Hector BERLIOZ (1803-1869)

Ce grand compositeur français qui influença profondément le monde musical par son génie de l'orchestration, sut porter au plus haut niveau la musique dramatique. C'est dans la salle du Théâtre de Monte-Carlo le 18 février 1893 que fut créé l'un des plus célèbres opéras du XIX^e siècle : "la Damnation de Faust".

COLETTE (1873-1954)

Cet écrivain a été membre, puis Président d'Honneur jusqu'à sa mort, du Conseil Littéraire de la Principauté de Monaco, fondé en 1951 par S.A.S. le Prince Rainier III en vue de favoriser la culture et le progrès des Lettres.

Les Archives du Palais Princier conservent la trace d'une relation épistolaire entre cet éminent écrivain français et le Prince Pierre et S.A.S. le Prince Souverain lors de ses séjours en Principauté de 1948 à 1954.

Guillaume APOLLINAIRE (1880-1918)

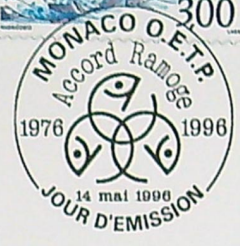

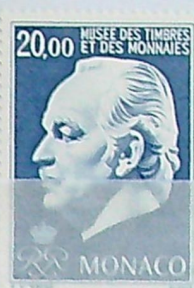

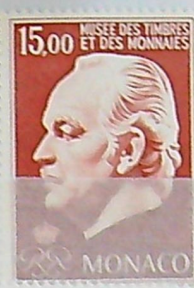

Cet illustre poète français résida à Monaco au moment de ses études secondaires passées au Collège Saint-Charles de 1888 à 1896. Cet établissement abrite aujourd'hui la Mairie de Monaco.
