RECEIVED

Dear Gladys I arrived here 2 days ago after travelling about 4000 miles by train. In a couple of days I'm off to the coast in Northern Syria working my way down to Tripoli & Beirut. Then perhaps to Cairo & Alexandria if the cash holds out. It's wonderful to be away from Iraq in this single glorious country. Everybody is so friendly & I shall remember the gentle leaves of the rest of my life. I am buying you a pair of halibut - but that is so much I would like to add - reason must be decided. All my love
