Introduction

Marcus Orsi
Chief Philatelist

Dear Collectors and Friends,

We are holding our traditional Winter auction series scheduled for December 8 through to December 12, 2015, comprising of five different catalogues. We would like to heartily thank our many hundreds of consignors from all parts of the world who have entrusted us with their collections, recognising our company's ability to present their stamps and postal history in the best way to an extensive and knowledgeable collecting public. Indeed, needless to say that without the trust and continued appetite of our passionate and active collector-clients, this sale would also not have been possible.

This catalogue highlights major sections of Persia, Egypt and Switzerland with over 2000 lots. Other notable highlights are Iraq, Russia, Romania, Guatemala, Yemen, plus one-country collections and general all world collections throughout. Our clients have come to know and value our All World collection section with many fresh estate lots housed in hundreds of albums and boxes. Our latest offering continues this tradition with an exceptional selection of country collections, mixed lots and general collections originating mostly from estates; indeed, practically all of the material being presented has not been on the market for an average of over twenty years which will no doubt add to its attractiveness for potential buyers.

It is therefore our pleasure to welcome you to Geneva where the viewing of both small and large lots takes place before December 7th by appointment. Please inform us of your travel plans should you wish to visit us, and do not hesitate to ask should you need some assistance in the form of hotel reservations or other information. Frequent visitors to our auctions are quick to appreciate the extensive flight network of low-cost airlines offered by the nearby Geneva International Airport, and the convenient proximity of the A1 motorway located only a few minutes away. Should you not be able to view the lots at our offices, please consider that most lots, including numerous collections, are also completely scanned and available for viewing via our website www.davidfeldman.com. Bidding in our auctions can be made in writing via the enclosed bid form, live via Internet in the comfort of your home or office, by telephone, or indeed through an independent auction agent. Should you have any questions concerning the material presented, our conditions of sale, or indeed any other matter, please do not hesitate to contact us - we are at your service.

We wish you success with your bids and satisfaction with your purchases.

Geneva, October 2015

SELLING WITH DAVID FELDMAN: If the scope, presentation and results of this auction might get you to think about the eventual sale of your collection, please feel free to discuss with us, at no obligation, the possibilities we can offer you, and the best timing and location available. Please contact one of our philatelists at your convenience. Results –YOUR results– really matter to us –as we know they do to you

THE "FORTH" COLLECTION OF CHINESE & HONG KONG PICTURE POSTCARDS

The following 50 lots form a lifetime of collecting with over 7200 cards mostly unused with a smattering of used throughout. This collection shows a vast array of different scenes including trams & railways, boats & steamships, street scenes, family scenes, local markets, etc. In addition and in true postcard collectors fashion the amazing assembly presents many of the same scenes but from different publishers and or from different angles.

The period cover is from the late 19th century to about 1940, however the vast number of cards fall in the 1900 to 1920 period, with both black and white, early coloured cards, plus a variety of different later colouring methods.

As the collector's passion was to collect the cards by publisher the following lots are arrange alphabetically in publisher order as follows:

Note: All quantities indicated in the following lots are approximations; for viewing all the lots in this section, please consult our Website and view the images.

THE "JOE PATIENT" UNISSUED SET OF KING TALAL

50156

** *
(*)

1951 King Talal Coronation Issue complete unused set of five value including: 1f fil green & grey, 2 fils orange & grey, 3 fils red & grey, 20 fils purple & grey, 100 fils dark blue & grey.

This extremely rare set was originally prepared for issue during King Talal's very short reign from July 1951 to August 1952 when he abdicated, hence, the entire printing was destroyed by fire except for a handful of examples of each, the 100 fils being the rarest with apparently only a pair surviving the fire & which were poorly separated, hence, the small portion of the adjoining stamp is still attached the 100 fils in this set.

Note: An article was published in the October 2000 issue of the London Philatelist describing in detail the event surrounding the sets discovery, rarity and important to the world of philately. The text from the article is included in the lot.

Undoubtedly one of the rarest sets of Middle Eastern philately and of course missing from the Royal collection, truly a great rarity with a wonderful provenance and story behind

Estimate: € 60'000 - € 80'000

Joe Patient was born in London in 1917. After a variety of jobs he worked as a fitter at De Havillands on the experimental Mosquito fighter-bomber. In 1941 he volunteered and trained in Canada, and was commissioned into the Mosquito Pathfinder Squadron. Awarded a DFC for his fifth operation, he flew 59 in total. He became test pilot, instructor and Commanding Officer of "M" Squadron Glider Pilot Regiment. Operations in Palestine were followed by becoming Chief Test Pilot MEDME. After demob in 1948 he became and advisor to the Royal Egyptian Air Force, followed by GM Arab Airways in Jordan. Following other executive posts he finally completed a flying career of 32 years, piloting over 80 marks of aircraft.

He was first introduced to stamp collecting by R. T. Ledger MBE, author of the "Philatelic History of Jordan -1922-1953" and even assisted in its compilation. When King Abdulla of Jordan was assassinated in Jerusalem in 1951, his son Amir Talal succeeded, and special stamps were prepared to commemorate his accession. His was, however, to be a short and sorry reign. Blighted by continual health problems, he abdicated less than a year later. The stamps were sent to be incinerated but one way or another, both partly burnt and undamaged stamps were salvaged, many of which came into Joe Patients's possession, before selling them to the Mosden Stamp Company in the Strand in 1956. However it was through his contact with a Minister present at the burning that he was able to purchase an example of the 100f stamp, of which only 2 were saved from the fire.

