Koning George opende de spelen met de woorden: Ik verklaar de Olympische Spelen van Londen voor geopend. Hierna staken de in hun fleurige oude uniformen gestoken trompetters van de gardetroepen hun instrumenten en werden 7.000 duiven losgelaten, die de boodschap over geheel de wereld zouden voeren. Helaas voor de duiven gaat het per radiotelegram nog sneller

ROCHESTER, N.Y.
