LUXEMBOURG, 1880.

I have examined the postage stamp prepared for the Grand Duchy of Luxembourg, "Arms" 25 centimes blue, perforated 12.50 all around, on lightly toned wove paper without watermark, Scott Catalogue #46a; Prifix #45a, Michel #43D, unused, a colour reproduction of which is below, magnified to 125% of true size, and am of the opinion that:

The stamp is **genuine**, unused, with original gum. Two hundred and fifty sheets of these stamps were prepared by Enchedé at Haarlem, but were not issued by the Luxembourg Post Office.