However, to be noted the single rate is 6 ch and reg fee 12ch. The cover of legal size ought to have paid for double or triple rate. An answer why this heavy seemingly underfranked cover was accepted by the Teheran PO could be that the postal authorities did not want to charge the US Legation a postage due fee for the possible fault of putting too little amount! E P
Extensive specialised exhibition collection neatly mounted on 80 exhibition pages showing a very complete presentation of this fascinating issue. The purpose of this issue at the time was to provide for stamps with a very high face value (up to 100 francs) in order to satisfy the franking of mainly airmail postage to South America. The collection begins with a very comprehensive presentation of the various die proofs and essays showing items without denomination and a range of the non-adopted "FRS" types, then imperforates of the 10F, 20F, 50F and 100F, Ministerial Proofs, a study on the various perforations and some varieties, the different Malines and Paris prints, shades including for example the very rare 20F green-black shade and the 100F "lie de vin" shade. The last section being a very extensive section of various usages on covers going abroad, many to Africa including other than Belgian Congo, the airmails to Canada, Colombia, Paraguay. Bolivia, Brazil, Uruguay, Argentina, Chile, Afghanistan, India, Dutch Indies and Australia, no doubt one of the most extensive collections ever formed, see web for a complete set of scans of the collection

50967	** * ◎	www		1891-1950, THE FORMIDABLE LATE CONSIGNMENT This lot and the 15 lots that follow have been assembled over a period of many decades by a truly passionate philatelist. These dream lots represent better stamps selected over an incredible number of years by this knowledgeable and passionate collector. They are put into broad categories with rather sparse descriptions as they were consigned at the 11th hour. What they have in common is that they are pretty much "all wheat and no chaff" most in €50-1000 range and are ideal for internet or mail sale, often with a good lot of ID work already done. We expect these lots would attract the attention of some of our man's fellow collectors, so thorough viewing is recommended. Conditions of Sale

The currency of the auction is the Euro (€)

Participation in any David Feldman S.A. auction means acceptance in full of the following conditions as well as any rights and obligations arising therefrom. These same conditions also apply to all transactions in auction lots taking place outside the realm of the auctions. DAVID FELDMAN S.A., organiser of the auctions, acts as an agent only and is not liable in any way whatsoever for any default(s) of purchaser(s) and/or vendor(s).

1. The auction lots are offered

1.1 As presented in the relative auction catalogue and/or through the David Feldman S.A. website. Lots are meticulously described and with the greatest care, however without responsibility. Photographs count as part of the description with regard to the margins, perforation, centering, postmarks and all other visible attributes. The descriptions of the lots mention if the items are signed by recognised experts and/or accompanied by expert certificates.

1.2 As viewed in person: before and during auction sales, persons or their agents may examine lots at our offices or at the auction location, and must confirm their auction invitation before viewing. Persons or their agents attending a Live Room auction by invitation and/or who have viewed lots before an auction are understood to have examined all lots which they purchase and accept them as they are at the moment of the knocking-down and not necessarily as described.

2. Auction bids

2.1 The auction bid steps for all auctions are as follows: (some auctions may be in other currencies than Euros)

€ 50 - 100	€ 5	€ 2'000 - 5'000	€ 200
€ 100 - 200	€ 10	€ 5'000 - 10'000	€ 500
€ 200 - 500	€ 20	€ 10'000 - 20'000	€ 1'000
€ 500 - 1'000	€ 50	€ 20'000 - 50'000	€ 2'000
€ 1'000 - 2'000	€ 100	€ 50'000 - 100'000	€ 5'000

Bids between these steps will be adjusted accordingly to the next highest bid step. The bidder is bound by his offer until a higher bid has been validly accepted.

2.2 DAVID FELDMAN S.A. has full discretion to refuse any bidding, to divide any lot or lots, to combine any two or more lots and to withdraw any lot or lots from the sale without in any case giving any reason. DAVID FELDMAN S.A. may also bid on behalf of vendors in cases where reserve prices have been fixed. In these cases, the vendor is treated as a buyer and the auctioneer shall bid on his behalf up to reserve prices. If the reserve price fixed by the vendor is not reached, the auctioneer passes to the next lot by a simple knock of the hammer.

2.3 Bid orders are only accepted from registered clients of DAVID FELDMAN S.A. and/or its associated companies. Live Room bidders must confirm their invitation prior to obtaining a bidding number.

2.4 Bid orders received by DAVID FELDMAN S.A. including via its website before the relative auctions have priority over room bids in the case of Live Room auctions. Clients giving bidding instructions to DAVID FELDMAN S.A. may make alternative offers and/or limit the total of their expenditure in advance. Bids marked "BUY" are considered as up to ten times the quoted estimate price where such exists. Bids made in other currencies than the advertised currency of the auction will be converted into that currency at the market rate of the day of receipt by DAVID FELDMAN S.A. Bids are standing and hold good for at least 60 days from the auction period. DAVID FELDMAN S.A. reserves the right to invoice bidders up to the end of the 60 day period, payment being due immediately.

3. The auction

3.1 Unless explicitly stated otherwise, the currency of the auction is Euros. Attendance at the Live Room auction is reserved for invited clients and/or their agents.

3.2 Prerogatives of David Feldman S.A.: DAVID FELDMAN S.A. may withdraw, group differently, divide or refuse to knock down any lot. DAVID FELDMAN S.A. reserves the right to refuse any bid orders and/or for Live Room auctions, refuse admittance to the auction room, at its discretion, to anybody whomsoever. DAVID FELDMAN S.A. cannot be held responsible for any physical accident that may occur on the premises where auctions take place. In the case a bone fide offer for the entire collection presented in this catalog is received at least two weeks before the auction date, and would be accepted by the vendor and the auctioneer, it may be withdrawn from sale and the auction offer cancelled.

3.3 Bidders' representatives and auction agents: any per-

son bidding for the account of a third party is fully liable for any obligation arising from such bidding. This responsibility is notably applicable for the verification of the condition and for the payment of purchased lots.

3.4 Winning Bids: each lot is sold on behalf of the respective owner to the highest bidder who becomes the buyer at one bid step over the next highest bid step; this is the knock-down price. In addition to the knock-down price, the buyer pays a premium of 20% to cover commission charges and expenses including lotting fees, packing, and export formalities, etc. whether all incurred in particular cases or not. Cost of postage and insurance for all lots is additional and will be invoiced separate from the buyer's premium. On the knock of the hammer, liability for the lots passes to the bidder whose bids have been accepted. The lots are delivered to the buyer when the total sale price (knock-down price plus all fees including postage or shipping) have been paid in full.

