in any case giving any reason. DAVID FELDMAN S.A. may also bid on behalf of vendors in cases where reserve prices have been fixed. In these cases, the vendor is treated as a buyer and the auctioneer shall bid on his behalf up to reserve prices. If the reserve price fixed by the vendor is not reached, the auctioneer passes to the next lot by a simple knock of the hammer.

2.3 Bid orders are only accepted from registered clients of DAVID FELDMAN S.A. and/or its associated companies. Live Room bidders must confirm their invitation prior to obtaining a bidding number.

2.4 Bid orders received by DAVID FELDMAN S.A. including via its website before the relative auctions have priority over room bids in the case of Live Room auctions. Clients giving bidding instructions to DAVID FELDMAN S.A. may make alternative offers and/or limit the total of their expenditure in advance. Bids marked "BUY" are considered as up to ten times the quoted estimate price where such exists. Bids made in other currencies than the advertised currency of the auction will be converted into that currency at the market rate of the day of receipt by DAVID FELDMAN S.A. Bids are standing and hold good for at least 60 days from the auction period. DAVID FELDMAN S.A. reserves the right to invoice bidders up to the end of the 60 day period, payment being due immediately.

3. The auction

3.1 Unless explicitly stated otherwise, the currency of the auction is Euros. Attendance at the Live Room auction is reserved for invited clients and/or their agents.

3.2 Prerogatives of David Feldman S.A.: DAVID FELDMAN S.A. may withdraw, group differently, divide or refuse to knock down any lot. DAVID FELDMAN S.A. reserves the right to refuse any bid orders and/or for Live Room auctions, refuse admittance to the auction room, at its discretion, to anybody whomsoever. DAVID FELDMAN S.A. cannot be held responsible for any physical accident that may occur on the premises where auctions take place. In the case a bona fide offer for the entire collection presented in this catalog is received at least two weeks before the auction date, and would be accepted by the vendor and the auctioneer, it may be withdrawn from sale and the auction offer cancelled.

3.3 Bidders' representatives and auction agents: any per-

son bidding for the account of a third party is fully liable for any obligation arising from such bidding. This responsibility is notably applicable for the verification of the condition and for the payment of purchased lots.

3.4 Winning Bids: each lot is sold on behalf of the respective owner to the highest bidder who becomes the buyer at one bid step over the next highest bid step; this is the knock-down price. In addition to the knock-down price, the buyer pays an all-in fee of 20% to cover commission, charges and expenses including lotting fees, insurance, packing, export formalities etc. whether all incurred in particular cases or not. Cost of postage or shipping for all lots is additional and will be invoiced separate from the buyer all-in fee. On the knock of the hammer, liability for the lots passes to the bidder whose bids have been accepted. The lots are delivered to the buyer when the total sale price (knock-down price plus all fees including postage or shipping) have been paid in full.

VAT (Sales Tax) - Notes for guidance concerning auctions for which the lots are located in Switzerland: buyers domiciled abroad are not liable for this tax once the goods are duly exported from Switzerland. DAVID FELDMAN S.A. are pleased to arrange this export; alternatively, clients may make their own arrangements and furnish DAVID FELDMAN S.A. with proof of export, stamped by Swiss customs. Any purchases by buyers who wish to keep their purchases in Switzerland will be liable to VAT at 8% of the purchase price in Swiss Francs at the converted Euro value during the auction.

3.5 Payment: Sale price plus commission and postage or shipping (if any) are due for immediate payment as invoiced against delivery of the lots. Payment in other currencies is accepted at the rates of exchange of the day as quoted by a major Swiss bank. The bidders who are successful with whom it has been expressly agreed that they pay after the sale under special conditions, are due to pay the sale price and the commission according to those terms. In these cases, DAVID FELDMAN S.A. keeps the relevant lots which are delivered to the buyers on full settlement of their account. Delivery of the purchased lots by post, courier or any other means if instructed by the buyer including cost of normal transit insurance cover is at the expense of the buyer. Title or ownership of the purchased lots, delivered or not, remains with the auctioneer on behalf of the seller until payment has been made in full.

