Le Caire - Empire de Sésostris et Pyramide

On a vu dans le désert de Siout  
 l'Empire de Sésostris et les Pyramides  
 de Gizeh. Les caméléons  
 sont très communs dans  
 le désert. Les chameaux  
 sont très utiles pour  
 transporter les marchandises.  
 Les Arabes sont très  
 hospitaliers et accueillent  
 les étrangers avec  
 plaisir.