VAT (Sales Tax) - Notes for guidance concerning auctions for which the lots are located in Switzerland: buyers domiciled abroad are not liable for this tax once the goods are duly exported from Switzerland. DAVID FELDMAN S.A. are pleased to arrange this export; alternatively, clients may make their own arrangements and furnish DAVID FELDMAN S.A. with proof of export, stamped by Swiss customs. Any purchases by buyers who wish to keep their purchases in Switzerland will be liable to VAT at 8% of the purchase price in Swiss Francs at the converted Euro value during the auction.

3.5 Payment: Sale price plus buyer's premium and additional costs (if any) are due for immediate payment as invoiced against delivery of the lots. Payment in other currencies is accepted at the rates of exchange of the day as quoted by a major Swiss bank. The bidders who are successful with whom it has been expressly agreed that they pay after the sale under special conditions, are due to pay the sale price, buyer's premium and any other costs according to those terms. In these cases, DAVID FELDMAN S.A. keeps the relevant lots which are delivered to the buyers on full settlement of their account. Delivery of the purchased lots by post, courier or any other means if instructed by the buyer including cost of normal transit insurance cover is at the expense of the buyer. Title or ownership of the purchased lots, delivered or not, remains with the auctioneer on behalf of the seller until payment has been made in full.

3.6 Special extended payment facility: DAVID FELDMAN S.A. may offer a special extended payment facility for buyers. In these cases, the buyer may choose to pay a minimum of 25% of the total invoice immediately, and the balance over a maximum period of 6 months, paying an equal instalment at the end of each month. Interest plus charges of 1% is debited to the buyer's account at the end of each month from the auction date. When the special extended payment facility has been granted, the buyer understands that any claims regarding his purchases must be made within 30 days of the auction sale date, even though the lots may be held by DAVID FELDMAN S.A. awaiting full settlement of the account. Until delivery, all lots may be examined by their respective buyers at the offices of DAVID FELDMAN S.A.

3.7 Pledge: until full settlement of the account, the buyer grants to DAVID FELDMAN S.A. a pledge on any and all properties held by DAVID FELDMAN S.A., acquired prior to, during and/or after any auction. This pledge secures the repayment of any amount due in principals, interests, commissions, costs and other possible fees. DAVID FELDMAN S.A. is entitled, but not obliged, to realise freely the pledge assets without further formalities and without previous notice if the buyer is in default with the payment of his debts or with the fulfilment of any other obligation hereunder. For this purpose, DAVID FELDMAN S.A. is not bound to comply with the formalities of the Federal Law dealing with actions for debt and bankruptcy proceedings; in addition, DAVID FELDMAN S.A. may choose to institute or go on with the usual proceedings without having beforehand sold the pledged goods and without having moreover given them up.

4. Guarantee

4.1 Extent of the guarantee: subject to paragraph 4.3 below, the authenticity of all philatelic items sold in the auction is guaranteed for a period of 30 days from the auction date, with the express exclusion of any other fault(s). Any reclamation regarding authenticity must come to the

notice of DAVID FELDMAN S.A. on the delivery of the lots but at the latest within 30 days from that date. Before delivery, which may take place after the 30 days period, the lots purchased may be examined at the Geneva offices of DAVID FELDMAN S.A. The buyer whose reclamation is made after 30 days from the auction date loses all rights to the guarantee. Such reclamation will not be valid by DAVID FELDMAN S.A.. If an extension of the period is required in order to substantiate the claim with an expertise, a request for such extension must be made to DAVID FELDMAN S.A. within 30 days of the auction date. No request for extension will be considered beyond this 30 days period. An extension will expire 3 months after the date of the auction; the results of the expertise for which an extension was agreed must come to the notice of DAVID FELDMAN S.A. within that period. No further extension of the period will be considered without the express written agreement of DAVID FELDMAN S.A. Only claims, expertise results or other details which are made within the agreed periods will be valid.

4.2 Expertise and counter-expertise: should the authenticity of a lot be questioned, the buyer is obliged to provide an expertise or counter-expertise from a prominent expert in the field, justifying the claim. If a stamp is found by a recognised expert, taking financial responsibility for errors, to have been forged, he may mark it accordingly. Consequently, the marking "FALSCH" (forged) is not considered an alteration. In the case of such reclamation, DAVID FELDMAN S.A. reserves the right to request, at its own discretion, one or more further expertise(s). All expertise and relative charges accrue to the vendor's account in the case of a justified claim, or to the buyer's account if the claim is not justified. In the case of a justified claim, the lot is taken back and the knock-down price plus the commission are refunded to the buyer. In the case of delayed payment due to expertise agreed by David Feldman S.A., interest is charged at 50% of the standard rate for all cleared lots. If David Feldman S.A. has not agreed, then full interest is due.

4.3 Exclusions: lots described as collections, accumulations, selections, groups and those containing duplicates cannot be the subject of any claim. Claims concerning lots described as a set or groups of sets containing more than one stamp, can only be considered under the terms of paragraph 4.1 above if they relate to more than one third of the total value of the lot. Lots which have been examined by the buyer or his agent, lots described as having defects or faults cannot be subjected to a claim regarding defects or faults. Illustrated lots cannot be subjected to a claim because of perforations, centering, margins or other factors shown in the illustrations.

4.4 Late Payment: if payment of the knock-down price plus commission due by the buyer is not made within 30 days of the date of the auction, DAVID FELDMAN S.A. reserves the right to cancel the sale and dispose of the lot(s) elsewhere and/or to make a recourse to any legal proceedings in order to obtain payment of the amounts due as well as for any incurred damages and losses and any legal expenses. A charge on overdue payment of at least 5% for the first month and 2% per month afterwards plus expenses incurred is chargeable on any outstanding amount after 30 days of the date of the auction. The buyer who is in default in any way whatsoever has no right of claim under any circumstances.