3.6 Special extended payment facility: DAVID FELDMAN S.A. may offer a special extended payment facility for buyers. In these cases, the buyer may choose to pay a minimum of 25% of the total invoice immediately, and the balance over a maximum period of 6 months, paying an equal instalment at the end of each month. Interest plus charges of 1% is debited to the buyer's account at the end of each month from the auction date. When the special extended payment facility has been granted, the buyer understands that any claims regarding his purchases must be made within 30 days of the auction sale date, even though the lots may be held by DAVID FELDMAN S.A. awaiting full settlement of the account. Until delivery, all lots may be examined by their respective buyers at the offices of DAVID FELDMAN S.A.

3.7 Pledge: until full settlement of the account, the buyer grants to DAVID FELDMAN S.A. a pledge on any and all properties held by DAVID FELDMAN S.A., acquired prior to, during and/or after any auction. This pledge secures the repayment of any amount due in principals, interests, commissions, costs and other possible fees. DAVID FELDMAN S.A. is entitled, but not obliged, to realise freely the pledge assets without further formalities and without previous notice if the buyer is in default with the payment of his debts or with the fulfilment of any other obligation hereunder. For this purpose, DAVID FELDMAN S.A. is not bound to comply with the formalities of the Federal Law dealing with actions for debt and bankruptcy proceedings; in addition, DAVID FELDMAN S.A. may choose to institute or go on with the usual proceedings without having beforehand sold the pledged goods and without having moreover given them up.

4. Guarantee

4.1 Extent of the guarantee: subject to paragraph 4.3 below, the authenticity of all philatelic items sold in the auction is guaranteed for a period of 30 days from the auction date, with the express exclusion of any other fault(s). Any reclamation regarding authenticity must come to the notice of DAVID FELDMAN S.A. on the delivery of the

lots but at the latest within 30 days from that date. Before delivery, which may take place after the 30 days period, the lots purchased may be examined at the Geneva offices of DAVID FELDMAN S.A. The buyer whose reclamation is made after 30 days from the auction date loses all rights to the guarantee. Such reclamation will not be valid by DAVID FELDMAN S.A.. If an extension of the period is required in order to substantiate the claim with an expertise, a request for such extension must be made to DAVID FELDMAN S.A. within 30 days of the auction date. No request for extension will be considered beyond this 30 days period. An extension will expire 3 months after the date of the auction; the results of the expertise for which an extension was agreed must come to the notice of DAVID FELDMAN S.A. within that period. No further extension of the period will be considered without the express written agreement of DAVID FELDMAN S.A. Only claims, expertise results or other details which are made within the agreed periods will be valid.

4.2 Expertise and counter-expertise: should the authenticity of a lot be questioned, the buyer is obliged to provide an expertise or counter-expertise from a prominent expert in the field, justifying the claim. If a stamp is found by a recognised expert, taking financial responsibility for errors, to have been forged, he may mark it accordingly. Consequently, the marking "FALSCH" (forged) is not considered an alteration. In the case of such reclamation, DAVID FELDMAN S.A. reserves the right to request, at its own discretion, one or more further expertise(s). All expertise and relative charges accrue to the vendor's account in the case of a justified claim, or to the buyer's account if the claim is not justified. In the case of a justified claim, the lot is taken back and the knock-down price plus the commission are refunded to the buyer. In the case of delayed payment due to expertise agreed by David Feldman S.A., interest is charged at 50% of the standard rate for all cleared lots. If David Feldman S.A. has not agreed, then full interest is due.

4.3 Exclusions: lots described as collections, accumulations, selections, groups and those containing duplicates cannot be the subject of any claim. Claims concerning lots described as a set or groups of sets containing more than one stamp, can only be considered under the terms of paragraph 4.1 above if they relate to less than one third of the total value of the lot. Lots which have been examined by the buyer or his agent, lots described as having defects or faults cannot be subjected to a claim regarding defects or faults. Illustrated lots cannot be subjected to a claim because of perforations, centering, margins or other factors shown in the illustrations.

