We sailed from Devonport on Saturday here on Sunday arrived here on Sunday at 4.30 P.M. We are going to stay here until the 4th Oct. then down to the Mediterranean. Some for Christmas. This is a fine ship of 1000 tons but she is called the "Widow" in the British navy, so I am looking forward to the Bay of Biscay. I have something here in an envelope done up with brown paper.