4.5 Exceptionally, the knock-down price will be reduced to the lowest winning bid where it is shown that the exact same buyer has inadvertently increased the price by using more than one medium of bidding on the same lot.

5. Applicable law and jurisdiction

Unless otherwise stated, all auctions as well as any rights and obligations arising from them shall be governed exclusively by Swiss law. Any legal action or proceeding with respect to the auctions shall be submitted to the exclusive jurisdiction of the courts of Geneva, subject to appeal to the Swiss Federal Court in Lausanne. Conditions de Vente

La monnaie utilisée pour cette vente est l'Euro (€)

La participation dans l'une des ventes aux enchères de David Feldman SA implique une adhésion totale aux conditions décrites ci-dessous ainsi qu'aux droits et obligations qui en découlent. Ces mêmes conditions sont applicables à toute transaction en relation à des pièces ou des lots faisant partie de la vente aux enchères et conclue en dehors de celle-ci. La Maison DAVID FELDMAN S.A., organisatrice de la présente vente aux enchères, agit exclusivement comme mandataire et n'assume donc aucune responsabilité quelconque en cas de manquement(s) des acheteurs et/ou vendeurs.

1. Les lots sont mis en vente

1.1 Sur la base de leur présentation dans le catalogue et/ou sur le site internet: Les lots sont décrits avec le plus grand soin sans toutefois engager la responsabilité de la Maison DAVID FELDMAN S.A. Les photographies font partie intégrante des descriptions pour ce qui est des marges, de la dentelure, du centrage, des oblitérations et de toute autre qualité apparente. La description des lots mentionne si les pièces sont signées par des experts et/ou sont accompagnées de certificats d'expertise.

1.2 Sur la base de leur examen: avant et pendant la vente, les acheteurs ou agents peuvent examiner tous les lots dans nos bureaux ou à l'endroit de la vente, aux horaires indiqués dans le catalogue de vente ou sur notre site Internet, doit confirmé leur invitation. Les acheteurs ayant examiné les lots avant la vente et/ou y participant personnellement et/ou y étant représentés, sont censés avoir examiné tous les lots achetés et les accepter dans l'état où ils se trouvent lors de l'adjudication, indépendamment de la description figurant dans le catalogue.

2. Les offres d'enchères

2.1 Chaque offre d'enchère doit être supérieure à celle formulée précédemment selon l'échelle suivante:

€ 50 - 100	€ 5	€ 2000 - 5000	€ 200
€ 100 - 200	€ 10	€ 5000 - 10000	€ 500
€ 200 - 500	€ 20	€ 10000 - 20000	€ 1000
€ 500 - 1000	€ 50	€ 20000 - 50000	€ 2000
€ 1000 - 2000	€ 100	€ 50000 - 100000	€ 5000

Les offres se situant entre ces montants seront arrondies à la surenchère supérieure. L'enchérisseur est lié par son offre tant qu'une nouvelle surenchère n'a pas été valablement formulée par un autre enchérisseur.

2.2 DAVID FELDMAN S.A. a le droit de refuser des enchères, de séparer, joindre ou retirer n'importe quel lot, cela à son entière discrétion. La vente a lieu en français mais les enchères pourront être répétées en anglais. La Maison DAVID FELDMAN S.A. est également autorisée à enchérir pour le compte de vendeurs lorsque des prix de réserve ont été fixés. Si le vendeur fixe des prix de réserve pour certains de ses lots, il sera alors considéré comme acheteur et la Maison DAVID FELDMAN S.A. enchérira pour le compte de celui-ci jusqu'à concurrence des prix de réserve fixés. Lorsque le prix fixé par le vendeur n'est pas atteint, il sera passé à la criée du lot suivant par un simple coup de marteau.

2.3 Les offres d'enchères écrites reçues par David Feldman SA ou sur le site Internet avant la vente, sont dans tous les cas prioritaires sur les offres d'enchères faites dans la salle de vente. L'enchérisseur donnant un ordre d'enchères écrit peut faire des offres alternatives et/ou limiter le montant global de ses offres. Les offres d'enchères données «à acheter» sont considérées comme pouvant atteindre jusqu'à 10 fois la valeur de l'estimation imprimée dans le catalogue. Les enchères doivent être faites en Euros. Les offres d'enchères libellées en d'autres monnaies seront converties en Euros au cours du jour de leur réception par la Maison DAVID FELDMAN S.A. Toute offre écrite d'enchères est considérée comme liant son auteur pendant 60 jours après la date de la vente aux enchères. La Maison DAVID FELDMAN S.A. est donc en droit de facturer la marchandise à l'enchérisseur jusqu'à l'expiration de ce délai. Toute facture reçue par celui-ci est de ce fait valable et doit être payée immédiatement.

3. La vente aux enchères

3.1 La vente en direct se déroule sous le contrôle de l'autorité compétente qui n'assume cependant aucune responsabilité. La vente aux enchères se déroule sous le ministère d'un "huissier judiciaire" de la République et Canton de Genève. La monnaie de la vente aux enchères est l'Euro (€).

3.2 Prerogatives de David Feldman S.A.: La Maison DAVID FELDMAN S.A. est en droit selon sa libre appréciation de retirer, de diviser ou de grouper les lots faisant partie de la présente vente ainsi que de refuser l'adjudication de n'importe lequel desdits lots. La Maison DAVID FELDMAN S.A. se réserve le droit de refuser selon sa libre appréciation toute offre d'enchères et/ou l'entrée de la salle de vente à n'importe quelle personne quelle qu'elle soit. La Maison DAVID FELDMAN S.A. n'assume aucune responsabilité quelconque en cas de dommage corporel survenu sur les lieux de la vente.

3.3 Représentants et Agents de Vente aux Enchères: L'enchérisseur qui agit pour le compte d'un tiers engage son entière responsabilité personnelle en particulier en ce qui concerne toutes les obligations contractées dans le cadre de la présente vente. Cette responsabilité s'étend notamment à la vérification de la qualité des lots achetés ainsi qu'au règlement ultérieur de la facture des lots acquis.