4.4 Late Payment: if payment of the knock-down price plus commission due by the buyer is not made within 30 days of the date of the auction, DAVID FELDMAN S.A. reserves the right to cancel the sale and dispose of the lot(s) elsewhere and/or to make a recourse to any legal proceedings in order to obtain payment of the amounts due as well as for any incurred damages and losses and any legal expenses. A charge on overdue payment of at least 5% for the first month and 2% per month afterwards plus expenses incurred is chargeable on any outstanding amount after 30 days of the date of the auction. The buyer who is in default in any way whatsoever has no right of claim under any circumstances.

4.5 Exceptionally, the knock-down price will be reduced to the lowest winning bid where it is shown that the exact same buyer has inadvertently increased the price by using more than one medium of bidding on the same lot.

5. Applicable law and jurisdiction

Unless otherwise stated, all auctions as well as any rights and obligations arising from them shall be governed exclusively by Swiss law. Any legal action or proceeding with respect to the auctions shall be submitted to the exclusive jurisdiction of the courts of Geneva, subject to appeal to the Swiss Federal Court in Lausanne. In every case, DAVID FELDMAN S.A. shall also be entitled, at its discretion, to sue any buyer in default at his place of residence; in such case, Swiss law shall remain applicable and in the case of issues regarding price value, the Euro is converted at its Swiss franc value at the time of the auction.

Les photographies font partie intégrante des descriptions pour ce qui est des marges, de la dentelure, du centrage, des oblitérations et de toute autre qualité apparente. La description des lots mentionne si les pièces sont signées par des experts et/ou sont accompagnées de certificats d'expertise.

Les acheteurs ayant examiné les lots avant la vente et/ou y participant personnellement et/ou y étant représentés, sont censés avoir examiné tous les lots achetés et les accepter dans l'état où ils se trouvent lors de l'adjudication, indépendamment de la description figurant dans le catalogue.

2. Les offres d'enchères

2.1 Chaque offre d'enchère doit être supérieure à celle formulée précédemment selon l'échelle suivante: (la monnaie peut changer selon la vente aux enchères)

€ 50 - 100	€ 5	€ 2'000 - 5'000	€ 200
€ 100 - 200	€ 10	€ 5'000 - 10'000	€ 500

€ 500 - 1'000	€ 50	€ 20'000 - 50'000	€ 2'000
€ 1'000 - 2'000	€ 100	€ 50'000 - 100'000	€ 5'000

Les offres se situant entre ces montants seront arrondies à la surenchère supérieure. L'enchérisseur est lié par son offre tant qu'une nouvelle surenchère n'a pas été valablement formulée par un autre enchérisseur.

2.2 DAVID FELDMAN S.A. a le droit de refuser des enchères, de séparer, joindre ou retirer n'importe quel lot, cela à son entière discrétion. La vente a lieu en français mais les enchères pourront être répétées en anglais. La Maison DAVID FELDMAN S.A. est également autorisée à enchérir pour le compte de vendeurs lorsque des prix de réserve ont été fixés. Si le vendeur fixe des prix de réserve pour certains de ses lots, il sera alors considéré comme acheteur et la Maison DAVID FELDMAN S.A. enchérira pour le compte de celui-ci jusqu'à concurrence des prix de réserve fixés. Lorsque le prix fixé par le vendeur n'est pas atteint, il sera passé à la criée du lot suivant par un simple coup de marteau.

2.3 Seuls les clients enregistrés auprès de DAVID FELDMAN S.A. ou/et des sociétés affiliées pourront enregistrer des enchères. Les clients en salle doivent confirmer leur invitation pour obtenir leur numéro d'enchérisseur.

