We would like to thank everyone who participated in our Autumn Auction Series for helping to make it the success that it was. A special thanks to those collectors and dealers who came to our Geneva office in person to view and bid on the lots.

Our next auction series is scheduled next spring, and we already have the foundations of what looks to be an excellent sale.

David Feldman prides itself in establishing top prices for both single rarities and entire collections. We are always looking for valuable single stamps, specialised collections and inherited estates. We only sell properties consigned by third parties, and for that reason, every vendor can be assured that our interests are aligned to achieve the best possible result. We are willing to travel anywhere in the world to discuss larger holdings in the comfort of your own home. Our experienced philatelic experts are well versed in all areas of philately.

If you have any valuable philatelic items that you would like to consign, then please do not hesitate to contact us.