3.4 Enchères gagnantes: Chaque lot est adjugé au plus offrant pour le compte de son vendeur respectif. Des frais de 20% sont facturés en sus de l'enchère la plus haute par David Feldman SA couvrant la commission, frais par lot, assurance, emballage, frais d'exportation etc. et ceci dans tous les cas, tous frais encourus ou pas. Les frais de port sont facturés en sus et seront facturés séparément. A la tombée du marteau, les profits et risques des lots ainsi adjugés passent à l'enchérisseur dont l'offre a été acceptée. La marchandise ne sera cependant remise à l'acquéreur qu'au moment du règlement intégral du prix d'achat (prix marteau plus les frais).

TVA (Taxe à la vente) - Note indicative concernant les ventes aux enchères dont les lots se trouvent en Suisse: Les acheteurs domiciliés à l'étranger ne sont pas soumis à cette taxe, à condition que les marchandises soient exportées hors de Suisse. DAVID FELDMAN S.A. se fera un plaisir de s'occuper de l'exportation de ces marchandises. Les clients peuvent aussi faire cette exportation par leurs propres moyens; dans ce cas, ils doivent fournir à DAVID FELDMAN S.A. une attestation dûment signée et timbrée par les douanes suisses. Toute acquisition par des acheteurs désirant garder la marchandise en Suisse est soumise à la taxe TVA de 8% sur le prix d'achat en francs suisses.

3.5 Paiement: Les adjudicataires présents sont tenus de payer comptant en Euros le prix d'achat et la commission contre remise de la marchandise acquise. Le paiement en d'autres monnaies est accepté au cours du jour tel qu'établi par une des grandes banques suisses. Les enchérisseurs par correspondance auxquels un lot est adjugé ainsi que les adjudicataires présents auxquels la Maison DAVID FELDMAN S.A. accorde l'autorisation expresse d'acquitter les montants dus après la vente, sont tenus de payer le prix d'achat et la commission due à réception de la facture de la vente aux enchères. Dans ce cas, la Maison DAVID FELDMAN S.A. conserve les lots gagnés qui ne seront remis à leurs acheteurs qu'à réception par DAVID FELDMAN S.A. du paiement intégral des montants dus. Sauf instructions spéciales de l'acheteur, l'envoi des lots s'effectue par la poste ou autre société d'expédition, la Maison DAVID FELDMAN S.A. assure, de manière usuelle, la marchandise pour le transit. Les lots, délivrés ou non, conservent titre de propriété de la Maison DAVID FELDMAN S.A. pour le compte du vendeur jusqu'au paiement intégral de la facture.

3.6 Facilités de paiement: La Maison DAVID FELDMAN S.A. accorde, selon sa libre appréciation, des facilités de paiement aux acheteurs. L'acheteur au bénéfice de telles facilités paie un montant minimum de 25% du montant total de la facture dès réception de celle-ci puis acquitte le solde encore dû en mensualités égales sur une période de 6 mois maximum. Un intérêt mensuel plus les frais encourus au taux de 1% sont perçus, à partir de la date de la vente, par la Maison DAVID FELDMAN S.A. L'intérêt est débité chaque mois au compte du client. En cas d'octroi de facilités de paiement, la Maison DAVID FELDMAN S.A. garde les lots adjugés jusqu'au paiement intégral des montants dus par l'acheteur, étant précisé que l'acheteur peut, en tout temps avant livraison, examiner la marchandise acquise auprès de la Maison DAVID FELDMAN S.A. Par ailleurs, l'acheteur perd tout droit de réclamation tel que prévu sous chiffre 4 ci-dessous, 30 jours après la date de la vente aux enchères.

3.7 Droit de gage: Jusqu'au paiement intégral du montant dû, l'acheteur confère à DAVID FELDMAN S.A. un droit de gage sur la totalité des lots gardés par DAVID FELDMAN S.A., acquis avant, pendant et/ou après la présente vente aux enchères. Ce gage garantit le remboursement de tout montant dû en capital, intérêts, commissions et frais éventuels. DAVID FELDMAN S.A. est autorisée, mais non obligée, à réaliser les gages sans autres formalités et sans préavis si l'acquéreur est en demeure pour le paiement de sa dette ou l'exécution d'une obligation quelconque. DAVID FELDMAN S.A. pourra dans tous les cas réaliser les gages de gré à gré. A cet effet, elle n'est pas tenue d'observer les formalités prévues par la Loi fédérale sur la poursuite pour dette et faillite; DAVID FELDMAN S.A. est libre en outre d'introduire ou de continuer une poursuite ordinaire, sans avoir préalablement réalisés les gages et sans renoncer pour autant à ceux-ci.

4. Garantie

4.1 Etendue de la garantie: Sous réserve de l'article 4.3 ci-après, l'authenticité de toutes les pièces philatéliques vendues aux enchères est garantie pendant 30 jours à compter de la date de la vente aux enchères. Toute garantie de défaut ou autre garantie de quelque nature qu'elle soit est expressément exclue. Toute réclamation concernant

l'authenticité doit être transmise à DAVID FELDMAN S.A. dès réception des lots, mais au plus tard dans les 30 jours à compter de la date de la vente aux enchères. Avant la livraison, qui peut intervenir après ce délai de 30 jours, les pièces philatéliques acquises peuvent être examinées auprès de DAVID FELDMAN S.A. L'acheteur dont la réclamation parvient à DAVID FELDMAN S.A. après ce délai de 30 jours à compter de la date de la vente aux enchères perd tout droit à la garantie. Sa réclamation ne sera pas prise en considération par DAVID FELDMAN S.A. Si un délai supplémentaire pour formuler une réclamation liée à l'authenticité d'une pièce philatélique s'avère nécessaire, la demande doit en être faite à DAVID FELDMAN S.A. dans le délai de 30 jours à compter de la date de la vente aux enchères. Aucune demande parvenue après ce délai de 30 jours à DAVID FELDMAN S.A. ne sera prise en considération. Le délai d'extension expirera 3 mois après la date de la vente aux enchères. Les résultats de l'expertise pour laquelle un délai a été accepté doivent parvenir à DAVID FELDMAN S.A. dans ce délai. Un délai supplémentaire ne peut être accordé qu'avec l'accord écrit de DAVID FELDMAN S.A. Seules les réclamations, résultats d'expertise ou autres notifications parvenus dans les délais seront pris en considération par DAVID FELDMAN S.A.