2.4 Les offres d'enchères écrites reçues par David Feldman SA ou sur le site Internet avant la vente, sont dans tous les cas prioritaires sur les offres d'enchères faites dans la salle de vente. L'enchérisseur donnant un ordre d'enchères écrit peut faire des offres alternatives et/ou limiter le montant global de ses offres. Les offres d'enchères données «à acheter» sont considérées comme pouvant atteindre jusqu'à 10 fois la valeur de l'estimation imprimée dans le catalogue. Les enchères doivent être faites en euros. Les offres d'enchères libellées en d'autres monnaies seront converties en euros au cours du jour de leur réception par la Maison DAVID FELDMAN S.A. Toute offre écrite d'enchères est considérée comme liant son auteur pendant 60 jours après la date de la vente aux enchères. La Maison DAVID FELDMAN S.A. est donc en droit de facturer la marchandise à l'enchérisseur jusqu'à l'expiration de ce délai. Toute facture reçue par celui-ci est de ce fait valable et doit être payée immédiatement.

3. La vente aux enchères

3.1 A moins que ce ne soit explicitement indiqué, la monnaie de la vente aux enchères est l'euro. L'accès à la salle des ventes est exclusivement réservé aux clients invités et/ou leurs agents.

3.2 Prérrogatives de David Feldman S.A.: La Maison DAVID FELDMAN S.A. est en droit selon sa libre appréciation de retirer, de diviser ou de grouper les lots faisant partie de la présente vente ainsi que de refuser l'adjudication de n'importe lequel desdits lots. La Maison DAVID FELDMAN S.A. se réserve le droit de refuser selon sa libre appréciation toute offre d'enchères et/ou l'entrée de la salle de vente à n'importe quelle personne quelle qu'elle soit. La Maison DAVID FELDMAN S.A. n'assume aucune responsabilité quelconque en cas de dommage corporel survenu sur les lieux de la vente.

3.3 Représentants et Agents de Vente aux Enchères: L'enchérisseur qui agit pour le compte d'un tiers engage

son entière responsabilité personnelle en particulier en ce qui concerne toutes les obligations contractées dans le cadre de la présente vente. Cette responsabilité s'étend notamment à la vérification de la qualité des lots achetés ainsi qu'au règlement ultérieur de la facture des lots acquis.

3.4 Enchères gagnantes : Chaque lot est adjugé au plus offrant pour le compte de son vendeur respectif. Des frais de 20% sont facturés en sus de l'enchère la plus haute par David Feldman SA couvrant la commission, frais par lot, assurance, emballage, frais d'exportation etc. et ceci dans tous les cas, tous frais encourus ou pas. Les frais de port sont facturés en sus et seront facturés séparément. A la tombée du marteau, les profits et risques des lots ainsi adjugés passent à l'enchérisseur dont l'offre a été acceptée. La marchandise ne sera cependant remise à l'acquéreur qu'au moment du règlement intégral du prix d'achat (prix marteau plus les frais).

TVA (Taxe à la vente) - Note indicative concernant les ventes aux enchères dont les lots se trouvent en Suisse: Les acheteurs domiciliés à l'étranger ne sont pas soumis à cette taxe, à condition que les marchandises soient exportées hors de Suisse. DAVID FELDMAN S.A. se fera un plaisir de s'occuper de l'exportation de ces marchandises. Les clients peuvent aussi faire cette exportation par leurs propres moyens; dans ce cas, ils doivent fournir à DAVID FELDMAN S.A. une attestation dûment signée et timbrée par les douanes suisses. Toute acquisition par des acheteurs désirant garder la marchandise en Suisse est soumise à la taxe TVA de 8% sur le prix d'achat en francs suisses, montant converti à l'équivalent en euros pendant la vente.

3.5 Paiement: Les adjudicataires présents sont tenus de payer comptant en euros le prix d'achat et la commission contre remise de la marchandise acquise. Le paiement en d'autres monnaies est accepté au cours du jour tel qu'établi par une des grandes banques suisses. Les enchérisseurs par correspondance auxquels un lot est adjugé ainsi que les adjudicataires présents auxquels la Maison DAVID FELDMAN S.A. accorde l'autorisation expresse d'acquitter les montants dus après la vente, sont tenus de payer le prix d'achat et la commission due à réception de la facture de la vente aux enchères. Dans ce cas, la Maison DAVID FELDMAN S.A. conserve les lots gagnés qui ne seront remis à leurs acheteurs qu'à réception par DAVID FELDMAN S.A. du paiement intégral des montants dus. Sauf instructions spéciales de l'acheteur, l'envoi des lots s'effectue par la poste ou autre société d'expédition, la Maison DAVID FELDMAN S.A. assure, de manière usuelle, la marchandise pour le transit. Les lots, délivrés ou non, conservent titre de propriété de la Maison DAVID FELDMAN S.A. pour le compte du vendeur jusqu'au paiement intégral de la facture.

