

The United Principalities of Moldavia & Wallachia - 1862 issue handstruck from single dies

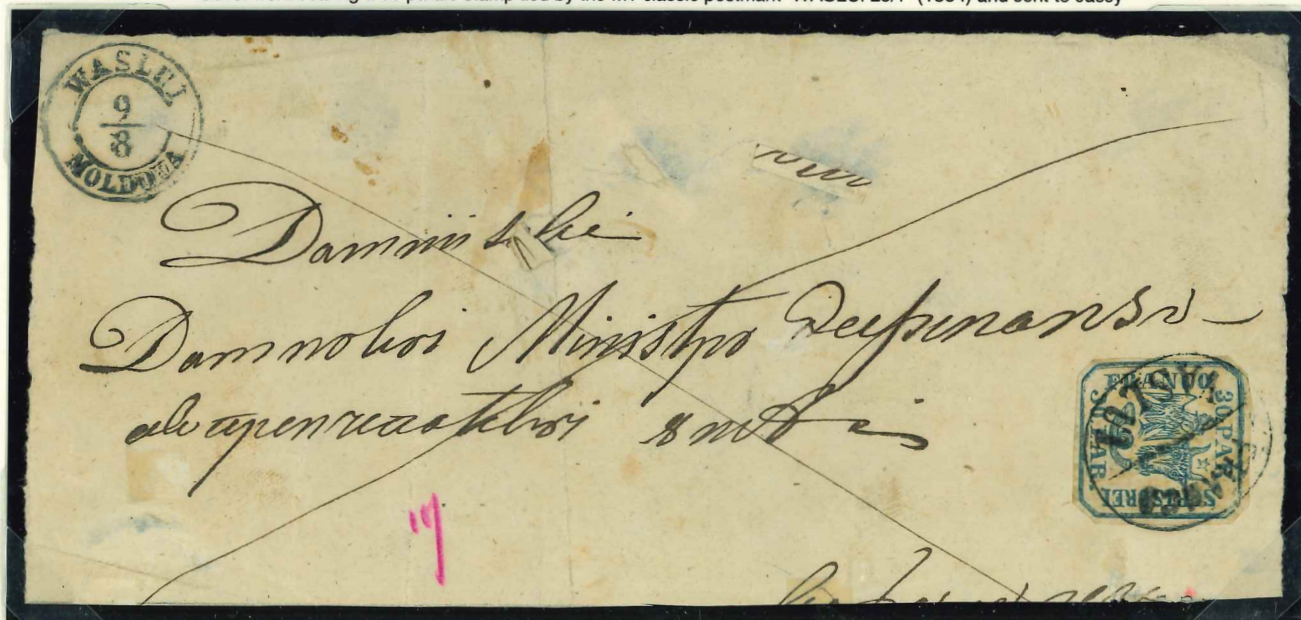

- The 30 parale stamp (issued June the 26th, 1862) - rare postmarks - part 3 -

The post office of Waslui was a relatively small one, having sold only 7,832 30 parale stamps ever. It used only two different postmarks, of types M1 and M3 respectively, and black ink was used here throughout 1864 only. Postal history items from this post office are generally scarce.