4.2 Expertise ou contre-expertise: Lorsque l'authenticité d'un lot est contestée l'acheteur est tenu de produire un certificat d'expertise ou de contre-expertise émanant d'un expert qualifié justifiant sa réclamation. Si l'expert reconnu, assumant toute responsabilité en cas d'erreur, juge que le timbre a été falsifié, il peut le marquer en conséquence; les signes «FAUX» ou «FALSIFIE» ne constituent pas alors une altération du lot. En présence d'une telle réclamation DAVID FELDMAN S.A. se réserve le droit de demander selon la libre appréciation une ou plusieurs expertises subséquentes dont les frais seront mis à charge du vendeur dans l'hypothèse où la réclamation de l'acheteur est fondée. Dans le cas contraire l'acheteur supportera tous les frais d'expertise encourus. Lorsque la réclamation est fondée, le lot est repris et le prix d'adjudication ainsi que la commission sont intégralement remboursés à l'acheteur. Dans le cas d'un paiement retardé dû à une expertise agréée par David Feldman S.A., des intérêts sont payables à 50% du taux habituel pour tout lot dont l'authenticité est confirmée. Si David Feldman S.A. n'est pas d'accord tous les intérêts seront dus.

4.3 Limites de la garantie: Les lots décrits comme collections, sélections ou groupes, ceux formés de doubles et d'accumulations, ne peuvent faire l'objet d'une réclamation quelconque. Les réclamations concernant les lots décrits comme série ou groupes de séries contenant plus d'un timbre, ne sont prises en considération dans les limites de l'article 4.1 ci-dessus que si elles portent sur plus d'un tiers de la valeur totale d'acquisition du lot. Les lots qui ont été examinés par l'acheteur ou son agent, ainsi que les lots qui sont décrits comme ayant des défauts ne peuvent faire l'objet d'aucune réclamation par rapport à ceux-ci. Tout lot illustré ne peut faire l'objet d'aucune réclamation au sujet de la perforation, du centrage, des marges ou tout autre élément visible dans l'illustration.

4.4 Paiement tardif: Si le paiement du prix marteau et de la commission due par l'acheteur n'intervient pas dans les 30 jours à compter de la date de la vente aux enchères, DAVID FELDMAN S.A. se réserve le droit d'annuler la vente et de disposer du(des) lot(s) concerné(s) et/ou d'agir par toute voie de droit utile contre l'acquéreur afin d'obtenir les paiements en souffrance plus un intérêt d'au moins 5% dès le premier mois et 2% par mois supplémentaire. De plus, les dépenses encourues seront perçues sur toutes les sommes dues par l'acheteur 30 jours après la date de la vente aux enchères. Le débiteur défaillant perd en outre tout droit de réclamation.

4.5 Le prix marteau pourra, exceptionnellement, être ramené à la mise gagnante la plus basse s'il est établi que le même enchérisseur a augmenté le prix par inadvertance en utilisant son droit de miser.

5. Droit applicable et juridiction

La présente vente aux enchères ainsi que tous les rapports juridiques qui en découlent seront soumis au Droit suisse exclusivement. Toute action légale ou procédure concernant la vente aux enchères ainsi que les rapports juridiques qui en découlent seront soumis à la juridiction exclusive des tribunaux de Genève, sous réserve d'appel au Tribunal fédéral suisse à Lausanne. Dans tous les cas, DAVID FELDMAN S.A. se réserve le droit de poursuivre tout acheteur défaillant à son lieu de résidence, auquel cas le Droit Suisse reste applicable.

6. Toute transaction:

Ces conditions sont applicables à toute transaction même en dehors des ventes aux enchères, avec David Feldman SA.

2.2 DAVID FELDMAN S.A. ist ermächtigt, gemäss erfolgten Anweisungen, für Kunden zu bieten. DAVID FELDMAN S.A. ist ebenfalls ermächtigt, gegebenenfalls für Einlieferer zu bieten, sofern diese Reservepreise festgesetzt haben. Einlieferer werden somit als Käufer betrachtet, und der Versteigerer steigert für sie bis zum Betrag der Reservepreise mit. Wird der vom Einlieferer festgesetzte Reservpreis nicht erreicht, geht der Auktionator durch einen einfachen Hammerschlag zum nächsten Los über.

2.3 Vor der Versteigerung bei DFSA oder auf deren Internet Site eingegangene schriftlichen Gebote haben absoluten Vorrang vor Saalgeboten bei einer „Live“ Auktion. Kunden, die der DAVID FELDMAN S.A. Kaufaufträge gegeben haben, können Alternativgebote abgeben und/oder die Auftragssumme im voraus begrenzen. „Buy“ („Zum Kauf“) Gebote werden bis zum Zehnfachen des gedruckten Schätzwertes mitgesteigert. Gebote sind in CHF abzugeben. Sollten diese jedoch in anderen Währungen erfolgen, so werden die Beträge bei Empfang zum Tageskurs in CHF umgerechnet. Gebote haben bis zu mindestens 60 Tagen nach Versteigerungsdatum Gültigkeit. DAVID FELDMAN S.A. behält es sich vor, Bietern Lose bis zum Ablauf dieser Frist in Rechnung zu stellen, wobei sofortige Zahlung fällig ist.