3.6 Facilités de paiement: La Maison DAVID FELDMAN S.A. accorde, selon sa libre appréciation, des facilités de paiement aux acheteurs. L'acheteur au bénéfice de telles facilités paie un montant minimum de 25% du montant total de la facture dès réception de celle-ci puis acquitte le solde encore dû en mensualités égales sur une période de 6 mois maximum. Un intérêt mensuel plus les frais encourus au taux de 1% sont perçus, à partir de la date de la vente, par la Maison DAVID FELDMAN S.A. L'intérêt est débité chaque mois au compte du client. En cas d'octroi de facilités de paiement, la Maison DAVID FELDMAN S.A. garde les lots adjugés jusqu'au paiement intégral des montants dus par l'acheteur, étant précisé que l'acheteur peut, en tout temps avant livraison, examiner la marchandise acquise auprès de la Maison DAVID FELDMAN S.A. Par ailleurs, l'acheteur perd tout droit de réclamation tel que prévu sous chiffre 4 ci-dessous, 30 jours après la date de la vente aux enchères.

3.7 Droit de gage: Jusqu'au paiement intégral du montant dû, l'acheteur confère à DAVID FELDMAN S.A. un droit de gage sur la totalité des lots gardés par DAVID FELDMAN S.A., acquis avant, pendant et/ou après la présente vente aux enchères. Ce gage garantit le remboursement de tout montant dû en capital, intérêts, commissions et frais éventuels. DAVID FELDMAN S.A. est autorisée, mais non obligée, à réaliser les gages sans autres formalités et sans préavis si l'acquéreur est en demeure pour le paiement de sa dette ou l'exécution d'une obligation quelconque. DAVID FELDMAN S.A. pourra dans tous les cas réaliser les gages de gré à gré. A cet effet, elle n'est pas tenue d'observer les formalités prévues par la Loi fédérale sur la poursuite pour dette et faillite; DAVID FELDMAN S.A. est libre en outre d'introduire ou de continuer une poursuite ordinaire, sans avoir préalablement réalisé les gages et sans renoncer pour autant à ceux-ci.

4. Garantie

4.1 Etendue de la garantie: Sous réserve de l'article 4.3 ci-après, l'authenticité de toutes les pièces philatéliques vendues aux enchères est garantie pendant 30 jours à compter de la date de la vente aux enchères. Toute garantie de défaut ou autre garantie de quelque nature qu'elle soit est expressément exclue. Toute réclamation concernant l'authenticité doit être transmise à DAVID FELDMAN S.A. dès réception des lots, mais au plus tard dans les 30 jours à compter de la date de la vente aux enchères. Avant la livraison, qui peut intervenir après ce délai de 30 jours,

les pièces philatéliques acquises peuvent être examinées auprès de DAVID FELDMAN S.A. L'acheteur dont la réclamation parvient à DAVID FELDMAN S.A. après ce délai de 30 jours à compter de la date de la vente aux enchères perd tout droit à la garantie. Sa réclamation ne sera pas prise en considération par DAVID FELDMAN S.A. Si un délai supplémentaire pour formuler une réclamation liée à l'authenticité d'une pièce philatélique s'avère nécessaire, la demande doit en être faite à DAVID FELDMAN S.A. dans le délai de 30 jours à compter de la date de la vente aux enchères. Aucune demande parvenue après ce délai de 30 jours à DAVID FELDMAN S.A. ne sera prise en considération. Le délai d'extension expirera 3 mois après la date de la vente aux enchères. Les résultats de l'expertise pour laquelle un délai a été accepté doivent parvenir à DAVID FELDMAN S.A. dans ce délai. Un délai supplémentaire ne peut être accordé qu'avec l'accord écrit de DAVID FELDMAN S.A. Seules les réclamations, résultats d'expertise ou autres notifications parvenues dans les délais seront pris en considération par DAVID FELDMAN S.A.

