The issue of these surcharged stamps by the Indian Post Offices on the Persian Gulf when the rate of postage was raised from 12ch. to 1kr. (20ch.), The Indian Post Offices did not raise their rate & to compete with this the Persian D. G. of Posts authorized the above stamps to be sold at their original values and thus save an extra charge being made at their destination.

The issue of these surcharged stamps was due to the competition between the Persian & the Indian Post Offices on the Persian Gulf when the rate of postage was raised from 12 ch. to 1 kr. (20ch). The Indian Offices did not raise their rate & to compete with this the Persian D.-G. of Post authorized the above to be sold at their original values, and to save an extra charge being made at their destination.