3. Die Versteigerung

3.1 Die „Live“ Auktion erfolgt unter der Mitwirkung einer lokalen Aufsichtsbehörde. Die Aufsichtsperson kann nicht haltbar gemacht werden. Diese Versteigerung erfolgt unter Mitwirkung des „huissier judiciaire“ (Gerichtsvollstreckler) als gesetzlicher Überwacher von Republik und Kanton Genf. Die Währung dieser Auktion ist der Schweizer Franken.

3.2 Vorrechte der David Feldman S.A.: DAVID FELDMAN S.A. hat das Recht, Lose zurückzuziehen, umzugruppieren, zu trennen oder den Zuschlag zu verweigern. DAVID FELDMAN S.A. behält es sich ebenfalls vor, Kaufaufträge abzulehnen und/oder Personen den Zugang zum Auktionsraum zu verweigern. DAVID FELDMAN S.A. kann für Unfälle, die in den Versteigerungsräumen erfolgen, nicht haltbar gemacht werden.

3.3 Bevollmächtigte und Agenten: Wer für Dritte bietet, haftet für alle sich aus dieser Versteigerung ergebenden Verpflichtungen als Solidarschuldner. Diese Verbindlichkeit betrifft hauptsächlich die Qualitätsprüfung und Bezahlung gekaufter Lose.

3.4 Zuschläge: Jedes Los wird dem Meistbietenden zu Gunsten des Einlieferers, zur nächst höheren Steigerungsstufe zugeschlagen. Zur Zuschlagssumme, welche abhängig von der Auktion ist, wird in jedem Fall ein Auf-

geld von 20% Kommission, inklusive Taxen, Versicherung, und Verpackung aber ohne Versand. Beim Zuschlag geht das Risiko der ersteigerten Lose auf den Bieter über, dessen Gebote angenommen wurden. Die Lose werden ihm jedoch erst bei voller Begleichung des Kaufpreises und Aufgelds ausgehändigt.

MWST (Mehrwertsteuer) - Anmerkung zur Orientierung betreffend Versteigerungen, deren Lose sich in der Schweiz befinden:

Käufer, mit Wohnsitz im Ausland sind nicht steuerpflichtig, wenn die Ware ins Ausland exportiert wird.

Selbstverständlich ist DAVID FELDMAN S.A. immer bereit Ihnen mit den Zollformalitäten zu helfen. Sollten unsere Kunden diese Formalitäten selbst erledigen, werden wir vom Schweizer Zoll eine Kopie Ihrer Ausfuhrpapiere erhalten.

Falls unsere Kunden wünschen ihre Käufe in der Schweiz zu behalten, wird ihnen MWST von 8% auf den Kaufpreis aufgeschlagen.

3.5 Zahlung: Kaufpreis und Aufgeld sind bei Versteigerungsteilnehmern sofort am Kauftag gegen Auszahlung der Lose fällig. Zahlungen in anderen Währungen werden zum Tageskurs gemäss Abrechnung einer Schweizer Grossbank angenommen. Erfolgreiche schriftliche Bieter und Versteigerungsteilnehmer, deren Zahlung nach dem Verkauf ausdrücklich zugestanden wurde, haben Kaufpreis und Aufgeld unverzüglich bei Erhalt der Auktionsrechnung zu zahlen. DAVID FELDMAN S.A. hält die ersteigerten Lose bis zur vollständigen Bezahlung des Rechnungsbetrages zurück. Zustellung der Lose durch die Post oder auf einem anderen Weg, sofern vom Käufer gewünscht, sowie Transportversicherungskosten, gehen auf Rechnung des Käufers. Die Lose ob ausgeliefert oder nicht, bleiben bis zur vollständigen Bezahlung Eigentum der DAVID FELDMAN S.A., stellvertretend für den Einlieferer.

3.6 Erweiterte Zahlungsmöglichkeiten: DAVID FELDMAN S.A. ist gegebenenfalls bereit, Käufern erweiterte Zahlungsmöglichkeiten zu gewähren. Der betreffende Käufer zahlt mindestens 25% des Gesamtrechnungsbetrages bei Erhalt der Rechnung und den Saldo in gleichen Monatsraten über maximal 6 Monate. Der dem Käufer am Ende jedes Monats, vom Auktionsdatum, berechnete Zins beträgt 1%. Bei Gewährung erweiterter Zahlungsmöglichkeiten hält DAVID FELDMAN S.A. die ersteigerten Lose gegebenenfalls bis zur vollen Begleichung des Rechnungsbetrages zurück. Es versteht sich, dass der Käufer die Lose bis zur Auslieferung jederzeit bei DAVID FELDMAN S.A. besichtigen kann. Reklamationen bezüglich der ersteigerten Lose müssen jedoch innerhalb von 30 Tagen nach dem Versteigerungsdatum eingehen.

3.7 Pfandrecht: Bis zur vollständigen Bezahlung der bestehenden Schuld bürgt der Kunde gegenüber DAVID FELDMAN S.A. mit seinem durch die DAVID FELDMAN S.A. aufbewahrten Material, welches ihm vor, während und/oder nach dem jeweiligen Verkauf zugesprochen wurde. Dieses Pfand garantiert die Rückzahlung des Forderungsbetrages, der Zinsen, Kommissionen und anderer möglicher Unkosten.

DAVID FELDMAN S.A. ist berechtigt, aber nicht verpflichtet, die verpfändete Ware formlos und ohne Vorankündigung zu veräussern, sollte der Kunde in Zahlungsverzug kommen oder seinen sonstigen Verpflichtungen nicht nachkommen. In diesem Falle ist DAVID FELDMAN S.A. nicht verpflichtet, den Vorschriften des Bundesgesetzes über Schuldbetreibung und Konkurs zu folgen. Im übrigen hat DAVID FELDMAN S.A. die Wahl, ein Verfahren einzuleiten oder gegebenenfalls weiterzuführen, ohne die Ware vorher zu verkaufen und ohne sein Anrecht auf das betreffende Material zu verlieren.