4.2 Expertise ou contre-expertise: Lorsque l'authenticité d'un lot est contestée l'acheteur est tenu de produire un certificat d'expertise ou de contre-expertise émanant d'un expert qualifié justifiant sa réclamation. Si l'expert reconnu, assumant toute responsabilité en cas d'erreur, juge que le timbre a été falsifié, il peut le marquer en conséquence; les signes «FAUX» ou «FALSIFIE» ne constituent pas alors une altération du lot. En présence d'une telle réclamation DAVID FELDMAN S.A. se réserve le droit de demander selon la libre appréciation une ou plusieurs expertises subséquentes dont les frais seront mis à charge du vendeur dans l'hypothèse où la réclamation de l'acheteur est fondée. Dans le cas contraire l'acheteur supportera tous les frais d'expertise encourus. Lorsque la réclamation est fondée, le lot est repris et le prix d'adjudication ainsi que la commission sont intégralement remboursés à l'acheteur. Dans le cas d'un paiement retardé dû à une expertise agréée par David Feldman S.A., des intérêts sont payables à 50% du taux habituel pour tout lot dont l'authenticité est confirmée. Si David Feldman S.A. n'est pas d'accord tous les intérêts seront dus.

4.3 Limites de la garantie: Les lots décrits comme collections, sélections ou groupes, ceux formés de doubles et d'accumulations, ne peuvent faire l'objet d'une réclamation quelconque. Les réclamations concernant les lots décrits comme série ou groupes de séries contenant plus d'un timbre, ne sont prises en considération dans les limites de l'article 4.1 ci-dessus que si elles portent sur plus d'un tiers de la valeur totale d'acquisition du lot. Les lots qui ont été examinés par l'acheteur ou son agent, ainsi que les lots qui sont décrits comme ayant des défauts ne peuvent faire l'objet d'aucune réclamation par rapport à ceux-ci. Tout lot illustré ne peut faire l'objet d'aucune réclamation au sujet de la perforation, du centrage, des marges ou tout autre élément visible dans l'illustration.

4.4 Paiement tardif: Si le paiement du prix marteau et de la commission due par l'acheteur n'intervient pas dans les 30 jours à compter de la date de la vente aux enchères, DAVID FELDMAN S.A. se réserve le droit d'annuler la vente et de disposer du(des) lot(s) concerné(s) et/ou d'agir par toute voie de droit utile contre l'acquéreur afin d'obtenir les paiements en souffrance plus un intérêt d'au moins 5% dès le premier mois et 2% par mois supplémentaire. De plus, les dépenses encourues seront perçues sur toutes les sommes dues par l'acheteur 30 jours après la date de la vente aux enchères. Le débiteur défaillant perd en outre tout droit de réclamation.

4.5 Le prix marteau pourra, exceptionnellement, être ramené à la mise gagnante la plus basse s'il est établi que le même enchérisseur a augmenté le prix par inadvertance en utilisant plus d'un moyen de miser.

5. Droit applicable et juridiction

La présente vente aux enchères ainsi que tous les rapports juridiques qui en découlent seront soumis au Droit suisse exclusivement. Toute action légale ou procédure concernant la vente aux enchères ainsi que les rapports juridiques qui en découlent seront soumis à la juridiction exclusive des tribunaux de Genève, sous réserve d'appel au Tribunal fédéral suisse à Lausanne. Dans tous les cas, DAVID FELDMAN S.A. se réserve le droit de poursuivre tout acheteur défaillant à son lieu de résidence, auquel cas le Droit Suisse reste applicable et dans les cas se rapportant à la valeur, l'euro étant converti à son équivalent en francs suisses pendant la vente.

