Ces timbres sont gravés, alors que les  
faux sont lithographiés ou photo-  
lithographiés,

Ils sont filigranés dans la pâte,  
alors que les faux ont un filigrane  
imprimé en gras, au verso.

Conclusions:

N. 7 authentique mais ob. trouillée

N. 9 authentique mais ob. plume

N. 16 Idem mais neuf sans tache  
le N. 39 est à pencher pour comparaison

### Airmail letter from Victoria, Labuan Island, North Borneo to Bermuda, BWI

Victoria, Labuan cds of 10 Dec 1948

Red ink stamped registration with MS No. 4507

Singapore E cds (V) of 15 Dec 1948 at 12.30 pm

Manuscript AV2 applied using violet crayon

Postage	10c (≤ 1 oz, Commonwealth rate)
Registration	15c
Airmail (Singapore to BWI)	80c (≤ ½ oz)

**Transit route.** Labuan to Singapore by boat. Back stamped and m/s AV2 applied when loaded into an open mailbag for Hawaii via Manila. From there it was flown to San Francisco, New York or Baltimore and on to Bermuda.

#### Singapore back stamp

I believe the red pencil '16' denotes the quantity of letters in the bundle from Singapore and the blue circled 5 from Hawaii maybe.

**Note** - Four stamps have been overprinted with Crown over GR (1947) and "The State of" and "British Protectorate" obliterated using red ink. North Borneo became a British Crown Colony in July 1946, later becoming part of Malaysia.

The 12c stamps were overprinted "BMA" in 1945 when the British Military Administration occupied North Borneo after liberation.