4. Garantie

4.1 Umfang: Unter Vorbehalt des nachstehenden Paragraphen 4.3. ist die Echtheit aller bei Versteigerungen verkauften philatelistischen Artikel während 30 Tagen nach dem Versteigerungsdatum garantiert. Jegliche andere Garantie oder Garantie für Fehler ist ausdrücklich ausgeschlossen. Jegliche Reklamation bezüglich Echtheit muss unverzüglich nach Erhalt der Lose an DAVID FELDMAN S.A. gerichtet werden, spätestens jedoch innerhalb 30 Tagen nach Versteigerungsdatum. Vor der Zustellung, die nach der 30-Tage-Frist erfolgen kann, können die erstandenen philatelistischen Artikel bei DAVID FELDMAN S.A. besichtigt werden. Ein Käufer, dessen Reklamation nach der Frist von 30 Tagen ab Versteigerungsdatum bei DAVID FELDMAN S.A. eintrifft, verliert jegliches Anrecht auf die Garantie. In diesem Fall wird die Reklamation von DAVID FELDMAN S.A. nicht anerkannt.

Wird im Falle einer Reklamation bezüglich der Echtheit eines philatelistischen Artikels eine Fristverlängerung benötigt, muss diese innerhalb 30 Tagen nach Versteigerungsdatum bei DAVID FELDMAN S.A. beantragt werden. Kein solcher Antrag, welcher nach dieser 30-Tage-Frist bei DAVID FELDMAN S.A. eintrifft, wird in Betracht gezogen. Die Prüfergebnisse, für deren Einholung eine Fristverlängerung gewährt wurde, müssen bei DAVID FELDMAN S.A. innerhalb von 3 Monaten nach dem Versteigerungsdatum vorliegen. Eine weitere Fristverlängerung kann nur mit schriftlicher Einwilligung von DAVID FELDMAN S.A. gewährt werden. Nur diejenigen Reklamationen, Prüfergebnisse sowie andere Mitteilungen, die innerhalb der vorgeschriebenen Fristen eintreffen, werden von DAVID FELDMAN S.A. in Betracht gezogen.

4.2 Atteste und Gegenatteste: Bei Echtheitszweifeln obliegt es dem Käufer, als Rechtfertigung seiner Reklamation ein Attest oder Gegenattest von einem für das betreffende Sammelgebiet anerkannten Prüfer beizulegen. Wird eine Marke von einem anerkannten und für Irrtümer haftenden Prüfer als falsch erkannt, kann er sie entsprechend kennzeichnen. Das Zeichen FALSCH gilt dabei nicht als Veränderung. Bei derartigen Reklamationen behält DAVID FELDMAN S.A. es sich vor, nach eigenem Ermessen ein oder mehrere Atteste anzufordern. Alle Prüfkosten und diesbezügliche Ausgaben fallen bei gerechtfertigter Beanstandung zu Lasten des Einlieferers, anderenfalls jedoch zu Lasten des Käufers. Bei gerechtfertigter Beanstandung wird das Los zurückgenommen und die Zuschlagssumme sowie Aufgeld an den Käufer zurückerstattet. Falls infolge einer Expertise, mit Übereinstimmung der DAVID FELDMAN S.A. Zahlungsverzögerungen entstehen, werden 50% der üblicherweise belasteten Zinsen auf jedes Los, dessen Echtheit einwandfrei bewiesen ist erhoben. Ansonsten werden die Standardzinsen berechnet.

4.3 Begrenzung: Lose, die als Sammlungen, Sammellose, Dublettenposten oder Anhäufungen beschrieben sind, haben keinerlei Anrecht auf Reklamation. Beanstandungen von Los, die als Serien oder Gruppen von Serien aus mehr als einer Briefmarke bestehend beschrieben sind, werden in Grenzen des obigen Punktes 4.1. nur in Betracht gezogen, wenn sie mehr als ein Drittel des Gesamtkaufwerts des entsprechenden Loses darstellen. Für Lose die vom Käufer oder dessen Agenten besichtigt wurden oder mit Fehlern beschrieben sind können deshalb nicht beanstandet werden. Abgebildete Lose können nicht beanstandet werden wenn es sich um Zähnungsfehler, Zentrierung, Rand oder andere im Bild ersichtliche Fehler handelt.

4.4 Zahlungsverzug: Geht die Zahlung der Zuschlagssumme und das Aufgeld nicht innerhalb von 30 Tagen nach Versteigerungsdatum ein, behält DAVID FELDMAN S.A. es sich vor, entweder das Kaufgeschäft aufzuheben und über die Lose anderweitig zu verfügen und/oder auf Zahlung des Kaufpreises und Schadenersatz, sowie auch gesetzliche Abgaben zu klagen. Bei Nichtzahlung ausstehender Beträge innerhalb von 30 Tagen nach Versteigerungsdatum, werden Verzugszinsen von wenigstens 5% im ersten Monat und 2% in den darauffolgenden Monaten erhoben; entstandene Unkosten sind ebenfalls zurückzuerstatten. Der in Verzug geratene Käufer verliert in jedem Fall sein Reklamationsrecht.

4.5 Der Zuschlagspreis kann ausnahmsweise auf das tiefste Gebot vermindert werden, wenn der Bieter wesentlich den Preis, durch eine andere Bietmöglichkeit, erhöht hat.

Please note: Light edge wear, top backflap faults, slight reductions at one side, and file folds are normal for 19th Century covers. Im Zweifel können Sie von uns VOR DER Auktion jederzeit Photokopien oder besser auflösende scans verlangen und werden wir Ihnen diese gerne zusenden bzw. mailen.

- Partnership with David Feldman, renowned international stamp auctioneers

We are interested in any World or GB coins, particularly gold or those of high quality or rarity, and can handle single pieces or indeed complete collections.

We offer consignors the ability to sell their coins via our monthly online auctions, while reserving the best coins and collections for our public auctions in Geneva. Our monthly auctions also provide an opportunity for vendors to receive payments more quickly after consigning their coins.