4. Garantie

4.1 Umfang: Unter Vorbehalt des nachstehenden Paragraphs 4.3. ist die Echtheit aller bei Versteigerungen verkauften philatelistischen Artikel wahrend 30 Tagen nach dem Versteigerungsdatum garantiert. Jegliche andere Garantie oder Garantie fur Fehler ist ausdrucklich ausgeschlossen. Jegliche Reklamation bezuglich Echtheit muss unverzuglich nach Erhalt der Lose an DAVID FELDMAN S.A. gerichtet werden, spatestens jedoch innerhalb 30 Tagen nach Versteigerungsdatum. Vor der Zustellung, die nach der 30-Tage-Frist erfolgen kann, konnen die erstandenden philatelistischen Artikel bei DAVID FELDMAN S.A. besichtigt werden. Ein Kaufer, dessen Reklamation nach der Frist von 30 Tagen ab Versteigerungsdatum bei DAVID FELDMAN S.A. eintrifft, verliert jegliches Anrecht auf die Garantie. In

diesem Fall wird die Reklamation von DAVID FELDMAN S.A. nicht anerkannt.

Wird im Falle einer Reklamation bezuglich der Echtheit eines philatelistischen Artikels eine Fristverlangerung benotigt, muss diese innerhalb 30 Tagen nach Versteigerungsdatum bei DAVID FELDMAN S.A. beantragt werden. Kein solcher Antrag, welcher nach dieser 30-Tage-Frist bei DAVID FELDMAN S.A. eintrifft, wird in Betracht gezogen. Die Prufresultate, fur deren Einholung eine Fristverlangerung gewahrt wurde, mussen bei DAVID FELDMAN S.A. innerhalb von 3 Monaten nach dem Versteigerungsdatum vorliegen. Eine weitere Fristverlangerung kann nur mit schriftlicher Einwilligung von DAVID FELDMAN S.A. gewahrt werden. Nur diejenigen Reklamationen, Prufresultate sowie andere Mitteilungen, die innerhalb der vorgeschriebenen Fristen eintreffen, werden von DAVID FELDMAN S.A. in Betracht gezogen.

4.2 Atteste und Gegenatteste: Bei Echtheitszweifeln obliegt es dem Kaufer, als Rechtfertigung seiner Reklamation ein Attest oder Gegenattest von einem fur das betreffende Sammelgebiet anerkannten Prufer bezulegen. Wird eine Marke von einem anerkannten und fur Irrtumer haftenden Prufer als falsch erkannt, kann er sie entsprechend kennzeichnen. Das Zeichen FALSCH gilt dabei nicht als Veranderung. Bei derartigen Reklamationen behalt DAVID FELDMAN S.A. es sich vor, nach eigenem Ermessen ein oder mehrere Atteste anzufordern. Alle Prufkosten und diesbezugliche Ausgaben fallen bei gerechtfertigter Beanstandung zu Lasten des Einlieferers, anderenfalls jedoch zu Lasten des Kaufers. Bei gerechtfertigter Beanstandung wird das Los zuruckgenommen und die Zuschlagssumme sowie Aufgeld an den Kaufer zuruckerstattet. Falls infolge einer Expertise, mit Uebereinstimmung der DAVID FELDMAN S.A. Zahlungsverzogerungen entstehen, werden 50% der ublicherweise belasteten Zinsen auf jedes Los, dessen Echtheit einwandfrei bewiesen ist erhoben. Ansonsten werden die Standardzinsen berechnet.

4.3 Begrenzung: Lose, die als Sammlungen, Sammellose, Dublettenposten oder Anhaufungen beschrieben sind, haben keinerlei Anrecht auf Reklamation. Beanstandungen von Losen, die als Serien oder Gruppen von Serien aus mehr als einer Briefmarke bestehend beschrieben sind, werden in Grenzen des obigen Punktes 4.1. nur in Betracht gezogen, wenn sie mehr als ein Drittel des Gesamtaufwerts des entsprechenden Loses darstellen. Fur Lose die vom Kaufer oder dessen Agenten besichtigt wurden oder mit Fehlern beschrieben sind konnen deshalb nicht beanstandet werden. Abgebildete Lose konnen nicht beanstandet werden wenn es sich um Zahnungsfehler, Zentrierung, Rand oder andere im Bild ersichtliche Fehler handelt.

4.4 Zahlungsverzug: Geht die Zahlung der Zuschlagssumme und das Aufgeld nicht innerhalb von 30 Tagen nach Versteigerungsdatum ein, behalt DAVID FELDMAN S.A. es sich vor, entweder das Kaufgeschaft aufzuheben und uber die Lose anderweitig zu verfugen und/oder auf Zahlung des Kaufpreises und Schadenersatz, sowie auch gesetzliche Abgaben zu klagen. Bei Nichtzahlung ausstehender Betrage innerhalb von 30 Tagen nach Versteigerungsdatum, werden Verzugszinsen von wenigstens 5% im ersten Monat und 2% in den darauffolgenden Monaten erhoben; entstandene Unkosten sind ebenfalls zuruckzuerstatten. Der in Verzug geratene Kaufer verliert in jedem Fall sein Reklamationsrecht.

4.5 Der Zuschlagspreis kann ausnahmsweise auf das tiefste Gebot vermindert werden, wenn der Bieter versehentlich den Preis, durch eine andere Bietermoglichkeit, erhohet hat.

5. Gesetz und Gerichtsstand

Diese Auktion sowie die daraus entstandenen Rechte und Pflichten unterliegen ausschliesslich dem Schweizer Gesetz. Jede sich auf diese Auktion beziehende Klage oder Rechtsstreit unterliegen dem Gericht in Genf. Die zustandige Berufungsbehorde ist das Schweizer Bundesgericht in Lausanne. DAVID FELDMAN S.A. behalt es sich ferner vor, den Schuldner nach eigenem Ermessen an seinem Wohnsitz zu verklagen, wobei das Schweizer Gesetz Gultigkeit hat. Bei allfalligen Problemen betreffend Preis oder Wert, wird der Euro zum zur Zeit der Auktion gultigen Wechselkurs in CHF umgerechnet.

6. Alle Transaktionen:

Diese Konditionen gelten auch fur alle Transaktionen die ausserhalb der Versteigerung mit David Feldman SA abgeschlossen werden.

Erhaltung.

Please note: Light edge wear, top backflap faults, slight reductions at one side, and file folds are normal for 19th Century covers. Also normal are light cleaning or minor stains and small mends along the edges. They are to be expected and are not always described, and are not grounds for return, nor are factors visible in the illustrations. We will gladly provide full-size scans on request.

Prière de noter : De légères traces d'usures, défauts au rabat, de légères réductions sur un côté et des plis d'archives sont des caractéristiques normales pour des lettres du 19ème siècle. De légères améliorations au niveau de la propreté ainsi qu'un éventuel ajout de quelques renforts sont également acceptables et ne figurent pas nécessairement dans les descriptions. Ces points ainsi que tous les éléments visibles au niveau de l'illustration ne peuvent par conséquent pas être sujets à réclamation. Des scans supplémentaires d'une pièce peuvent être envoyés sur simple demande.

Bitte beachten: Leichte Eckabnütungen, Mängel der Absenderklappe, leichte Reduktionen an einer Seite und Archivierungsbügel sind als normal für Briefe des 19. Jhdts. anzusehen, ebenso gelten als «normal» leichte Reinigung, kleine (minimale) Stockflecken oder Rissen und Bügel entlang der Briefkanten - diese sind zu erwarten, zu akzeptieren und nicht immer beschrieben (zumeist aber am photo und/oder scan ersichtlich) - diese stellen daher keine Grundlage für Retournierungen dar, ebenso wie auf den photos resp. scans klar ersichtliche Faktoren - Fotos und scans sind immer auch Teil der Beschreibung. Im Zweifel können Sie von uns VOR DER Auktion jederzeit Photokopien oder besser auflösende scans verlangen und werden wir Ihnen diese gerne zusenden bzw. mailen.
